Only hangings, curtains, upholstery and temporary decorations complying with the relevant British (or where appropriate European) Standard shall be used. Where necessary these shall be periodically tested for flame resistance and re-treated as necessary to the satisfaction of the Licensing Authority.

In the case of temporary decorations a statement must be provided advising the period it is desired to retain the decorations.

Curtains and hangings shall be arranged so as not to obstruct fire safety signs, fire extinguishers or other fire fighting equipment.

Curtains across doors shall be hung in two halves on a free running rail to enable them to be parted easily. Such curtains shall have a clearance of at least 25mm between the bottom of the curtain and the floor.

Application for consent for all upholstery (whether provided new or second-hand) shall be made in writing and shall be accompanied by full details, including a certificate in respect of fire-retardancy issued by a recognised laboratory e.g. one accredited by UKAS showing that the upholstery composite of each item has been tested.

PS24

Doors & Fastenings

Any exit door or gate shall open in the direction of escape and shall be hung so as not to obstruct, when open, any gangway, passage staircase or landing. Such door or gate shall be free from fastening other than panic bolts or such fastening as may be approved by the Licensing Authority. Panic bolts shall be of the type and pattern and installed in accordance with the appropriate British Standard

PS25

Escape Routes Separation & Enclosures

The means of escape from the premises shall be enclosed and protected against the action of fire and portions of the premises considered by the Licensing Authority to constitute or contain a particular fire risk shall be separated from the remainder of the premises to the Licensing Authority's satisfaction.

PS26

Exit Notices

All exit notices required by the Licensing Authority shall be provided with adequate means of illumination from each system of lighting or shall be of the self-luminous type

PS27

Exits

All means of egress approved by the Licensing Authority shall be clearly indicated

PS28

Fire Alarms

A fire alarm system shall be installed throughout the premises to the satisfaction of the Licensing Authority

Any fire alarm system shall be maintained in satisfactory working order. The system shall be maintained and serviced in accordance with the current British Standard and tested regularly in accordance with conditions imposed by the Licensing Authority. All checks, tests and defects shall be recorded in the logbook.

PS29

Fire Appliance

The approved fire appliances shall be kept in the approved positions and be maintained in satisfactory working order so as to be available for instant use.

Portable fire appliances shall be inspected at least once a year in accordance with the relevant British Standard and the date of the inspection clearly marked on the appliance or on a stout tab securely attached to it. Extinguishers shall be inspected and recharged in compliance with the manufacturer's instructions.

Any hydraulic hose reels shall be inspected once a year to ensure that they are in working order and the date of the inspection clearly marked on the appliance or recorded in a log book.

Any drenchers or sprinklers shall be inspected once a year to ensure that they are in working order and the date of the inspection clearly marked on the appliance or recorded in a log book.

PS30

Fire Appliances & Equipment

Fire appliances and equipment for the protection of the premises shall be provided to the Licensing Authority's satisfaction

PS31

Fire Duties

All parts of the premises shall be inspected by an appropriately trained member of staff at the end of every event/performance in order to ensure no fire exists and to identify any possible fire risk.

PS32

Fire Duties, Emergency Procedures

Particulars of the emergency procedures shall be posted in areas approved by the Licensing Authority. These notices shall be framed and glazed or otherwise suitably protected against loss or defacement.

Particulars of the duties of staff with specific responsibilities in the case of fire and other emergency shall be reviewed from time to time as changes in staff or other circumstances shall require.

PS33

Fire Duties, Fire Drill

A fire drill and/or emergency procedure instruction shall be held at least once a month (or more frequently if required by the Licensing Authority) under the direction of the duty manager.

PS34

Fire Duties' Logbook

The licensee shall ensure that a logbook is kept to record the holding of the fire drills and the carrying out of checks. The licensee or duty manager shall initial the logbook weekly and the book shall be open to inspection at any reasonable time by authorised officers.

PS35

Fire Safety, General Arrangements

The general arrangements of the premises shall be such as the Licensing Authority considers satisfactory to facilitate the safe and orderly evacuation of all persons therein accommodated in the event of fire.

PS36

Fire Safety, Separation

The premises shall be separated, to the satisfaction of the Licensing Authority, from any other building or from any other portion of the building in which the premises are situated or from any adjoining fire risk

PS37

Means of Escape

Exits shall be provided and so arranged as to afford ready means of escape from all parts of the premises

The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the approved arrangements.

In restaurants and other premises where chairs and tables are provided clear gangways shall be provided in accordance with the approved arrangements.

No changes shall be made to the approved layout of the premises without the consent of the Licensing Authority.

All exit doors shall be available at all material times without the use of a key, code, card or similar means. The Licensing Authority must approve any fastenings or electrically controlled locks.

The means of escape must always be sufficient for the total number of persons present, Where there are an unusually large number of performers the Licensing Authority must be consulted.

Any approved removable security fastenings shall be removed from the doors prior to opening the premises to the public. All such fastenings shall be kept in an approved position.

All fire doors shall be maintained effectively self closing and not held open other than by an approved device.

Fire resisting doors to ducts, service shafts and cupboards shall be kept locked shut.

The edges of the treads of steps and stairways shall be maintained so as to be conspicuous.

PS38

Medical and First Aid Provision

The licensee shall keep a record to confirm the attendance of the paramedic or trained first aiders and must log any assistance given. This record must be made available to authorised officers on request.

All those responsible for first aid shall have special instructions on drug related problems and how to recognise and tackle, in particular, dehydration, heat stroke, anxiety and paranoia. This training shall also be given to all persons expected to staff the

toilet areas.

PS40

Medical and First Aid Provision under 1000 patrons

A minimum of 2 persons trained in first aid must be in attendance at all times whilst the premises are open. Re-training of first aiders must take place every three years.

PS41

Outbreaks of Fire

The Fire Brigade shall be called at once to any outbreak or suspected outbreak of fire, however slight, and details thereof shall be recorded in a logbook. Suitable notices shall be prominently displayed indicating how the Brigade can be summoned. The Licensing Authority shall be informed, as soon as possible, of any instance of fire.

PS42

Refuse Storage

A sufficient number of suitable receptacles for refuse storage shall be provided in approved positions. These receptacles shall be maintained in a clean condition.

PS43

Staff Training

Staff with specific responsibilities in the event of fires or other emergency, together with deputies, shall receive training and written instruction appropriate to their role. The duty manager shall, once he is satisfied as to the competence of each member of staff, enter this in a logbook that shall be available for inspection by Police or authorised officers.

All staff shall initially be trained in the action to be taken in the event of an emergency and in basic fire prevention, including the rules concerning smoking and, thereafter, at least once every 6 months.

All full time staff shall receive instruction and training in the use of fire appliances provided on the premises

PS44

Staircases & Corridors

Any staircase, lobby, corridor or passage, where forming part of the means of escape from the premises, shall be of a uniform width not less than the width of the exit, or the aggregate width of the exits, from which it leads, and shall be so formed and arranged that nothing shall impede the free flow or prejudice the safety of persons using it

PS45

Storage of highly flammable substances including pyrotechnics, maroons, blank ammunition, petrol, flammable gases and liquids

Highly flammable substances may only be brought on to the premises with the consent of the Licensing Authority.

Quantities must be limited to the practicable minimum necessary for the requirements of the presentation.

The Licensing Authority must approve the storage arrangements. No more than 0.6 litres of flammable liquid nor 2.3kg gross weight of pyrotechnics will normally be permitted on the premises unless kept in a store licensed by the appropriate authority.

Only the minimum amount of highly flammable material must be withdrawn from the store as is required for the particular performance.

Smoking and naked flame must be prohibited in areas where highly flammable substances are stored and notices should be displayed both in rooms and on containers to this effect.

Storage areas and containers shall be indicated by the explosive/inflammable symbol on the door or lid and kept locked with the key in the possession of a responsible person.

PS46

Water Supply

The duty manager shall notify the Fire Authority immediately if the water supply to any hydrant, hose reel, sprinkler, drencher or other fire extinguishing installation is cut off or restricted.

Should the restriction occur during a performance in a theatre, or in the evening in other licensed premises, the premises may remain open for the remainder of the performance / evening but may not reopen without the approval of the Licensing Authority or until such time as the water supply is fully restored.

Domestic Hot Water Supply

Any domestic hot water supply system shall be permanently installed to the Licensing Authority satisfaction

PS49

Drinking Water

Free drinking water shall be made available. Drinking water taps shall be clearly marked as such and at least one point for cold drinking water e.g. a drinking water fountain, shall be provided in all sanitary accommodation

PS50

Staff Facilities

Such dressing-room and staff-room accommodation for performers, musicians and staff shall be provided for each sex as the

Licensing Authority may consider necessary, having regard to the use proposed to be made of the premises and the maximum number of persons to be employed.

PS51

Toilet Facilities

Free toilet facilities in proper working order shall be available as agreed by the Licensing Authority

Lighting

PS52

Automatic Change-over contactor

Any automatic change-over contactor provided to transfer the escape lighting from the normal lighting supply to the battery supply shall be so designed as to operate immediately and efficiently to the Licensing Authority's satisfaction

PS53

Construction and arrangements of Lighting Fittings

The construction arrangements and installation of light fittings shall be such as to reduce to a minimum the risk of interference, of fire and of injury to persons and comply with the appropriate British Standard

PS54

Electric Supply of Battery Circuits

The mains supply to the escape lighting control unit shall be obtained from a sub-main independently controlled at the main distribution centre for the premises

PS55

Escape Lighting

The escape lighting installation, including its total load shall not be altered without the consent of the Licensing Authority.

Any escape lighting battery shall be fully charged before the admission of the public.

Should the normal lighting fail and the escape lighting system have a 1 hour capacity the public shall leave the premises within 30 minutes unless within that time the normal lighting has been restored and the batteries are being re-charged. If the escape lighting system has a three-hour capacity the public shall leave the premises within one hour unless within that time the normal lighting has been restored and the batteries are being re-charged. If the patrons have left the premises they shall not be readmitted until normal lighting has been fully restored and the battery or batteries fully recharged.

PS56

Escape Lighting Batteries

Unless otherwise permitted by the Licensing Authority, any battery supplying the escape lighting shall be capable of maintaining the full escape lighting load continuously for a period of not less than 3 hours

PS57

Lighting Equipment

Lighting equipment used in the auditorium and on the stages and platforms shall be of stout construction, encased in rigid, non-combustible material and designed to withstand the temperatures caused by the illuminant without excessive temperature rise on the outer casing and to resist mechanical damage

PS58

Lighting of Intake & Control Rooms

Where required by the Licensing Authority, escape lighting shall be provided within electric intakes and main switch and control rooms

PS59

Lighting Requirements

All parts of the premises shall be provided with adequate means of illumination and, except where otherwise permitted by the Licensing Authority, those portions to which the public have access and all routes of escape for performers or staff shall be provided with adequate means of illumination from two independent sources

PS60

Management Lighting

In the absence of adequate daylight in any area used by the public the management lighting in such areas shall be fully in operation whilst the public are on the premises.

If essential to the entertainment and agreed by the Licensing Authority, lighting in the entertainment area (except for fire safety signs) may be reduced or extinguished provided:-

The lighting is controlled from a position with a clear view of the audience

An operator stands by such controls whilst the lighting is reduced or extinguished who shall restore the management lighting in the event of any emergency.

Fire safety signs shall be fully illuminated at all material times.

There shall be adequate illumination to enable persons on the premises to see their way out.

PS61

Segregation of the two systems of lighting

Where two lighting systems are provided each shall be so installed that a fault or accident arising on one system shall not jeopardise the other

Heating/Ventilation

PS62

Air Conditioning

Any provision for air warming or conditioning shall be so arranged as to minimise the risk of contamination of the air supply by smoke or fumes

PS63

Apparatus in Ducts

Electric motors and other apparatus shall not be installed in any air duct or in the air stream of any mechanical ventilation system except in so far as they form part of the ventilation system

PS64

Boiler Chambers & Fuel Storage Chambers

Any boiler and any fuel storage chamber shall be constructed and arranged to minimise the risk of fire and the spread of fire and smoke to limit the effect of any explosion

in the case of oil fuel, to prevent the spread of any leakage of oil and to safeguard from fire any oil storage

PS65

Cleansing of Flues, Ventilation Ducting and Shafts

The flue of any boiler or heating appliance shall be professionally cleaned at intervals not less than the minimum recommended by the appliance manufacturer.

Ventilation ducting and shafts generally shall be maintained in a clean condition.

Ventilation air filters shall be cleaned or changed for new filters periodically as may be necessary to maintain a satisfactory flow of air supply.

All interior surfaces of extract ventilation ducting serving kitchens and serveries shall be thoroughly cleaned at least annually.

PS66

Direction of Air

The ventilation of premises intended to be used for stage performances shall be such that the direction of air movement during such performances shall be from the auditorium towards the stage

PS67

Heating & Ventilation

Provision shall be made to the satisfaction of the Licensing Authority for warming all parts of the premises regularly occupied by the public, the performers or the staff

PS68

Limitation of Leakage

Where an oil-fired installation is designed to operate unattended, provision shall be made to limit the quantity of oil which might flow into the boiler or generator chamber under gravity (or syphonic action) or by pumped delivery as a result of damage to the piping or apparatus

PS69

Minimum Flash-point

Unless the Licensing Authority shall decide otherwise in any particular case apparatus burning oil having a closed flash-point below 66 degree C shall not be installed

PS70

Oil Fired Heating Installations

Oil-fired heating and diesel generator installations shall be constructed and installed to prevent danger from fire or explosion.

PS71

Permanent Ventilation Rooms, Enclosures, to be ventilated

Ventilation shall be provided to enclosures, as the Licensing Authority may consider necessary

PS72

Re-circulation, Refrigeration

Any elaboration of the basic ventilation systems, including re-circulation and refrigeration, shall be subject to such conditions as the Licensing Authority may require

Installations requiring voltages higher than low voltage shall not be provided except with the consent of the Licensing Authority and in accordance with the conditions of such consent

PS88

Positions of Control Apparatus Within Reach of the Public

Switches, fuse boards and other control apparatus shall be so installed so as to minimise the possibility of interference by the public

PS89

Precautions for Differing Voltages

In premises where the lighting fittings are connected to two or more electrical systems at sensibly different voltages, arrangements shall be made to ensure that lamps will be inserted only in lampholders supplied at the appropriate voltage

PS90

Protection of Final Sub-Circuits

Overload protection (e.g. fuses or circuit breakers) to final sub-circuits shall be rated so as to afford protection to the apparatus permanently connected thereto.

PS91

Remote Control of Motors

Where an electrical motor is started manually from a remote position, an approved device shall be provided adjacent to the starting switch to indicate correct functioning of the motor

PS92

Resistors, Reactors, Capacitors

All electrical equipment shall be adequately ventilated to prevent excessive rise of temperature under normal working conditions

PS93

Systems of Wiring

Systems of wiring employed for permanent electrical installations shall be those in which all cables and conductors are enclosed throughout in protective covering of materials of adequate strength to resist mechanical damage. Such installations shall comply with the Regulations of the Institution of Electrical Engineers

Annex 2 - Conditions consistent with the operating schedule

CCTV Numbers location and maintenance

1. All recordings made by the CCTV system shall be retained and stored in a suitable and secure manner for a minimum of 31 days and shall be made available on request to the Metropolitan Police, the Licensing Authority or other Responsible Authorities.
2. At all times the premises is open to the public a minimum of one member of staff on duty will be able to operate the CCTV system.

Responsibility of Licensee

3. For each event an event specific management document shall be provided confirming the details of any structure or structures to be created, an indication of whether it is a private event (not open to the public) or, if it is an event that is open to the public, whether it is ticketed or whether it is free admission. The event plan will confirm:

- (a) The provision of CCTV.
- (b) Whether security staff are to be employed and, if so, the numbers proposed.
- (c) All Security Industry Agency staff shall be identified.

4. A logbook shall be maintained with details of Security Industry Agency staff employed, hours on duty, registration numbers, with a supporting incident book provided.

5. The event plan will indicate what power, water, and toilet facilities are available and, if numbers and discussion with the authorities are required specific plans for traffic management and site evacuation, including steward information will be submitted.

Open Containers

6. Whenever it is an enclosed/fenced event site, customers shall not be permitted to remove from the premises any drinks supplied by the premises (alcoholic or otherwise) in open containers.

Staffing of Toilets

7. Adequate sanitary accommodation must be provided and maintained, for both staff and event attendees, including disabled persons, in accordance with 'the Purple Guide to Health, Safety and Welfare at Music and Other Events'.

Notice of Events

8. Residential and business properties in the immediate vicinity of the premises shall be contacted no later than 28 days prior to a major impact event advising them of the nature and times of the event and a telephone number to contact if they have any complaints.

Security, incidents

9. An incident log (written or electronic form) shall be kept at the premises and made available on request to Metropolitan Police, the Licensing Authority or other Responsible Authorities. It must be completed within 24 hours of the incident and will record the following;

- a) All crimes reported to the venue.
- b) All ejections of patrons.
- c) All complaints received concerning crime and disorder.
- d) Any incidents of disorder.
- e) All seizures of drugs or offensive weapons.
- f) Any faults in the CCTV system, searching equipment or scanning equipment.
- g) Any refusal of the sale of alcohol.
- h) Any visit by a relevant authority or in relation to service.

Search/Screening policy

10. An event search and screening policy will be implemented where:

- a) it is deemed appropriate by the risk assessment, forming part of the ESMD, or it is directed by the police; and
- b) is achievable as a result of controlled entry to a defined event area; with controlled entry point(s) being put in situ in locations that will ensure search and screening cannot be bypassed.

11. When a search and screening policy is implemented the premises licence holder shall ensure that:

- a) Search and screening will be carried out in accordance with the Search and Screening Policy and will form part of the ESMD.

- b) The priority of the searching and screening operation shall be to deter, disrupt and detect those attempting to enter the event with banned or illegal items, while simultaneously maintaining good order and public safety as well as an efficient flow rate of customers to the premises. The Policy will be communicated via signage at all entrances and communicated on BPS website.
- c) Search and screening is permitted onsite as outlined in the search and screening policy.
- d) A full risk assessment will be made by the PLH in conjunction with the Metropolitan Police service to the level of searching employed for each specific event.
- e) This will be monitored by PLH supervisory staff who will monitor the search and screening process; this is to ensure any issues can be escalated and searching regimes finessed as required during events.
- f) Searching and Seizures Briefings for Security Staff will be detailed in the ESMD.
- g) A Surrender System of prohibited items will be detailed within the ESMD.
- h) An eviction policy will be detailed within the ESMD.

Accommodation Limit

12. The total number of people to be accommodated at any event site for licensable activities at any one time shall not exceed 14,999.

13. A suitable system shall be put in place to monitor the number of persons within the site at any one time, whenever it is an enclosed/fenced site.

Safety Arrangements, Risk Assessment

14. For all minor impact events, an event specific notification shall be submitted to the Licensing Authority a minimum of 14 days in advance of the event, outlining the nature of the event, and if children under 18 are permitted.

15. Major impact events shall be notified to the Licensing Authority at least 2 calendar months prior to the event being held, and a Safety Advisory Group be convened where deemed necessary on a risk rated basis.

16. For each major impact event an event specific management document shall be provided to the Licensing Authority outlining the proposed management structure, responsibilities and contact details, together with details of the organisation, control, monitoring and review mechanisms as identified by an event specific risk assessment. A detailed site plan of the event shall also be provided. In all cases, this documentation shall be submitted to the Licensing Authority at least 28 days in advance of the event, with the Licensing Authority and the Police holding power of veto, should arrangements be deemed insufficient to meet the licensing objectives.

17. A major impact event is where; Live Music, Recorded Music and/or Film are the principal reason for attending the event; OR the capacity is over 999 persons, excluding staff; OR there are proposed high risk activities / increased risk factors.

18. On each event a risk assessment will be produced and agreed with the Licensing Authority and, through that authority, the Metropolitan Police to include any appropriate and proportionate measures for the proposed use of the premises.

19. For all events, an Event Specific Management Document (ESMD) shall be completed. Where an event is considered at elevated risk, i.e. by virtue of its size, nature or user group, then there should be engagement with MPS - South West Basic Command Unit (SW BCU) as to whether a Safety Advisor Group (SAG) should be convened. This engagement should take place at least 28 days before the event is scheduled to take place.

20. All events will have a full risk assessment, taking into consideration the terrorist threat. Where required by the risk assessment or the police HVM provision will be in operation and fully functional, with appropriate traffic management plans in place for all events. Where required by the risk assessment or the police regular weapons sweeps will take place undertaken by SIA Security before, prior, during and post egress

Safety Arrangements, General

21. Safety checks shall be carried out before the admission of the public, and details of such checks kept in a logbook

Access for Emergency Vehicles

22. Access for emergency vehicles must be kept clear and free from obstructions.

Curtains, Hangings, Upholstery, Decorations etc

23. All hangings, curtains and temporary decorations shall be maintained in a flame retardant condition and should be arranged so as not to obstruct exits, safety signs or firefighting equipment.

Staff Training

24. Staff with specific responsibilities in the event of emergencies, together with deputies, shall receive training and written instruction appropriate to their role. The duty manager shall, once they are satisfied as to the competence of each member of

staff, enter this in a logbook that shall be available for inspection by Police or Authorised Officers.

25. SIA supervisors, managers and supervisors shall undertake Action Counters Terrorism (ACT) Awareness E-learning, on an annual basis. <https://www.gov.uk/government/news/act-awarenesselearning>.

26. The premises licence holder shall use reasonable endeavours to ensure that all other key members of customer facing staff and those employed by third party contractors also undertake the training.

27. SIA supervisors, managers and supervisors will be provided with Welfare and Vulnerability Engagement (WAVE) training to provide those working in the licensed industry with an awareness of vulnerability and their responsibilities towards people visiting their premises.

28. The premises licence holder shall use reasonable endeavours to ensure that all other key members of customer facing staff and those employed by third party contractor also undertake the training. This training is available at <https://nbcc.police.uk/guidance/wave-presentation>.

Special Effects

29. Any special effects or mechanical installation should be arranged and stored so as to minimise any risk to the safety of the audience, performers and staff. Special effects may be only used with the prior notification of the licensing and fire authority.

The prevention of crime and disorder

CD 8 Promoters

1. The licensee shall be responsible for ensuring that any promoter using the premises shall use only staff, including door supervisors, employed by the licensee unless the prior approval of the Licensing Authority has been obtained.

CD9 Responsibility of Licensee

2. No soliciting for custom, including the distribution of leaflets, shall take place from the premises, immediately outside the Premises or in the vicinity of the premises.

3. Where a licence has been granted to a company, the licensee must appoint a duty manager or duty managers who shall be in charge of and upon the premises at all material times. In such cases, the licensee shall notify the Licensing Authority of the names of those persons appointed duty managers. In addition, a copy of the written authorisation must be kept on the premises and be readily available for inspection by any police officer or authorised officer.

CD10 Security, admission

4. Admission shall be refused to any person found with or suspected of carrying or under the influence of drugs or carrying an offensive weapon.

CD11 Security, incidents

5. All staff must report immediately to their manager instances where patrons appear to be in distress.

CD13 Security, staffing

6. Before appointing any person to staff the premises, whether on a permanent, temporary, agency or self-employed basis, the licensee shall require the individual to disclose any unspent criminal convictions. In addition, written references from two different sources must be taken up in each case prior to the individual commencing work.

Public Safety

PS2 Accommodation Limit

7. The maximum number of persons to be accommodated in the main auditorium at any one time shall not exceed 154 persons (seated).

8. The maximum number of persons to be accommodated in the Goodrich Studio at any one time shall not exceed 45 persons (seated or standing).

PS3 Alterations

9. No alterations (including temporary alterations) shall be made to the premises without the consent of the Licensing Authority. This condition shall not require notice to be given in respect of routine maintenance works.

10. Where works necessitate the premises being closed for a period of time, the premises shall not reopen for the purpose of the licence without the consent of the Licensing Authority.

PS4 Animals, etc

11. A minimum of 14 days' notice in writing shall be given to the Licensing Authority of any intention to use any live animal, bird or fish in a performance on the premises.

PS5 Attendants

12. During the whole time members of the public are present on the premises there shall be a sufficient number of competent adult staff. These staff shall have been specially instructed by the licensee or person nominated by him as to their duties in the event of an emergency. The instruction given to staff shall include training on the avoidance of panic and the safe evacuation of the premises.

13. Such staff shall not be engaged in any duties, which:

- (i) would hinder the prompt discharge of their duties in the event of any emergency
- (ii) entail their absence from that floor, tier, or auditorium where they are on duty.

14. Such staff shall not be engaged in any sales duties, which involve the use of trays or similar equipment when the normal lighting is dimmed or extinguished.

PS7 Change of Use

15. The use of the premises for which a licence has been granted shall not be changed without the consent of the Licensing Authority

PS8 Charge of Licensed Premises

16. The duty manager shall be familiar with all licence conditions.

17. The duty manager shall not engage in any duties, which will prevent general supervision of the premises. The duty manager shall whenever necessary be assisted by suitable adults.

18. Before admitting the public the duty manager shall carry out all necessary safety checks as identified by the health and safety risk assessment for the premises/activity.

19. The duty manager shall maintain good order at the premises

20. A competent person shall be in charge of the electrical or other installation whilst the public are on the premises.

PS9 Cleanliness of Premises

20. All parts of the premises shall be kept in a clean condition.

PS10 Compressed Gases and Liquids

21. Cylinders for the storage of compressed air, oxygen, or other gases or liquids under pressure shall not be used except with the consent of the Licensing Authority. At least 14 days' notice in writing shall be given to the Licensing Authority of any proposal to use such apparatus.

PS11 Construction of Premises

22. The construction of the premises shall be such as to minimise the risk of fire involving the structure. This can be achieved by adopting methods of construction, which comply with the minimum requirements of the current Building Regulations

PS12 Dancing

23. Dancing shall be restricted to the areas approved for that purpose.

PS13 Dangerous Performances

24. Performances involving danger or risk to the public shall not be given.

PS14 Disabled Persons

25. The premises shall be provided with access, facilities and satisfactory means of escape for disabled persons

PS15 Frontages

26. The premises shall abut upon and have such frontage to a street, way, or open space having direct access to a street as the Licensing Authority shall approve as sufficient to ensure the rapid dispersal of persons from the premises in the event of fire and to afford satisfactory access and working space for fire appliances

PS17 Maintenance and Testing

27. The approved arrangements at the premises, including means of escape Testing provisions, fire warning and fire fighting equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.

PS18 Overcrowding

28. Overcrowding shall not be permitted in any part of the premises.

29. The licensee shall maintain a register indicating the numbers of staff who are on duty at all material times in the area where entertainment is provided. This register shall be produced immediately on the request of a police officer or an authorised officer.

30. The licensee shall ensure that the accommodation limit specified on the licence is not exceeded and shall at all material times be aware of the number of patrons on the premises. This information shall immediately be provided on request to a police officer or authorised officers when they have reasonable cause for suspecting the accommodation limit may be exceeded.

PS19 Pop Concerts

31. Entertainment commonly known as a pop concert shall not be given without the Licensing Authority's consent. At least one month's notice shall be given in the event of any intention to use the premises for a pop concert. The application shall give the names of the groups or artists booked to appear (if known) together with an indication of the age and profile of the audience the entertainment is expected to attract.

PS20 Prohibition on use (Hypnotism, Mesmerism)

32. No person shall give at the premises any exhibition, demonstration or performance of hypnotism, mesmerism or any similar act or process which produces or is intended to produce in any other person any form of induced sleep or trance in which susceptibility of the mind of that person to suggestion or direction is increased or intended to be increased.

NOTE: This rule does not apply to exhibitions given under the provisions of Section 2(1a) and 5 of the Hypnotism Act 1952.

PS22 Seating (Plans)

33. A copy of the approved seating plan(s) shall be kept available at the premises and shall be shown to authorised officers on request.

Emergency Arrangements & Fire Safety

PS23 Curtains, Hangings, Upholstery, Decorations etc

34. Applications for consent to use curtains and hangings shall be made in writing and shall be accompanied by full details including a certificate in respect of fire-retardancy issued by a recognised laboratory e.g. one accredited by UKAS.

35. Only hangings, curtains, upholstery and temporary decorations complying with the relevant British (or where appropriate European) Standard shall be used. Where necessary these shall be periodically tested for flame resistance and re-treated as necessary to the satisfaction of the Licensing Authority.

36. In the case of temporary decorations a statement must be provided advising the period it is desired to retain the decorations.

37. Curtains and hangings shall be arranged so as not to obstruct fire safety signs, fire extinguishers or other fire fighting equipment.

39. Duty managers will have access to the PSO London Shield App when on duty at the site, which provides Counter Terrorism advice and guidance.

Complaints Log

40. The Premises Licence holder shall draw up a complaint procedure, which shall be made available on request to local residents and businesses.

41. The premises licence holder shall maintain and make available for inspection by the Licensing Authority a log of all complaints received from local residents and/or businesses concerning the operation of the premises.

Conduct of premises

42. Clear legible notices are to be displayed at all exits from the premises requesting customers leaving the premises to respect the needs of the local residents and to leave the premises and area quietly.

43. When a crime or other incident requiring Police attendance is reported to, or discovered by a security operative, they shall obtain as much detail as possible with particular importance being placed on identifying victims, suspects, witnesses and scenes of crime preservation.

44. Evidence shall be provided that the two nearest hospitals with Accident & Emergency facilities, have been notified at least a month in advance of the events so this can be programmed into their work schedule.

Emergency Procedures

45. In the unlikely event that a show has to stop, which may be temporary whilst a problem is resolved or the first step in an

evacuation of the site either due to crowd related issues, or structural collapse, off site events, extreme weather conditions or at the direction of the Metropolitan Police, Fire Brigade or the EVENT SAFETY ADVISOR, the PLH shall ensure procedures are in place that are familiar to all key role players and rehearsed such that all concerned know what their role is in any scenario and that the plans can be effected immediately.

46. There must be a clear framework of information flow procedure to enable the right people to receive the correct information.

47. In the event of an emergency, the PA system will be used to broadcast announcements. In the event of either the PA system or the power supply failing, there will also be loud hailers available.

48. The contact details of all key event personnel for each event shall be provided to all authorised Local Authority Officers at least two weeks before the event.

49. Regular patrols by security are to be undertaken to ensure that all emergency exits and escape routes are kept free of obstructions.

50. Suitable and sufficient lighting shall be provided to the event site that all health and safety information and notice signage are be easily seen and read and at the close of the event to enable visitors to leave the site safely.

51. All efforts should be made to prevent or reduce light pollution especially to residential properties in the vicinity.

52. The PLH shall have in place an arrangement (contract) with a reputable waste management company to manage the event site for the duration of the events.

53. The PLH shall ensure that cleaning teams are deployed where necessary during and after the events, both within the event site, the wider Common and in neighbouring streets and roads.

54. The PLH is to ensure that all areas are left litter free and completed at the end of the events and after breakdown.

Noise Management Plan

55. Per year, at least 8 weeks before each event a Noise Management Plan shall be submitted to Environmental Health (Noise & Nuisance) for agreement and approval before the event takes place. Thereafter, the approved Noise Management Plan shall be observed and complied with in full. A post-event compliance report shall also be produced and submitted to Environmental Health within 4 weeks after the event.

56. A qualified and suitably experienced Noise Management Consultancy will be appointed per year to produce a Noise Management Plan to the satisfaction of the Local Authority's Environmental Health Noise Team.

57. Noisy construction works audible beyond the site boundary shall only be undertaken between the hours of 08:00 -18:00hrs Mondays to Saturdays and 08:00 - 13:00hrs on Sundays.

58. All site deliveries and collections shall be undertaken with due care, attention and diligently to minimise disturbance to residents and noise sensitive premises within the vicinity

59. Local residents will receive prior notification of each event, including details of the events timings. The distribution radius for the notification letter will be agreed with the Local Authority, SAG and Ward Councillors.

60. A noise "hot line" number will also be included to allow residents to contact an event representative should they need to make a complaint.

61. Attendees to the event will be advised that there is no parking provision and will be directed to all local public transport links.

62. Each event will be ticketed and open to person aged 18 years and over.

63. No person under the age of 18 will be permitted to enter the event site.

64. A Child Welfare and Vulnerable Person procedure will be in place and will be detailed in the ESMP. This will outline action to be taken in the event that under 18's attempt to gain entry to the event or are discovered within the event perimeter

Sale of alcohol

65. Each bar shall be individually managed by at least one personal licence holder, with any bars with over 20m of serving area

to be managed by 2 personal licence holders and two SIA registered supervisors and/or stewards to effectively manage queues.

Welfare Officers

66. At least two roaming welfare officers must be present on the premises at all times throughout the event. They must wear high visibility clothing to ensure they are easily identifiable. These officers may be drawn from exiting Security Industry Authority (SIA) personal or the medical team, but only if a risk assessment confirms that this will not compromise the required staffing levels for security or medical services.

Challenge 25

67. All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol (and any other age-restricted product).

68. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

69. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

12. An incident log shall be kept and maintained at the premises which will include a log of the following, including pertinent details:
 - a) Any incidents of disorder or of a violent or antisocial nature;
 - b) All crimes reported to the venue, or by the venue to the police;
 - c) All ejections of patrons;
 - d) Any complaints received;
 - e) Seizures of drugs or offensive weapons;
 - f) Any faults in the CCTV system;
 - g) Any visits by a responsible authority (under the Licensing Act 2003) or emergency service.
13. Records must be completed within 24 hours of any incident, and will contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. The log shall be kept for at least 12 months following the date of entry and be made available for inspection and copying upon request of an authorised officer of a responsible authority.

Alcohol restrictions

14. All alcohol on display will be in such a position so as not to be obscured from the constant view of staff.
15. There shall be no self-service of alcohol on the premises.

Responsibility of Licensee

16. The maximum number of persons (including staff) allowed at the premises shall not exceed 60.
17. In the event that an incident occurs for which the police have been called, the crime scene shall be preserved to enable police to carry out a full forensic investigation.
18. The collection of glasses and bottles shall be undertaken at regular intervals to ensure there is no build-up of empties on

the premises.

19. A telephone number shall be made available and displayed in a prominent location where it can conveniently be read from the exterior of the premises by the public for local residents to contact in the case of noise-nuisance or anti-social behaviour by persons or activities associated with the premises. The telephone number will be a direct number to the management who are in control during opening hours. A record will be kept by management of all calls received, including the time, date and information of the caller, including action taken following the call. Records will be made available for inspection and copying by an authorised officer of a responsible authority throughout the trading hours of the premises.

Deliveries and waste collections

20. No deliveries (in relation to licensable activities) to the premises shall take place between 23:00 hours and 07:00 hours.

21. During the hours of operation of the premises, sufficient measures will be taken to remove and prevent litter and waste arising or accumulating from customers in the area immediately outside the premises.

22. No collections of waste or recycling materials (including bottles) from the premises shall take place between 23:00 hours and 07:00 hours on the following day.

Refusals

23. An alcohol sales refusal register shall be kept at the premises and be maintained to include details of all alcohol sales refused. The register will include:

- a) the date and time of refusal
- b) the reason for refusal
- c) details of the person refusing the sale
- d) description of the customer
- e) any other relevant observations

24. The refusals register will be made available for inspection and copying on request of an authorised officer of a responsible authority. All entries must be made within 24 hours of the refusal.

25. The operating procedures for refusing service to any person who is drunk, under-age or appears to be under-age, or appears to be making a proxy purchase.

26. A refusal register shall be in operation completed and maintained at the premises (in relation to the sale of alcohol).

Staff training

27. All staff engaged in licensable activity at the premises will receive training and information in relation to the following:

- a) The Challenge 25 scheme in operation at the premises, including the forms of identification that are acceptable.
- b) The hours and activities permitted by the premises licence issued under the Licensing Act 2003 and conditions attached to the licence.

28. Training shall be recorded in documentary form and shall be regularly refreshed at no greater than 12 month intervals. Training records shall be made available for inspection and copying at reasonable times upon request of an authorised officer of a responsible authority. Training records will be retained for at least 12 months.

29. Training records must be kept on the premises and be made available for inspection and copying to an authorised officer of a responsible authority on request.

30. The documentation relating to training should extend back to a period of at least 12 months and should specify the time, date and details of the persons both providing the training and receiving the training.

Challenge 25

31. There will be in place a written age verification policy in relation to the sale or supply of alcohol, which will specify a Challenge 25 proof of age requirement. This means that staff working at the premises must ask individuals who appear to be under 25 years of age, attempting to purchase alcohol, to produce identification. The only acceptable identification documents will be:

- a) A photo driving licence
- b) A passport
- c) An identification card carrying the PASS hologram

32. Unless such identification is produced the sale of alcohol must be refused. This policy will include documented steps taken to prevent adults from purchasing alcohol for or on behalf of children under 18.

33. The premises shall display prominent signage indicating at any point of sale that a Challenge 25 scheme is in operation.

34. An effective visual (and/or aural) reminder shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

35. All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate refresher training in relation to undertaking appropriate age checks on such, at least every three months.

36. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

PS11

Construction of Premises

The construction of the premises shall be such as to minimise the risk of fire involving the structure. This can be achieved by adopting methods of construction, which comply with the minimum requirements of the current Building Regulations

PS13

Dangerous Performances

Performances involving danger or risk to the public shall not be given.

PS14

Disabled Persons

The premises shall be provided with access, facilities and satisfactory means of escape for disabled persons

PS15

Frontages

The premises shall abut upon and have such frontage to a street, way, or open space having direct access to a street as the Licensing Authority shall approve as sufficient to ensure the rapid dispersal of persons from the premises in the event of fire and to afford satisfactory access and working space for fire appliances

PS17

Maintenance and Testing

The approved arrangements at the premises, including means of escape Testing provisions, fire warning and fire fighting equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.

PS18

Overcrowding

Overcrowding shall not be permitted in any part of the premises.

The licensee shall maintain a register indicating the numbers of staff who are on duty at all material times in the area where entertainment is provided. This register shall be produced immediately on the request of a police officer or an authorised officer.

The licensee shall ensure that the accommodation limit specified on the licence is not exceeded and shall at all material times be aware of the number of patrons on the premises. This information shall immediately be provided on request to a police officer or authorised officers when they have reasonable cause for suspecting the accommodation limit may be exceeded.

PS19

Pop Concerts

Entertainment commonly known as a pop concert shall not be given without the Licensing Authority's consent. At least one month's notice shall be given in the event of any intention to use the premises for a pop concert. The application shall give the names of the groups or artists booked to appear (if known) together with an indication of the age and profile of the audience the entertainment is expected to attract.

PS20

Prohibition on use (Hypnotism, Mesmerism)

No person shall give at the premises any exhibition, demonstration or performance of hypnotism, mesmerism or any similar act or process which produces or is intended to produce in any other person any form of induced sleep or trance in which susceptibility of the mind of that person to suggestion or direction is increased or intended to be increased.

NOTE: This rule does not apply to exhibitions given under the provisions of Section 2(1a) and 5 of the Hypnotism Act 1952.

Emergency Arrangements & Fire Safety

PS23

Curtains, Hangings, Upholstery, Decorations etc

Applications for consent to use curtains and hangings shall be made in writing and shall be accompanied by full details including a certificate in respect of fire-retardancy issued by a recognised laboratory e.g. one accredited by UKAS.

Only hangings, curtains, upholstery and temporary decorations complying with the relevant British (or where appropriate European) Standard shall be used. Where necessary these shall be periodically tested for flame resistance and re-treated as necessary to the satisfaction of the Licensing Authority.

In the case of temporary decorations a statement must be provided advising the period it is desired to retain the decorations.

Curtains and hangings shall be arranged so as not to obstruct fire safety signs, fire extinguishers or other fire fighting equipment.

Curtains across doors shall be hung in two halves on a free running rail to enable them to be parted easily. Such curtains shall have a clearance of at least 25mm between the bottom of the curtain and the floor.

Application for consent for all upholstery (whether provided new or second-hand) shall be made in writing and shall be accompanied by full details, including a certificate in respect of fire-retardancy issued by a recognised laboratory e.g. one accredited by UKAS showing that the upholstery composite of each item has been tested.

PS24

Doors & Fastenings

Any exit door or gate shall open in the direction of escape and shall be hung so as not to obstruct, when open, any gangway, passage staircase or landing. Such door or gate shall be free from fastening other than panic bolts or such fastening as may be approved by the Licensing Authority. Panic bolts shall be of the type and pattern and installed in accordance with the appropriate British Standard

PS25

PS15

Frontages

The premises shall abut upon and have such frontage to a street, way, or open space having direct access to a street as the Licensing Authority shall approve as sufficient to ensure the rapid dispersal of persons from the premises in the event of fire and to afford satisfactory access and working space for fire appliances

PS17

Maintenance and Testing

The approved arrangements at the premises, including means of escape Testing provisions, fire warning and fire fighting equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.

PS18

Overcrowding

Overcrowding shall not be permitted in any part of the premises.

The licensee shall maintain a register indicating the numbers of staff who are on duty at all material times in the area where entertainment is provided. This register shall be produced immediately on the request of a police officer or an authorised officer.

The licensee shall ensure that the accommodation limit specified on the licence is not exceeded and shall at all material times be aware of the number of patrons on the premises. This information shall immediately be provided on request to a police officer or authorised officers when they have reasonable cause for suspecting the accommodation limit may be exceeded.

PS19

Pop Concerts

Entertainment commonly known as a pop concert shall not be given without the Licensing Authority's consent. At least one month's notice shall be given in the event of any intention to use the premises for a pop concert. The application shall give the names of the groups or artists booked to appear (if known) together with an indication of the age and profile of the audience the entertainment is expected to attract.

PS20

Prohibition on use (Hypnotism, Mesmerism)

No person shall give at the premises any exhibition, demonstration or performance of hypnotism, mesmerism or any similar act

or process which produces or is intended to produce in any other person any form of induced sleep or trance in which susceptibility of the mind of that person to suggestion or direction is increased or intended to be increased.

NOTE: This rule does not apply to exhibitions given under the provisions of Section 2(1a) and 5 of the Hypnotism Act 1952.

Emergency Arrangements & Fire Safety

PS23

Curtains, Hangings, Upholstery, Decorations etc

Applications for consent to use curtains and hangings shall be made in writing and shall be accompanied by full details including a certificate in respect of fire-retardancy issued by a recognised laboratory e.g. one accredited by UKAS.

Only hangings, curtains, upholstery and temporary decorations complying with the relevant British (or where appropriate European) Standard shall be used. Where necessary these shall be periodically tested for flame resistance and re-treated as necessary to the satisfaction of the Licensing Authority.

In the case of temporary decorations a statement must be provided advising the period it is desired to retain the decorations. Curtains and hangings shall be arranged so as not to obstruct fire safety signs, fire extinguishers or other fire fighting equipment.

Curtains across doors shall be hung in two halves on a free running rail to enable them to be parted easily. Such curtains shall have a clearance of at least 25mm between the bottom of the curtain and the floor.

Application for consent for all upholstery (whether provided new or second-hand) shall be made in writing and shall be accompanied by full details, including a certificate in respect of fire-retardancy issued by a recognised laboratory e.g. one accredited by UKAS showing that the upholstery composite of each item has been tested.

PS24

Doors & Fastenings

Any exit door or gate shall open in the direction of escape and shall be hung so as not to obstruct, when open, any gangway, passage staircase or landing. Such door or gate shall be free from fastening other than panic bolts or such fastening as may be approved by the Licensing Authority. Panic bolts shall be of the type and pattern and installed in accordance with the appropriate British Standard

PS25

Escape Routes Separation & Enclosures

The means of escape from the premises shall be enclosed and protected against the action of fire and portions of the premises considered by the Licensing Authority to constitute or contain a particular fire risk shall be separated from the remainder of the premises to the Licensing Authority's satisfaction.

PS26

Exit Notices

All exit notices required by the Licensing Authority shall be provided with adequate means of illumination from each system of lighting or shall be of the self-luminous type

PS27

Exits

All means of egress approved by the Licensing Authority shall be clearly indicated

PS28

Fire Alarms

A fire alarm system shall be installed throughout the premises to the satisfaction of the Licensing Authority

Any fire alarm system shall be maintained in satisfactory working order. The system shall be maintained and serviced in accordance with the current British Standard and tested regularly in accordance with conditions imposed by the Licensing Authority. All checks, tests and defects shall be recorded in the logbook.

PS29

Fire Appliance

The approved fire appliances shall be kept in the approved positions and be maintained in satisfactory working order so as to be available for instant use.

Portable fire appliances shall be inspected at least once a year in accordance with the relevant British Standard and the date of the inspection clearly marked on the appliance or on a stout tab securely attached to it. Extinguishers shall be inspected and recharged in compliance with the manufacturer's instructions.

Any hydraulic hose reels shall be inspected once a year to ensure that they are in working order and the date of the inspection clearly marked on the appliance or recorded in a log book.

Any drenchers or sprinklers shall be inspected once a year to ensure that they are in working order and the date of the inspection clearly marked on the appliance or recorded in a log book.

PS30

Fire Appliances & Equipment

Fire appliances and equipment for the protection of the premises shall be provided to the Licensing Authority's satisfaction

PS31

Fire Duties

All parts of the premises shall be inspected by an appropriately trained member of staff at the end of every event/performance in order to ensure no fire exists and to identify any possible fire risk.

PS32

Fire Duties, Emergency Procedures

Particulars of the emergency procedures shall be posted in areas approved by the Licensing Authority. These notices shall be framed and glazed or otherwise suitably protected against loss or defacement.

Particulars of the duties of staff with specific responsibilities in the case of fire and other emergency shall be reviewed from time to time as changes in staff or other circumstances shall require.

PS33

Fire Duties, Fire Drill

A fire drill and/or emergency procedure instruction shall be held at least once a month (or more frequently if required by the Licensing Authority) under the direction of the duty manager.

PS34

Fire Duties' Logbook

The licensee shall ensure that a logbook is kept to record the holding of the fire drills and the carrying out of checks. The licensee or duty manager shall initial the logbook weekly and the book shall be open to inspection at any reasonable time by authorised officers.

PS35

Fire Safety, General Arrangements

The general arrangements of the premises shall be such as the Licensing Authority considers satisfactory to facilitate the safe and orderly evacuation of all persons therein accommodated in the event of fire.

PS36

Fire Safety, Separation

The premises shall be separated, to the satisfaction of the Licensing Authority, from any other building or from any other portion of the building in which the premises are situated or from any adjoining fire risk

PS37

Means of Escape

Exits shall be provided and so arranged as to afford ready means of escape from all parts of the premises

The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the approved arrangements.

In restaurants and other premises where chairs and tables are provided clear gangways shall be provided in accordance with the approved arrangements.

No changes shall be made to the approved layout of the premises without the consent of the Licensing Authority.

All exit doors shall be available at all material times without the use of a key, code, card or similar means. The Licensing Authority must approve any fastenings or electrically controlled locks.

The means of escape must always be sufficient for the total number of persons present, Where there are an unusually large number of performers the Licensing Authority must be consulted.

Any approved removable security fastenings shall be removed from the doors prior to opening the premises to the public. All such fastenings shall be kept in an approved position.

All fire doors shall be maintained effectively self closing and not held open other than by an approved device.

Fire resisting doors to ducts, service shafts and cupboards shall be kept locked shut.

The edges of the treads of steps and stairways shall be maintained so as to be conspicuous.

PS38

Medical and First Aid Provision

The licensee shall keep a record to confirm the attendance of the paramedic or trained first aiders and must log any assistance given. This record must be made available to authorised officers on request.

All those responsible for first aid shall have special instructions on drug related problems and how to recognise and tackle, in particular, dehydration, heat stroke, anxiety and paranoia. This training shall also be given to all persons expected to staff the toilet areas.

PS40

Medical and First Aid Provision under 1000 patrons

A minimum of 2 persons trained in first aid must be in attendance at all times whilst the premises are open. Re-training of first aiders must take place every three years.

PS41

Outbreaks of Fire

The Fire Brigade shall be called at once to any outbreak or suspected outbreak of fire, however slight, and details thereof shall be recorded in a logbook. Suitable notices shall be prominently displayed indicating how the Brigade can be summoned. The Licensing Authority shall be informed, as soon as possible, of any instance of fire.

PS42

Refuse Storage

A sufficient number of suitable receptacles for refuse storage shall be provided in approved positions. These receptacles shall be maintained in a clean condition.

PS43

Staff Training

Staff with specific responsibilities in the event of fires or other emergency, together with deputies, shall receive training and written instruction appropriate to their role. The duty manager shall, once he is satisfied as to the competence of each member of staff, enter this in a logbook that shall be available for inspection by Police or authorised officers.

All staff shall initially be trained in the action to be taken in the event of an emergency and in basic fire prevention, including the rules concerning smoking and, thereafter, at least once every 6 months.

All full time staff shall receive instruction and training in the use of fire appliances provided on the premises

PS44

Staircases & Corridors

Any staircase, lobby, corridor or passage, where forming part of the means of escape from the premises, shall be of a uniform width not less than the width of the exit, or the aggregate width of the exits, from which it leads, and shall be so formed and arranged that nothing shall impede the free flow or prejudice the safety of persons using it

PS45

Storage of highly flammable substances including pyrotechnics, maroons, blank ammunition, petrol, flammable gases and liquids

Highly flammable substances may only be brought on to the premises with the consent of the Licensing Authority.

Quantities must be limited to the practicable minimum necessary for the requirements of the presentation.

The Licensing Authority must approve the storage arrangements. No more than 0.6 litres of flammable liquid nor 2.3kg gross weight of pyrotechnics will normally be permitted on the premises unless kept in a store licensed by the appropriate authority. Only the minimum amount of highly flammable material must be withdrawn from the store as is required for the particular performance.

Smoking and naked flame must be prohibited in areas where highly flammable substances are stored and notices should be displayed both in rooms and on containers to this effect.

Storage areas and containers shall be indicated by the explosive/inflammable symbol on the door or lid and kept locked with the key in the possession of a responsible person.

PS46

Water Supply

The duty manager shall notify the Fire Authority immediately if the water supply to any hydrant, hose reel, sprinkler, drencher or other fire extinguishing installation is cut off or restricted.

Should the restriction occur during a performance in a theatre, or in the evening in other licensed premises, the premises may remain open for the remainder of the performance / evening but may not reopen without the approval of the Licensing Authority or until such time as the water supply is fully restored.

PS50

Staff Facilities

Such dressing-room and staff-room accommodation for performers, musicians and staff shall be provided for each sex as the Licensing Authority may consider necessary, having regard to the use proposed to be made of the premises and the maximum number of persons to be employed.

PS51

Toilet Facilities

Free toilet facilities in proper working order shall be available as agreed by the Licensing Authority

Lighting

PS52

Automatic Change-over contactor

Any automatic change-over contactor provided to transfer the escape lighting from the normal lighting supply to the battery supply shall be so designed as to operate immediately and efficiently to the Licensing Authority's satisfaction

PS53

Construction and arrangements of Lighting Fittings

The construction arrangements and installation of light fittings shall be such as to reduce to a minimum the risk of interference, of fire and of injury to persons and comply with the appropriate British Standard

PS54

Electric Supply of Battery Circuits

The mains supply to the escape lighting control unit shall be obtained from a sub-main independently controlled at the main distribution centre for the premises

PS55

Escape Lighting

The escape lighting installation, including its total load shall not be altered without the consent of the Licensing Authority.

Any escape lighting battery shall be fully charged before the admission of the public.

Should the normal lighting fail and the escape lighting system have a 1 hour capacity the public shall leave the premises within 30 minutes unless within that time the normal lighting has been restored and the batteries are being re-charged. If the escape lighting system has a three-hour capacity the public shall leave the premises within one hour unless within that time the normal lighting has been restored and the batteries are being re-charged. If the patrons have left the premises they shall not be readmitted until normal lighting has been fully restored and the battery or batteries fully recharged.

PS56

Escape Lighting Batteries

Unless otherwise permitted by the Licensing Authority, any battery supplying the escape lighting shall be capable of maintaining the full escape lighting load continuously for a period of not less than 3 hours

PS57

Lighting Equipment

Lighting equipment used in the auditorium and on the stages and platforms shall be of stout construction, encased in rigid, non-combustible material and designed to withstand the temperatures caused by the illuminant without excessive temperature rise on the outer casing and to resist mechanical damage

PS58

Lighting of Intake & Control Rooms

Where required by the Licensing Authority, escape lighting shall be provided within electric intakes and main switch and control rooms

PS59

Lighting Requirements

All parts of the premises shall be provided with adequate means of illumination and, except where otherwise permitted by the Licensing Authority, those portions to which the public have access and all routes of escape for performers or staff shall be provided with adequate means of illumination from two independent sources

PS60

Management Lighting

In the absence of adequate daylight in any area used by the public the management lighting in such areas shall be fully in operation whilst the public are on the premises.

If essential to the entertainment and agreed by the Licensing Authority, lighting in the entertainment area (except for fire safety signs) may be reduced or extinguished provided:-

The lighting is controlled from a position with a clear view of the audience

An operator stands by such controls whilst the lighting is reduced or extinguished who shall restore the management lighting in the event of any emergency.

Fire safety signs shall be fully illuminated at all material times.

There shall be adequate illumination to enable persons on the premises to see their way out.

PS61

Segregation of the two systems of lighting

Where two lighting systems are provided each shall be so installed that a fault or accident arising on one system shall not jeopardise the other

Heating/Ventilation

PS62

Air Conditioning

Any provision for air warming or conditioning shall be so arranged as to minimise to risk of contamination of the air supply by smoke or fumes

PS63

Apparatus in Ducts

Electric motors and other apparatus shall not be installed in any air duct or in the air stream of any mechanical ventilation system except in so far as they form part of the ventilation system

PS64

Boiler Chambers & Fuel Storage Chambers

Any boiler and any fuel storage chamber shall be constructed and arranged to minimise the risk of fire and the spread of fire and smoke

to limit the effect of any explosion

in the case of oil fuel, to prevent the spread of any leakage of oil and to safeguard from fire any oil storage

PS65

Cleansing of Flues, Ventilation Ducting and Shafts

The flue of any boiler or heating appliance shall be professionally cleaned at intervals not less than the minimum recommended by the appliance manufacturer.

Ventilation ducting and shafts generally shall be maintained in a clean condition.

Ventilation air filters shall be cleaned or changed for new filters periodically as may be necessary to maintain a satisfactory flow of air supply.

All interior surfaces of extract ventilation ducting serving kitchens and serveries shall be thoroughly cleaned at least annually.
PS66

Direction of Air

The ventilation of premises intended to be used for stage performances shall be such that the direction of air movement during such performances shall be from the auditorium towards the stage

PS86

Labelling of Switchgear

All switchgear and distribution board shall be clearly marked to indicate the circuits controlled

PS87

Limitation of Voltage

Installations requiring voltages higher than low voltage shall not be provided except with the consent of the Licensing Authority and in accordance with the conditions of such consent

PS88

Positions of Control Apparatus Within Reach of the Public

Switches, fuse boards and other control apparatus shall be so installed so as to minimise the possibility of interference by the public

PS89

Precautions for Differing Voltages

In premises where the lighting fittings are connected to two or more electrical systems at sensibly different voltages, arrangements shall be made to ensure that lamps will be inserted only in lampholders supplied at the appropriate voltage

PS90

Protection of Final Sub-Circuits

Overload protection (e.g. fuses or circuit breakers) to final sub-circuits shall be rated so as to afford protection to the apparatus permanently connected thereto.

PS91

Remote Control of Motors

Where an electrical motor is started manually from a remote position, an approved device shall be provided adjacent to the starting switch to indicate correct functioning of the motor

PS92

Resistors, Reactors, Capacitors

All electrical equipment shall be adequately ventilated to prevent excessive rise of temperature under normal working conditions

PS93

Systems of Wiring

Systems of wiring employed for permanent electrical installations shall be those in which all cables and conductors are enclosed throughout in protective covering of materials of adequate strength to resist mechanical damage. Such installations shall comply with the Regulations of the Institution of Electrical Engineers

PS94

Temporary Electrical Installations

Temporary electrical installations shall not be provided without 14 days prior notification being given to the Licensing Authority. Temporary electrical installations shall be inspected and certified by a competent person before they are put into use. A copy of the certificate shall be sent to the Licensing Authority.

PN16 Permitted Hours

Alcohol shall not be sold or supplied except during permitted hours.

In this condition, permitted hours means:

Weekdays (other than Christmas Day, Good Friday or New Year's Eve) 10.00am to 11.00pm

Sundays (other than Christmas Day or New Year's Eve) 12 noon to 10.30pm

Good Friday 12 noon to 10.30pm

Christmas Day 12 noon to 3.00pm & 7.00pm to 10.30pm

New Year's Eve, except on a Sunday 10.00am to 11.00pm

New Year's Eve on a Sunday 12 noon to 10.30pm

New Year's Eve - From the end of authorised hours on New Year's Eve to the start of authorised hours on the following day (or, if there are no authorised hours on the following day, midnight on 31st December)

Alcohol may be sold or supplied for one hour following the hours set out above and on Christmas day, between 3.00pm and 7.00pm to persons taking table meals in the premises in a part of the premises usually set apart for the service of such persons and for consumption by such a person in that part of the premises as an ancillary to his meal. For other purposes or in other parts of the premises the hours set out above shall continue to apply

The above restrictions do not prohibit:

During the first twenty minutes after the above hours the consumption of the alcohol on the premises;

During the first twenty minutes after the above hours, the taking of the alcohol from the premises unless the alcohol is supplied or taken in an open vessel;

During the first thirty minutes after the above hours the consumption of the alcohol on the premises by persons taking meals there if the alcohol was supplied for consumption as ancillary to the meals;

Consumption of the alcohol on the premises or the taking of sale or supply of alcohol to any person residing in the licensed premises;

the ordering of alcohol to be consumed off the premises, or the despatch by the vendor of the alcohol so ordered;

the sale of alcohol to a trader or club for the purposes of the trade or club;

the sale or supply of alcohol to any canteen or mess, being a canteen in which the sale or supply of alcohol is carried out under the authority of the Secretary of State or an authorised mess of members of Her Majesty's naval, military or air forces;

the taking of alcohol from the premises by a person residing there;

the supply of alcohol for consumption on the premises to any private friends of a person residing there who are bona fide entertained by him at his own expense, or the consumption of alcohol by persons so supplied; or

The supply of alcohol for consumption on the premises to persons employed there for the purposes of the business carried on by the holder of the licence, or the consumption of liquor so supplied, if the liquor is supplied at the expense of their employer or of the person carrying on or in charge of the business on the premises.

CH8 Children in Bars

No person under fourteen shall be in the bar of the licensed premises during the permitted hours unless one of the following applies:

He is the child of the holder of the premises licence.

He resides in the premises, but is not employed there

He is in the bar solely for the purpose of passing to or from some part of the premises which is not a bar and to or from which there is no other convenient means of access or egress

The bar is in railway refreshment rooms or other premises constructed, fitted and intended to be used bona fide for any purpose to which the holding of the licence is ancillary

In this condition "bar" includes any place exclusively or mainly used for the consumption of intoxicating liquor. But an area is not a bar when it is usual for it to be, and it is, set apart for the service of table meals and alcohol is only sold or supplied to persons as an ancillary to their table meals

Restriction on Licence

(deliveries of alcohol)

Alcohol deliveries ancillary to a take-away or delivery meal shall only to be made to business and/or private residences and not to any public/open spaces.

Alcohol will not be despatched from any premises, other than these licensed premises by the premises licence holder in accordance with this licence.

The premises licence holder / designated premises supervisor will adopt an age verification policy and challenge 25 on delivery of alcohol

Where the premises licence holder / designated premises supervisor instructs only third party couriers to deliver any items of alcohol previously ordered, every such delivery company will adopt a 'Check 25 policy', so that if on request, acceptable photographic documents cannot be produced to prove the date of birth of the purchaser, then the delivery will be refused outright. In all cases,

delivery will be made only to the address indicated on each respective order and no other,

delivery will be refused to any person who is, or who appears to be drunk

Where delivery of alcohol by any third party courier is refused for any of the reasons given above, the premises licence holder / designated premises supervisor will then continue communication with the third party courier

The premises licence holder / designated premises supervisor will keep records of which will be retained at the licensed

premises / by the premises licence holder, for possible inspection at any time on request, by a police officer or an authorised person of the licensing authority.

Annex 2 - Conditions consistent with the operating Schedule

Public Safety (including Fire Safety)

PS7 Change of Use

The use of the premises for which a licence has been granted shall not be changed without the consent of the Licensing Authority

PS17 Maintenance and Testing

The approved arrangements at the premises, including means of escape Testing provisions, fire warning and fire fighting equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.

PS20 Prohibition on use (Hypnotism, Mesmerism)

No person shall give at the premises any exhibition, demonstration or performance of hypnotism, mesmerism or any similar act or process which produces or is intended to produce in any other person any form of induced sleep or trance in which susceptibility of the mind of that person to suggestion or direction is increased or intended to be increased.

NOTE: This rule does not apply to exhibitions given under the provisions of Section 2(1a) and 5 of the Hypnotism Act 1952.

Emergency Arrangements & Fire Safety

PS23 Curtains, Hangings, Upholstery, Decorations etc

1. Applications for consent to use curtains and hangings shall be made in writing and shall be accompanied by full details including a certificate in respect of fire-retardancy issued by a recognised laboratory e.g. one accredited by UKAS.
2. Only hangings, curtains, upholstery and temporary decorations complying with the relevant British (or where appropriate European) Standard shall be used. Where necessary these shall be periodically tested for flame resistance and re-treated as necessary to the satisfaction of the Licensing Authority.
3. Curtains and hangings shall be arranged so as not to obstruct fire safety signs, fire extinguishers or other fire fighting equipment.
4. Curtains across doors shall be hung in two halves on a free running rail to enable them to be parted easily. Such curtains shall have a clearance of at least 25mm between the bottom of the curtain and the floor.

PS24 Doors & Fastenings

Any exit door or gate shall open in the direction of escape and shall be hung so as not to obstruct, when open, any gangway, passage staircase or landing. Such door or gate shall be free from fastening other than panic bolts or such fastening as may be approved by the Licensing Authority. Panic bolts shall be of the type and pattern and installed in accordance with the appropriate British Standard

PS26 Exit Notices

All exit notices required by the Licensing Authority shall be provided with adequate means of illumination from each system of lighting or shall be of the self-luminous type

PS29 Fire Appliance

1. The approved fire appliances shall be kept in the approved positions and be maintained in satisfactory working order so as to be available for instant use.

Portable fire appliances shall be inspected at least once a year in accordance with the relevant British Standard and the date of the inspection clearly marked on the appliance or on a stout tab securely attached to it. Extinguishers shall be inspected and recharged in compliance with the manufacturer's instructions.

PS37 Means of Escape

1. Exits shall be provided and so arranged as to afford ready means of escape from all parts of the premises
2. The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the approved arrangements.
3. The means of escape must always be sufficient for the total number of persons present, Where there are an unusually large number of performers the Licensing Authority must be consulted.

4. All fire doors shall be maintained effectively self closing and not held open other than by an approved device.

PS41 Outbreaks of Fire

The Fire Brigade shall be called at once to any outbreak or suspected outbreak of fire, however slight, and details thereof shall be recorded in a logbook. Suitable notices shall be prominently displayed indicating how the Brigade can be summoned. The Licensing Authority shall be informed, as soon as possible, of any instance of fire.

Special Effects

PS132 General

Any entertainment, which involves special risks (e.g. firearms, smoking, and motor vehicles), may only be given with the Licensing Authority's consent. At least 14 days' notice shall be given to the Licensing Authority and, save in exceptional circumstances, must include the exact details of the proposal including the assessment of risk involved and the control measures to be put in place together with the date and time of any proposed rehearsal.

PS136 Real flame

Real flame will only be permitted on stage if in the opinion of the Licensing Authority it can be used safely.

1. Real flame must be kept clear of costumes, curtains and drapes.
2. The lighting and extinguishing of the flame must be supervised by the duty fire officer who must remain where there is a clear view of the flame and easy access to it until it is extinguished.
3. Candle holders and candelabra must be robustly constructed, not easily overturned and, where practicable, fixed in position.
4. Hand-held flaming torches should incorporate fail-safe devices so that if a torch is dropped the flame is automatically extinguished. Fail-safe devices should be tested prior to each performance.

PS138 Special Effects

The use of special effects (e.g. lasers, dry ice and smoke machines, strobe lighting, real flame, and pyrotechnics) or the bringing onto the premises of any explosive or flammable substance may only be permitted with the consent of the Licensing Authority. At least 14 days' notice shall be given to the Licensing Authority detailing the exact proposal including the assessment of the risk involved and the control measures to be put in place and the date and time of any proposed rehearsal. Special effects shall only be used where the desired effect cannot be achieved using other safer means (e.g. by mechanical devices).

Scenery And Properties

PS140 Properties and Furnishings

As a general rule hand-held properties and antique furnishings will be permitted without fire retardancy treatment where the stage action does not involve the use of naked flame or smoking. However the Licensing Authority will generally apply the same standards as apply to stage scenery to large properties, large quantities of furnishings and to items especially constructed for the stage presentation. New soft furnishings, curtains and drapes must be maintained flame resisting.

Public Nuisance

PN1 Conduct of Premises

Clear legible notices are to be displayed at all exits from the premises requesting patrons to respect the needs of local residents and to leave the premises and area quietly.

Annex 2 - Conditions consistent with the operating schedule

Prevention of Crime and Disorder

CD26 Use of premises

1. The premises shall be operated by the Premises Licence Holder primarily as a Tenpin Bowling alley. Any regulated entertainment (other than any Indoor Sporting Events such as Bowling competitions) shall be strictly ancillary to this primary usage.

PS166 Risk Assessment

2. There shall be a written risk assessment carried out by the Designated Premises Supervisor. This risk assessment will be reviewed on a regular basis and also following any notable incident, prior to the provision of any regulated entertainment outside of the normal day-to-day operation of the venue, or in the event of a material change in venue operational practices.

CD41 Staff Training

3. All staff concerned in the sale or service of alcohol who are not themselves holders of a Personal Licence issued under the Licensing Act shall receive training regarding their responsibilities under the Licensing Act, including their duty to uphold the licensing objectives and comply with the specifics of the October 2014 mandatory conditions. Refresher training for staff will take place every 6 months, and records of this training will be maintained and made available for inspection by authorised officers on request.

CD3 Door Supervisors

4. Door supervisors working at the premises will wear a suitable Body Worn Video (BWV) camera.

5. Door supervisors engaged in search activities will be provided with a hand held Metal Detector Wand (MDW), which should be used where reasonably possible during every search.

6. The Premises Licence holder must take all reasonable precautions to prevent offensive weapons entering the premises.

7. There shall be a minimum of two Security Industry Authority registered door supervisors deployed at the venue from 21:00 on any day the premises are open to the general public beyond midnight. The deployment of door supervisors shall be based upon the control measures proposed in the risk assessment.

8. Any door supervisor working at the premises shall wear a high-visibility arm band (or similar) and clearly display their valid SIA badge.

9. A documented security induction will ensure door supervisors are fully aware of venue operational practices before engagement.

10. A log shall be maintained at the premises which will record the following.

- " The name, SIA badge number and shift times of all deployed door supervisors.
- " The number of persons admitted to the venue and the number leaving.
- " The number of persons refused entry, and any relevant details.
- " The number of persons searched, and any relevant details.

CD2 CCTV Numbers location and maintenance

11. A comprehensive CCTV system shall be installed and maintained in good working order. The deployment of the system will be designed with the assistance of the installer to provide maximum possible coverage of public areas (except the lavatories), external seating areas and entrance/exit points.

12. The system will be in operation at all times the premises is open to the public and will be accurate date and time marked.

13. Any material malfunction of the system will be reported to the licensing authority and rectified as soon as reasonably practicable.

14. Digital footage shall be retained for a minimum of 31 days and may be viewed, or requested in recorded form, by Police, Licensing or any other authorised officers on request - providing any such requests are compliant with prevailing data protection legislation.

CD12 Security, search policy

15. The venue will adopt a 'zero tolerance' policy towards all illegal drugs. Where identified as a control measure in the risk assessment, searches will be carried out in accordance with documented operational procedures.

CD32 Refusals Register

16. The venue will maintain a register to document any and all occasions where a customer is refused alcohol or admission. This will note the date, time and reason for refusal.

17. This register will be checked and signed by the DPS on a regular basis and made available to enforcement officers when requested.

CD11 Security, incidents

18. An incident log shall be maintained at the Premises which shall record any incident occurring at the premises that might have an adverse effect on the licensing objectives. Specifically, any incident involving violence and/or the ejection/removal of a customer shall be recorded, and as a result of this the risk assessment reviewed if deemed appropriate to do so by the DPS.

19. The incident log will be reviewed by the DPS on a regular basis and made available to the Licensing Authority or Police on request.

The prevention of public nuisance

PN38 Management Responsibility

20. The DPS will ensure that any noise emanating as a result of amplified music is controlled so that it shall not give rise to a nuisance in neighbouring noise sensitive properties.

PN1 Conduct of Premises

21. No noise generated in the venue, or by the venue's associated plant and equipment, shall emanate from the premises in such a manner which causes a nuisance to neighbouring noise sensitive properties.

22. Alcohol-free beverage options will be available in the venue at all times where alcohol is offered.

PN41 Dispersal Policy

23. A Dispersal Policy shall be used at the premises which will seek to minimise any potential disturbance as customers leave the venue. This will include a reasonable timed reduction in music volume and increase in lighting prior to closure. In addition, suitable notices shall be displayed at all exits requesting customers respect the needs of the local residents and leave the area quietly.

PN23 Gardens/External drinking areas

24. The External (Rear) Seating Area will be closed to customers from 22:00 every day.

25. Signage shall also be placed in the external (rear) seating area to request that customers respect the needs of the local residents and to not make excessive noise.

PN36 Deliveries

26. No commercial deliveries will be made to the premises outside of the hours of 07:00 - 21:00

The protection of children from harm

CD42 Challenge 25 Policy

27. The Licence Holder shall ensure that a robust Age Verification Policy is in operation at the premises, which will include the usage of the Challenge 25 scheme.

28. Notices shall be placed at the premises' entrance and at all points of sale detailing the restrictions on sales of alcohol to children.

29. An effective methodology shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

30. Records of Staff training, relating to the sale or supply of alcohol (and any age restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

CD2 CCTV Numbers location and maintenance

1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Wandsworth Police Licensing Team where/when appropriate. For all commercial premises, all entry and exit points will be covered enabling frontal identification of every person entering in any light condition.
2. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises.
3. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31 day period.
4. A staff member from the premises who is conversant with the operation of the CCTV shall be on the premises at all times when the premises are open to the public. This staff member shall be able to show Police recent data or footage with the absolute minimum of delay when requested.

CD11 Security/Incidents

5. An incident log shall be kept at the premises and made available on request to an authorised officer of the Council or the Police, which will record the following:
 - a) All crimes reported to the venue;
 - b) All ejections of patrons;
 - c) Any complaints received concerning crime and disorder;
 - d) Any incidents of disorder;
 - e) All seizures of drugs or offensive weapons;
 - f) Any refusal of sale of alcohol..

Public Safety

PS8 Charge of Licensed Premises/Duty Manager

6. The approved arrangements at the premises, including means of escape provisions, emergency warning equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.
7. The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the plans provided.
8. All emergency exit doors shall be available at all material times without the use of a key, code, card or similar means.
9. All emergency doors shall be maintained effectively self-closing and not held open other than by an approved device.
10. The edges of the treads of steps and stairways shall be maintained so as to be conspicuous.
11. Curtains and hangings shall be arranged so as not to obstruct emergency safety signs or emergency equipment.

The prevention of public nuisance

PN1 Conduct of Premises

12. Substantial food and non-intoxicating beverages, including drinking water, shall be available in all parts of the premises where alcohol is sold or supplied for consumption on the premises.
13. No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.
14. No fumes, steam or odours shall be emitted from the licenced premises so as to cause a nuisance to any persons living or carrying on business in the area where the premises are situated.

PN2 Rubbish/Waste

15. All waste shall be properly presented and placed out for collection no earlier than 30 minutes before collection times.

PN6 Litter

16. During the hours of operation, the licence holder shall ensure sufficient measures are in place to remove and prevent litter or waste arising or accumulating from customers in the area immediately outside the premises, and that this area shall be swept and or washed and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business.

PN8 Noise, Sound Limiting Device

17. Save for within residential premises, a noise limiter must be fitted to the musical amplification system set at a level determined by a suitably qualified acoustic expert, so as to ensure that no noise nuisance is caused to local residents or businesses. The operational panel of the noise limiter shall then be secured by key or password and access shall only be by persons authorised by the Premises Licence Holder. The limiter shall not be altered without prior agreement of the acoustic expert. No alteration or modification to any existing sound system(s) should be effected without prior knowledge of an authorised officer or the acoustic expert. No additional sound generating equipment shall be used on the premises without being routed through the sound limiter device

PN23 Gardens/External areas

18. There shall be no licensable activities in the external areas after 23.00 hours Monday to Saturday and 22.30 hours on Sundays.

PN35 Smoking Area

19. The premises licence holder shall ensure that any patrons smoking outside the premises do so on an orderly manner so as to ensure that there is no public nuisance or obstruction of the public highway

20. Notices shall be prominently displayed at any public area used for smoking requesting patrons to respect the needs of local residents and use the area quietly.

CD7 Notices/contact number

21. Notices shall be prominently displayed at all main exits into the lobby areas requesting patrons to respect the needs of local residents and to leave the area quietly.

22. A direct telephone number for the manager at the premises shall be publicly available at all times when licensable activities are provided. This telephone number is to be advertised by way of notice on the main noticeboard for the premises

PN39 Entry to Premises

23. After midnight Sunday to Thursday and 2am Friday Night/Saturday Morning and Saturday Night/Sunday Morning, all access to the Ground Floor licensed areas, by members of the public, shall be via the communal building lobby, or such other area as agreed

The protection of children from harm

CD42 Challenge 25 Policy

24. Evidence of age in the form of photo identification shall be requested from any person appearing to those selling or supplying alcohol, to be under the age of 25 and attempting to buy alcohol. Examples of appropriate photo identification include a passport, driving licence, and the Proof of Age Standards Scheme (PASS) approved age card.

25. A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age-restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal.

26. The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

27. An effective visual (and/or aural) reminder shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

28. Notices shall be placed at all points of sale detailing the restrictions on sales of alcohol to children

29. All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol (and any other age-restricted product). Refresher training will be carried out at least every three months.

30. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

31. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

General

LM3

Licensing Act 2003. Section 177a

The provision of entertainment consisting of the performance of live music and recorded music is not to be regarded as the provision of regulated entertainment provided:

Music takes place on premises which are authorised by a premises licence or club premises certificate to be used for the supply of alcohol for consumption on the premises,

At the time of the music, the premises are open for the purposes of being used for the supply of alcohol for consumption on the premises,

If the music is amplified, it takes place in the presence of an audience of no more than 500 patrons, and

The music takes place between 8am and 11pm on the same day

Any condition of the premises licence or club premises certificate detailed below which relates to live music, recorded music or both does not have effect in relation to the music.

The prevention of crime and disorder

CD9

Responsibility of Licensee

No soliciting for custom, including the distribution of leaflets, shall take place from the premises, immediately outside the Premises or in the vicinity of the premises.

Where a licence has been granted to a company, the licensee must appoint a duty manager or duty managers who shall be in charge of and upon the premises at all material times. In such cases, the licensee shall notify the Licensing Authority of the names of those persons appointed duty managers. In addition, a copy of the written authorisation must be kept on the premises and be readily available for inspection by any police officer or authorised officer.

CD10

Security, admission

Admission shall be refused to any person found with or suspected of carrying or under the influence of drugs or carrying an offensive weapon.

Public Safety

PS1

Accommodation Limit

1. The maximum number of persons to be accommodated in the main sports hall (Grand Hall) at any one time shall not exceed 300 persons.

2. The maximum number of persons to be accommodated in the Lola Jones Hall at any one time shall not exceed 300 persons

PS5

Attendants

During the whole time members of the public are present on the premises there shall be a sufficient number of competent adult staff. These staff shall have been specially instructed by the licensee or person nominated by him as to their duties in the event of an emergency. The instruction given to staff shall include training on the avoidance of panic and the safe evacuation of the premises.

Such staff shall not be engaged in any duties, which:

would hinder the prompt discharge of their duties in the event of any emergency entail their absence from that floor, tier, or auditorium where they are on duty.

Such staff shall not be engaged in any sales duties, which involve the use of trays or similar equipment when the normal lighting is dimmed or extinguished.

PS8

Charge of Licensed Premises

The duty manager shall be familiar with all licence conditions.

The duty manager shall not engage in any duties, which will prevent general supervision of the premises. The duty manager shall whenever necessary be assisted by suitable adults.

Before admitting the public the duty manager shall carry out all necessary safety checks as identified by the health and safety risk assessment for the premises/activity.

The duty manager shall maintain good order at the premises

A competent person shall be in charge of the electrical or other installation whilst the public are on the premises.

PS18

Overcrowding

Overcrowding shall not be permitted in any part of the premises.

The licensee shall maintain a register indicating the numbers of staff who are on duty at all material times in the area where entertainment is provided. This register shall be produced immediately on the request of a police officer or an authorised officer.

The licensee shall ensure that the accommodation limit specified on the licence is not exceeded and shall at all material times be aware of the number of patrons on the premises. This information shall immediately be provided on request to a police officer or authorised officers when they have reasonable cause for suspecting the accommodation limit may be exceeded.

PS20

Prohibition on use (Hypnotism, Mesmerism)

No person shall give at the premises any exhibition, demonstration or performance of hypnotism, mesmerism or any similar act or process which produces or is intended to produce in any other person any form of induced sleep or trance in which susceptibility of the mind of that person to suggestion or direction is increased or intended to be increased.

NOTE: This rule does not apply to exhibitions given under the provisions of Section 2(1a) and 5 of the Hypnotism Act 1952.

PS106

Attendants in seated Audiences

Where the premises has a maximum seated accommodation of more than 300 persons, there shall be a minimum of two members of staff on duty on each floor or tier where the public are present.

Where the premises has a maximum seated accommodation of more than 500 persons one additional member of staff shall be present for each additional 250 persons or part thereof present on that floor or tier.

If an auditorium has only one floor or tier and seats 250 persons or less the number of staff on duty in that auditorium shall be not less than one.

Only one member of staff is required to be on duty on any floor or tier of an auditorium when the number of persons present on that floor or tier does not exceed 100.

PS107

Seating & Gangways

Seats and gangways in halls shall be so arranged as to allow free access direct to the exits from the halls and the construction, filling and covering of seats be such as to minimize the fire risk.

PS108

Seating (Closely Seated)

The premises shall not be used for a closely seated audience except in accordance with plans approved by the Licensing Authority.

No article shall be attached to the back of any seat, which would either reduce the clear width of seatways below the minimum specified or cause a tripping hazard or obstruction.

PS109

Standing and Sitting in Gangways

In no circumstances shall persons be permitted to -

Sit in any gangway

Stand in any gangway which intersects the seating

Stand or sit in front of any exits

Waiting and standing shall not be permitted except in areas approved by the Licensing Authority.

PS157

Approved Arrangements

The approved arrangement, whether permanent or temporary, shall be fully complied with before spectators or participants are permitted within the premises.

PS158

Approved Arrangements

No alteration or addition shall be made to the approved arrangements for a particular sports entertainment without the consent of the Licensing Authority.

PS159

Construction of Ring

The ring shall be installed in a position approved by the Licensing Authority and shall be constructed to the satisfaction of the Licensing Authority. Any material used to form the skirt around the ring shall be non flammable to the satisfaction of the Licensing Authority.

PS161

First Aid Facilities & Medical Practitioners

Adequate first-aid facilities shall be provided. Where required by the Licensing Authority an appropriately qualified medical practitioner shall be present throughout the sports entertainment.

PS162

Notices

At least 14 days' notice in writing shall be given to the Licensing Authority of any proposal to use the premises for any sports entertainment event.

PS164

Occupation of Seats

A record of refusals shall be maintained which documents every instance that a sale of alcohol is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal

The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the police

An effective methodology shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol.

All staff that undertake the sale or supply of alcohol shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol. Refresher training will be carried out at least every three months.

Records of all staff training, relating to the sale or supply of alcohol

along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the police.

Open to the Public

Event and licensable activities are limited to one day per calendar year in October or November, for the Fireworks event

Annex 2 Conditions consistent with the Operating Schedule

Time-Limited Annual Fireworks Event

1. The provision of licensable activities authorised by this licence shall be time-limited to one day per calendar year, for the purposes of holding a public fireworks display. The event shall take place only in the months of October or November.

Notification of Event

2. The premises licence holder shall give written notification to the Licensing Authority and the Metropolitan police of the event to be held at the premises, not less than two calendar months prior to the date of the event.

Sale of Alcohol

3. The sale and supply of alcohol is for consumption on the premises only.

4. There will be no sale of alcohol for consumption on the premises before 11: 00hrs

Drinks containers (on-sales only)

5. For alcohol sold for consumption on the premises, no glass drinks containers shall be supplied to attendees.

6. Any glass bottled drinks shall be decanted into a non-glass container and the bottle retained by staff.

Security General

7. An anti-theft, weapons & drug policy shall be implemented, which shall include the reporting of theft, seizure of drugs, seizure of weapons, safe storage of found items, storage and disposal procedures for all items found or discarded at the premises. Any amendments to the policy must be agreed in writing with the Southwest police licensing unit one-month days prior to the event.

8. A weapon and drugs sweep shall be completed prior to the opening to the public and recorded on the incident log.

Event Safety Management Plan (ESMP)

9. No licensable activities shall be permitted to take place under this licence unless the ESMP Fire Risk Assessment, and Crowd Management Plan for that event have been approved by Fire & Rescue Service, Southwest Police Licensing Unit, Wandsworth Council Environmental Health, and the Licensing Authority.

10. A copy of the ESMP shall be made available to the Responsible Authorities at least one month before the start of each event.

11. The ESMP shall include the number of Security Industry Authority (SIA) registered supervisors to be on duty and include the number of stewards.

12. Engage with freely available counter terrorism advice and guidance through Counter Terrorism Protect Officers and Counter Terrorism Security Advisors.

13. A documented dispersal policy shall be devised, as agreed with the relevant responsible authorities, implemented at the premises and a copy available on request.

14. The ESMP shall be completed for each event outlining the proposed management structure, responsibilities and contact details of the event, together with details of the organisation, control, monitoring, and review mechanisms as identified by the event specific risk assessment.

15. Two roaming welfare officers shall be present throughout the event within the footprint wearing hi-visibility wear to make them easily identifiable. Welfare officers shall be responsible for proactive engagement and intervention and shall have received enhanced Welfare and Vulnerability Engagement training (WAVE) and "Ask for Angela".

16. Attendees shall be counted upon entering ensuring numbers do not exceed 14999 including staff.
(Upon mass egress it wouldn't be practical to count numbers leaving site)

17. A record shall be kept of attendance every 30 minutes which may be viewed upon request by police or relevant local authority officers. The running record of attendees to be kept by the control room and added to the event log.

18. The event shall have a full risk assessment, taking into consideration the terrorist threat. Where required by the risk assessment or the police, Hostile Vehicle Mitigation (HVM) provision shall be in operation and fully functional with appropriate traffic management plans in place for all events. Where required by the risk assessment or the police, regular weapons sweeps shall take place undertaken by SIA Security before, prior, during and post egress. This shall be recorded in the security incident log

Pre-event

19. The Premises Licence Holder shall implement an event and pre-event communications strategy to provide anti-crime messaging and drugs awareness advice to ticket holders.

Personal Licence Holder

20. When alcohol is being supplied, each bar shall be individually managed by at least one personal licence holder, and any bars with over 20 square metres of serving area to be managed by two personal licence holders and two SIA registered supervisors and/or stewards to effectively manage queues.

CCTV

21. The Closed-Circuit Television (CCTV) system shall cover Entrance points and Bar and be recording at all times during the event and until the site is closed.

22. The CCTV system shall be maintained in an effective working order, with all images kept for a minimum of 31 days.

23. At all times during an event where CCTV is in operation, a minimum of one member of staff on duty shall be able to operate the CCTV system and be able to provide images to the Licensing Authority or Police upon reasonable request.

24. During the event, any CCTV request made by Police shall be provided on a useable digital format within 2 hours.

25. Suitable signage shall be displayed at the premises in a prominent position as customers enter the premises stating that CCTV is in operation.

Security Industry Authority (SIA) Registered Supervisors

26. A log detailing the full name and date of birth; SIA licence number; name, address, and Company No. of their employer; and the booking on off times of all SIA Supervisors working at the event.

27. All SIA supervisors shall be provided with radios to enable them to contact each other and the event staff at the premises.

28. All SIA supervisors shall wear high visibility jackets/vests to ensure that they are easily identifiable to those attending the event.

Staffing Responsibilities

29. Staff with specific responsibilities in the event of emergencies, together with deputies, shall be given training and written instruction appropriate to their role prior to the event taking place. The duty manager shall, once they are satisfied as to the competence of each member of staff, enter this in a logbook that shall be available for inspection by Police or Authorised Officers.

Entry Search Risk Assessment

30. The premises licence holder shall undertake and keep under review the Event Risk Assessment to determine the need for searching of attendees on entry. Where the risk assessment identifies such a need, appropriate search procedures shall be implemented and documented. The Premises Licence Holder shall ensure that:

a) Entry to the premises will be controlled and undertaken by SIA Registered Supervisors to ensure that search and screening cannot be bypassed.

b) Search and screening shall be carried out in accordance with the Search Policy, and which will form part of the ESMP.

c) The Search Policy shall be communicated via signage at all entrances to the event and communicated via the Merton Council website and all ticket platforms.

d) Search and screening shall be permitted onsite as outlined in the Search Policy.

f) The risk assessment for the event shall detail the level of searching; the use of search wands; and a manual search of all bags to detect metallic and non-metallic threats and will be set in consultation with the Metropolitan Police.

g) The risk assessment for each event shall include steps to search and screen all staff, artists, DJs, and entourage prior to entry to the premises.

h) The searching and screening of persons attending the event will be monitored by the Premises Licence Holder's supervisory staff who shall monitor the search and screening process.

i) Searching and Seizures Briefings for Security Staff shall be detailed in the ESMP.

j) A Surrender System of prohibited items shall be detailed within the ESMP.

k) An eviction policy shall be detailed within the ESMP.

Entry to premises

31. Any queue to enter the premises that form outside shall be kept orderly and supervised by SIA registered supervisors to ensure that there is no nuisance or obstruction to the public highway and footpaths or other park users.

32. A clear visible notice shall be placed at the entrance to the premises advising those attending of the following:

Conditions of entry and all bags shall be searched.

a) Prohibited Items.

b) Police shall be informed if anyone is found in possession of drugs or weapons. Any person found to be dealing drugs will be detained and the police informed immediately. Drugs seized shall be handed over to the Police.

c) Bags brought into the premises shall be restricted in size, i.e., small day rucksack or small bag measuring no more than 460mm x 330mm x 200mm. There shall be no bag storage facilities on site.

d) Any larger bags brought into the premises shall be subject to an enhanced search, including prams and buggies.

e) Premises Licence Holder shall reserve the right refuse admission to those with suspicious / unusually large bags, i.e. camping style rucksacks, luggage, suitcases at their discretion.

Incident Log

33. An incident log shall be kept by the Designated Premises Supervisor and made available on request to Metropolitan Police, the Licensing Authority or other Responsible Authorities. It must be completed within 4 hours of the incident and will record the following:

a) All crimes reported to the venue

b) All ejections of patrons

c) All complaints received concerning crime and disorder;

d) Any incidents of disorder;

e) All seizures of drugs or offensive weapons;

f) Any faults in the CCTV system.

g) Any refusal of the sale of alcohol; showing date/time of each refusal and staff name.

Refusals Log

34. A refusals log /electronic record to record every instance that sales of alcohol and any other age-restricted goods are refused shall be maintained at each bar and under the supervision of the personal licence holder.

35. The refusals book/electronic record shall document the following:

a) Time and date the refusal was made.

b) The identity of the staff member refusing the sale.

c) Details of the alcohol the person attempted to purchase.

36. The refusal book/electronic record shall be available for inspection by the police or other authorised local authority officers on request.

37. A point of sale till prompts system shall be in place to ensure staff undertake age checks on age restricted products.

Welfare Officer

38. A dedicated Welfare Officer will be present and on duty throughout the event. This person will be responsible for proactive engagement and intervention and shall have received enhanced Welfare and Vulnerability Engagement training.

WAVE and Ask for Angela

39. All members of customer facing staff, including SIA (if employed) and those involved in the sale or supply of alcohol shall be provided with Welfare and Vulnerability Engagement (WAVE) training to provide those working in the licensed industry with an awareness of vulnerability and their responsibilities towards people visiting their premises. This training is available at: <https://nbcc.police.uk/crime-prevention/safeguarding/welfare-and-vulnerability-engagement-wavelesson-plan>

40. Staff shall be trained to understand what to do if someone, "asks for Angela"

CONDITIONS OF JUSTICES LICENCE

1. Intoxicating liquor may be sold or supplied only to members of the club meeting at the club premises, for consumption by those members and their bona fide guests.
2. No person shall be admitted to membership of the club without an interval of at least two days between nomination or application and admission to membership. The names and addresses of persons so applying must be prominently displayed in the club premises in a part frequented by the members for at least two days before admission to membership.
3. There shall be no OFF sales (but this condition shall not prevent the provision of intoxicating liquor as prizes or gifts to members and their bona fide guests which shall be in sealed containers).
4. No application shall be made under the authority of this licence for the grant of an occasional licence.

The restrictions in hours shown on page 1 of the licence do not prohibit:

5. During the first twenty minutes after the above hours the consumption of the alcohol on the premises;
6. During the first twenty minutes after the above hours, the taking of the alcohol from the premises unless the alcohol is supplied or taken in an open vessel;
7. During the first thirty minutes after the above hours the consumption of the alcohol on the premises by persons taking meals there if the alcohol was supplied for consumption as ancillary to the meals;
8. Consumption of the alcohol on the premises or the taking of sale or supply of alcohol to any person residing in the licensed premises;
9. the ordering of alcohol to be consumed off the premises, or the despatch by the vendor of the alcohol so ordered;
10. the sale of alcohol to a trader or club for the purposes of the trade or club;
11. the sale or supply of alcohol to any canteen or mess, being a canteen in which the sale or supply of alcohol is carried out under the authority of the Secretary of State or an authorised mess of members of Her Majesty's naval, military or air forces;
12. the taking of alcohol from the premises by a person residing there;
13. the supply of alcohol for consumption on the premises to any private friends of a person residing there who are bona fide entertained by him at his own expense, or the consumption of alcohol by persons so supplied;
14. The supply of alcohol for consumption on the premises to persons employed there for the purposes of the business carried on by the holder of the licence, or the consumption of liquor so supplied, if the liquor is supplied at the expense of their employer or of the person carrying on or in charge of the business on the premises.
