Annex 2 - Conditions consistent with the operating Schedule

Licensing Act 2003. Section 177a

1. The provision of entertainment consisting of the performance of live music and recorded music is not to be regarded as the provision of regulated entertainment provided:

- a) Music takes place on premises which are authorised by a premises licence or club premises certificate to be used for the supply of alcohol for consumption on the premises,
- b) At the time of the music, the premises are open for the purposes of being used for the supply of alcohol for consumption on the premises,
- c) If the music is amplified, it takes place in the presence of an audience of no more than 500 patrons, and
- d) The music takes place between 8am and 11pm on the same day

2. Any condition of the premises licence or club premises certificate detailed below which relates to live music, recorded music or both does not have effect in relation to the music.

Permitted Hours

3. Alcohol shall not be sold or supplied except during permitted hours.

In this condition, permitted hours means:

Weekdays (other than Christmas Day, Good Friday or New Year's Eve) 10.00am to 11.00pm

Sundays (other than Christmas Day or New Year's Eve) 12 noon to 10.30pm

Good Friday 12 noon to 10.30pm

Christmas Day 12 noon to 3.00pm & 7.00pm to 10.30pm

New Year's Eve, except on a Sunday 10.00am to 11.00pm

New Year's Eve on a Sunday 12 noon to 10.30pm

New Year's Eve

4. From the end of authorised hours on New Year's Eve to the start of authorised hours on the following day (or, if there are no authorised hours on the following day, midnight on 31st December

5. Alcohol may be sold or supplied for one hour following the hours set out above and on Christmas day, between 3.00pm and 7.00pm to persons taking table meals in the premises in a part of the premises usually set apart for the service of such persons and for consumption by such a person in that part of the premises as an ancillary to his meal. For other purposes or in other parts of the premises the hours set out above shall continue to apply

The above restrictions do not prohibit:

6. During the first twenty minutes after the above hours the consumption of the alcohol on the premises;

7. During the first twenty minutes after the above hours, the taking of the alcohol from the premises unless the alcohol is supplied or taken in an open vessel;

8. During the first thirty minutes after the above hours the consumption of the alcohol on the premises by persons taking meals there if the alcohol was supplied for consumption as ancillary to the meals;

9. Consumption of the alcohol on the premises or the taking of sale or supply of alcohol to any person residing in the licensed premises;

10. The ordering of alcohol to be consumed off the premises, or the despatch by the vendor of the alcohol so ordered;

11. The sale of alcohol to a trader or club for the purposes of the trade or club;

12. The sale or supply of alcohol to any canteen or mess, being a canteen in which the sale or supply of alcohol is carried out under the authority of the Secretary of State or an authorised mess of members of Her Majesty's naval, military or air forces;

13. The taking of alcohol from the premises by a person residing there;

14. The supply of alcohol for consumption on the premises to any private friends of a person residing there who are bona fide entertained by him at his own expense, or the consumption of alcohol by persons so supplied; or

15. The supply of alcohol for consumption on the premises to persons employed there for the purposes of the business carried on by the holder of the licence, or the consumption of liquor so supplied, if the liquor is supplied at the expense of their employer or of the person carrying on or in charge of the business on the premises.

Children in Bars

16. No person under fourteen shall be in the bar of the licensed premises during the permitted hours unless one of the following applies:

- a) He is the child of the holder of the premises licence.
- b) He resides in the premises, but is not employed there
- c) He is in the bar solely for the purpose of passing to or from some part of the premises which is not a bar and to or from which there is no other convenient means of access or egress
- d) The bar is in railway refreshment rooms or other premises constructed, fitted and intended to be used bona fide for any purpose to which the holding of the licence is ancillary

17. In this condition "bar" includes any place exclusively or mainly used for the consumption of intoxicating liquor. But an area is not a bar when it is usual for it to be, and it is, set apart for the service of table meals and alcohol is only sold or supplied to persons as an ancillary to their table meals

12. That a Metropolitan Police risk assessment, currently form 696, shall be completed and submitted to the police at least 14 days in advance to any regulated entertainment event taking place.

Promoters

13. The licensee shall be responsible for ensuring that any promoter using the premises shall use only staff, including door supervisors, employed by the licensee unless the prior approval of the Licensing Authority has been obtained.

Responsibility of Licensee

14. No soliciting for custom, including the distribution of leaflets, shall take place from the premises, immediately outside the Premises or in the vicinity of the premises.
15. Where a licence has been granted to a company, the licensee must appoint a duty manager or duty managers who shall be in charge of and upon the premises at all material times. In such cases, the licensee shall notify the Licensing Authority of the names of those persons appointed duty managers. In addition, a copy of the written authorisation must be kept on the premises and be readily available for inspection by any police officer or authorised officer.

Security, admission

16. Admission shall be refused to any person found with or suspected of carrying or under the influence of drugs or carrying an offensive weapon.

Security, incidents

17. All staff shall report immediately to their manager's instances where patrons appear to be in distress.

Security, Police notification

18. Notices shall be strategically and prominently placed throughout the premises informing customers that the Police will be informed in the event of any individual being found in possession of controlled substances or offensive weapons.

CD14 Security, staffing

19. Before appointing any person to staff the premises, whether on a permanent, temporary, agency or self-employed basis, the licensee shall require the individual to disclose any unspent criminal convictions. In addition, written references from two different sources shall be taken up in each case prior to the individual commencing work.

Public Safety

Accommodation Limit

- 20. The maximum number of persons to be accommodated in the First Floor Area at any one time shall not exceed (100).
- 21. The maximum number of persons to be accommodated in the Ground Floor Area at any one time shall not exceed (250).
- 22. A suitable system shall be put in place to monitor the number of persons within the total premises to ensure the capacity is not exceeded.

Alterations

- 23. No alterations (including temporary alterations) shall be made to the premises without the consent of the Licensing Authority. This condition shall not require notice to be given in respect of routine maintenance works.
- 24. Where works necessitate the premises being closed for a period of time, the premises shall not reopen for the purpose of the licence without the consent of the Licensing Authority.

Attendants

- 25. There shall be on duty upon the premises during the whole time that the members of the public are present a sufficient number of competent adult staff who shall have been specially instructed by the licensee or person nominated by him as to their duties in the event of an emergency. The instruction given to staff shall include training on the avoidance of panic and the safe evacuation of the premises.
- 26. Such staff shall not be engaged in any duties, which would hinder the prompt discharge of their duties in the event of any emergency or entail their absence from that floor, tier, or auditorium where they are on duty.
- 27. Such staff shall not be engaged in any sales duties, which involve the use of trays or similar equipment when the normal lighting is dimmed or extinguished.

Attendants in large venues

- 28. Where the premises have a maximum accommodation of more than 300 persons, there shall be a minimum of two members of staff on duty on each floor or tier where the public are present.

- 29. The use of the premises for which a licence has been granted shall not be changed without the consent of the Licensing Authority.

Charge of Licensed Premises

- 30. The duty manager shall be familiar with all licence conditions.
- 31. The duty manager shall not engage in any duties, which will prevent general supervision of the premises. The duty manager shall whenever necessary be assisted by suitable adults.
- 32. Before admitting the public the duty manager shall carry out all necessary safety checks as identified by the health and safety risk assessment for the premises/activity.
- 33. The duty manager shall maintain good order at the premises.
- 34. A competent person shall be in charge of the electrical or other installation whilst the public are on the premises.
- 35. At busy times the duty manager shall not engage in any duties, which will prevent general supervision of the premises.

Prohibition on use (Hypnotism, Mesmerism)

- 36. No person shall give at the premises any exhibition, demonstration or performance of hypnotism, mesmerism or any similar act or process which produces or is intended to produce in any other person any form of induced sleep or trance in which susceptibility of the mind of that person to suggestion or direction is increased or intended to be increased.

NOTE: This rule does not apply to exhibitions given under the provisions of Section 2(1a) and 5 of the Hypnotism Act 1952.

Medical and First Aid Provision

- 37. A minimum of 2 persons trained in first aid shall be in attendance at all times whilst the premises are open. Re-training of first aiders must take place every three years.

The prevention of public nuisance

Conduct of Premises

- 38. No poster, advertisement, photograph, sketch, synopsis or programme shall be displayed, sold or supplied anywhere by or on behalf of the licensee which is unsuitable for general exhibition. If the licensee is notified by the Licensing Authority in writing that it objects under this rule to a poster, advertisement, photograph, sketch, synopsis or programme, it shall not be displayed, sold or supplied.
- 39. The licensee shall ensure that no noise shall emanate from the premises nor vibration be transmitted through the structure of the premises, which gives rise to a nuisance.

40. Clear legible notices are to be displayed at all exits from the premises requesting patrons to respect the needs of local residents and to leave the premises and area quietly.

Annex 2 - Conditions consistent with the operating Schedule

Prevention of Crime & Disorder

CD1 CCTV, maintenance

1. The approved Closed Circuit Television (CCTV) system installed at the premises shall be maintained in effective working order and all tapes/recordings shall be kept for a minimum of 31 days.

CD3 Door Supervisors

2. A minimum of 2 Security Industry Authority (SIA) registered door supervisors shall be employed from 21.00 hours on any night the premises are open to the public for licensed activities beyond midnight until all the public have left the premises.

CD27 Notice of Events / TEN

3. Unspecified events, including unspecified sporting events, are limited to 12 annually (this will be in addition to the 12 temporary event licenses that can be applied for)

4. The Licensing Authority and police to be notified ten days before the event in writing, with the Police having a power of veto in every case.

CD8 Promoters

5. The licensee shall be responsible for ensuring that any promoter using the premises shall use only staff, including door supervisors, employed by the licensee unless the prior approval of the Licensing Authority has been obtained.

CD9 Responsibility of Licensee

6. No soliciting for custom, including the distribution of leaflets, shall take place from the premises, immediately outside the Premises or in the vicinity of the premises.

7. Where a licence has been granted to a company, the licensee must appoint a duty manager or duty managers who shall be in charge of and upon the premises at all material times. In such cases, the licensee shall notify the Licensing Authority of the names of those persons appointed duty managers. In addition, a copy of the written authorisation must be kept on the premises and be readily available for inspection by any police officer or authorised officer.

CD10 Security, admission

8. Admission shall be refused to any person found with or suspected of carrying or under the influence of drugs or carrying an offensive weapon.

CD11 Security, incidents

9. All staff must report immediately to their manager instances where patrons appear to be in distress.

CD13 Security, staffing

10. Before appointing any person to staff the premises, whether on a permanent, temporary, agency or self-employed basis, the licensee shall require the individual to disclose any unspent criminal convictions. In addition, written references from two different sources must be taken up in each case prior to the individual commencing work.

Public Safety

PS1 Accommodation Limit

11. The maximum number of persons to be accommodated on the premises at any one time shall not exceed 300.

PS3 Alterations

12. No alterations (including temporary alterations) shall be made to the premises without the consent of the Licensing Authority. This condition shall not require notice to be given in respect of routine maintenance works.

13. Where works necessitate the premises being closed for a period of time, the premises shall not reopen for the purpose of the licence without the consent of the Licensing Authority.

PS14 Disabled Persons

14. The premises shall be provided with access, facilities and satisfactory means of escape for disabled persons

Prevention of Public Nuisance

PN1 Conduct of Premises

15. No poster, advertisement, photograph, sketch, synopsis or programme shall be displayed, sold or supplied anywhere by or

on behalf of the licensee which is unsuitable for general exhibition. If the licensee is notified by the Licensing Authority in writing that it objects under this rule to a poster, advertisement, photograph, sketch, synopsis or programme, it shall not be displayed, sold or supplied.

16. The licensee shall ensure that no noise shall emanate from the premises nor vibration be transmitted through the structure of the premises, which gives rise to a nuisance.

17. Clear legible notices are to be displayed at all exits from the premises requesting patrons to respect the needs of local residents and to leave the premises and area quietly.

PN23 Gardens/Outside drinking areas

18. The supply of alcohol in the external drinking area to cease at 23.00 hours Monday to Saturday, and at 22.30 hours on Sundays. A 20 minutes period to be allowed from the end of supply of alcohol in the external drinking area Monday to Sunday, for drinking up/dispersal.

19. The external areas of the premises shall not be used for regulated entertainment.

PN3 Hours of Closing, British Summer Time

20. On the morning that Greenwich Mean Time changes to British Summer Time one hour will be added to the terminal hour of licences having a terminal hour of later than 2am.

PN15 Windows and Doors

21. That all windows remain closed at all times and that all doors remain closed except during access and egress whenever live music or recorded music (other than background) is being played.

Protection of children from harm

CH14 Access for Children to Licensed Premises - General

Public Nuisance

Licensing Act 1964 condition

1. Alcohol shall not be sold or supplied on the premises otherwise than at times that substantial food is available.
2. Suitable beverages other than alcohol (including drinking water) shall be equally available for consumption with or otherwise as an ancillary to food served in the licensed premises

Embedded Conditions Licensing Act 1964

PN16 Permitted Hours, On Licence

3. Alcohol shall not be sold or supplied except during permitted hours.

In this condition, permitted hours means:

Weekdays (other than Christmas Day, Good Friday or New Year's Eve) 10.00am to 11.00pm

Sundays (other than Christmas Day or New Year's Eve) 12 noon to 10.30pm

Good Friday 12 noon to 10.30pm

Christmas Day 12 noon to 3.00pm & 7.00pm to 10.30pm

New Year's Eve, except on a Sunday 10.00am to 11.00pm

New Year's Eve on a Sunday 12 noon to 10.30pm

New Year's Eve: From the end of authorised hours on New Year's Eve to the start of authorised hours on the following day (or, if there are no authorised hours on the following day, midnight on 31st December)

4. Alcohol may be sold or supplied for one hour following the hours set out above and on Christmas day, between 3.00pm and 7.00pm to persons taking table meals in the premises in a part of the premises usually set apart for the service of such persons and for consumption by such a person in that part of the premises as an ancillary to his meal. For other purposes or in other parts of the premises the hours set out above shall continue to apply

The above restrictions do not prohibit:

During the first twenty minutes after the above hours the consumption of the alcohol on the premises;

During the first twenty minutes after the above hours, the taking of the alcohol from the premises unless the alcohol is supplied or taken in an open vessel;

During the first thirty minutes after the above hours the consumption of the alcohol on the premises by persons taking meals there if the alcohol was supplied for consumption as ancillary to the meals;

Consumption of the alcohol on the premises or the taking of sale or supply of alcohol to any person residing in the licensed premises;

the ordering of alcohol to be consumed off the premises, or the despatch by the vendor of the alcohol so ordered;

the sale of alcohol to a trader or club for the purposes of the trade or club;

the sale or supply of alcohol to any canteen or mess, being a canteen in which the sale or supply of alcohol is carried out under the authority of the Secretary of State or an authorised mess of members of Her Majesty's naval, military or air forces;

the taking of alcohol from the premises by a person residing there;

the supply of alcohol for consumption on the premises to any private friends of a person residing there who are bona fide entertained by him at his own expense, or the consumption of alcohol by persons so supplied; or

The supply of alcohol for consumption on the premises to persons employed there for the purposes of the business carried on by the holder of the licence, or the consumption of liquor so supplied, if the liquor is supplied at the expense of their employer or of the person carrying on or in charge of the business on the premises.

Protection of Children from Harm

Embedded Conditions Licensing Act 1964

CH8 Children in Bars

No person under fourteen shall be in the bar of the licensed premises during the permitted hours unless one of the following applies:

- He is the child of the holder of the premises licence.
- He resides in the premises, but is not employed there
- He is in the bar solely for the purpose of passing to or from some part of the premises which is not a bar and to or from which there is no other convenient means of access or egress
- The bar is in railway refreshment rooms or other premises constructed, fitted and intended to be used bona fide for any purpose to which the holding of the licence is ancillary
- In this condition "bar" includes any place exclusively or mainly used for the consumption of intoxicating liquor. But an area is not a bar when it is usual for it to be, and it is, set apart for the service of table meals and alcohol is only sold or supplied to persons as an ancillary to their table meals

Annex 2 - Conditions consistent with the operating Schedule

General

LM3

Licensing Act 2003. Section 177a

The provision of entertainment consisting of the performance of live music and recorded music is not to be regarded as the provision of regulated entertainment provided:

Music takes place on premises which are authorised by a premises licence or club premises certificate to be used for the supply of alcohol for consumption on the premises,

At the time of the music, the premises are open for the purposes of being used for the supply of alcohol for consumption on the premises,

If the music is amplified, it takes place in the presence of an audience of no more than 500 patrons, and

The music takes place between 8am and 11pm on the same day

Any condition of the premises licence or club premises certificate detailed below which relates to live music, recorded music or both does not have effect in relation to the music.

CD26

Restricted use of licence

1. The provision of films, live music, performance of dance and facilities for dancing shall be restricted to the third floor only.

2. The external areas of the premises shall not be used for regulated entertainment.

PN22

Drinking Up / Winding Down Time

Alcohol shall not be sold or supplied to non residents except during authorised hours. The restrictions do not prohibit, during the first thirty minutes after the authorised hours, the consumption of the alcohol on the premises.

Prevention of Crime and Disorder

CD22

Proof of Age Cards

Evidence of age shall be requested from any person appearing to those selling or supplying alcohol to be under the age of 21 and who is attempting to buy alcohol.

Public Safety

CD2

CCTV, Numbers, Siting and maintenance

The CCTV system installed at the premises shall be maintained in effective working order and that all recordings be kept for a minimum of 30 days.

Prevention of Public Nuisance

PN2

Rubbish

The placing of refuse - such as bottles - into receptacles outside the premises shall not take place between 22.00 hours and 07.00 hours.

Protection of Children from Harm

CH5

Entertainment's Unsuitable for Some Audiences

Where age-restricted films classified according to the British Board of Film Classification are exhibited, children below that age will be excluded.

Annex 3 - Conditions attached after a hearing by the licensing authority

Prevention of Crime and Disorder

CD2

CCTV Numbers location and maintenance

A closed-circuit television (CCTV) system shall be installed at the premises. The numbers and position of all cameras shall be agreed with the Metropolitan Police. The position of the cameras shall be noted on a plan of the licensed premises which shall be kept with the licence and provided to the licensing authority.

The CCTV system installed at the premises shall be maintained in effective working order and shall be in operation at all times the premises is open to the public.

All recordings made by the CCTV system shall be retained and stored in a suitable and secure manner for a minimum of 31 days, and shall be made available on request to the Metropolitan Police, the Licensing Authority or other Responsible Authorities.

At all times the premises is open to the public a minimum of one member of staff on duty will be able to operate the CCTV system.

PN41

Dispersal Policy

There shall be a dispersal policy commencing thirty minutes prior to closing, consisting of:

Lowering tempo and volume of music;

Gradually increasing lighting;

Announcing availability of soft-drinks and giving details of in-house taxis; and,

House lights to be switched on ten minutes prior to closing of bar.

The premises licence holder shall take all reasonable steps to ensure that any persons loitering outside the premises disperse quickly and do not congregate.

CD7

Contact Number

The Licensee provides local residents with a landline telephone number at the premises. The telephone number must be manned at all times the premises is open for licensable activity.

CD12

Security,

The Premises Licence holder shall undertake a risk assessment and record the results in writing for any events to be held at the premises and to identify and implement relevant precautionary measures for those events to prevent offensive weapons and drugs entering the premises as may be appropriate in response to each risk assessment.

For any Private Promoted Event (any event including a promotor, Artist, D.J which operates by way of ticket sales, including ticket sales on the door or sold over the internet and Social Media) all persons attending these events shall be searched upon entry. Security wands shall be used in every search.

For any Private Promoted Event as defined by condition CD12 (b) a prominent notice shall be placed within the premises informing persons attending a party booking or similar event of the search policy. Entry will be refused to any person until a search has been undertaken. If drugs or offensive weapons are found that person shall be detailed and the Police called.

For the avoidance of doubt conditions CD12 (b) and CD12 (c) do not apply to the provision of licensable activities which do not constitute a Private Promoted Event.

CD3

Challenge 25 Policy

Notices shall be placed at all points of sale detailing the restrictions on sales of alcohol to children.

A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age-restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal.

The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

An effective methodology shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate refresher

training in relation to undertaking appropriate age checks on such, at least every three months.

Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

Notices shall be placed at the premises' entrance and at all points of sale detailing the restrictions on sales of alcohol to children.

A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal

The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the police

An effective methodology shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential

sales of alcohol (and any age restricted product)

All staff that undertake the sale or supply of alcohol (and any age related product) shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol (and any age restricted product). Refresher training will be carried out at least every three months.

Records of Staff training, relating to the sale or supply of alcohol (and any age restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the police

Lasers

The installation and operation of any laser shall comply with the Health and Safety Executive Guide HS (G) 95 "THE RADIATION SAFETY OF LASERS USED FOR DISPLAY PURPOSES", and the current British Standard.

The safety of the laser installation, including mirrors and mirror balls, shall be checked on a daily basis.

PS134

Motor Vehicles

If it is intended to drive a production line motor vehicle on stage the following precautions must be taken:

The fuel tank should be drained so as to retain only the minimum quantity of combustible fuel necessary for the action.

The fuel cap must be (preferably locked) in place. The fuel tank must not be replenished when the public are on the premises.

A drip tray should be provided under the engine when the vehicle is not in use.

There must be satisfactory storage arrangements for any spare fuel.

Arrangements must be made to minimise the hazards of exhaust fumes.

A duty fire officer must be present near the vehicle whilst it is charged with fuel and the public are on the premises.

PS135

Pyrotechnics

Only pyrotechnics supplied specifically for stage use should be used as part of a stage presentation.

All pyrotechnics are potentially dangerous and must be used strictly in accordance with the manufacturer's instructions.

Pyrotechnics must only be fired from an approved key-protected control/firing box and never directly from the mains electricity supply.

The operator must have a direct view of the pyrotechnic device from the firing point.

The device must not be operated if there is any risk to anyone. In the event of a misfire the circuit should be switched off until after the performance.

Maroons must only be used in suitable bomb tanks.

PS136

Real flame

Real flame will only be permitted on stage if in the opinion of the Licensing Authority it can be used safely.

Real flame must be kept clear of costumes, curtains and drapes.

The lighting and extinguishing of the flame must be supervised by the duty fire officer who must remain where there is a clear view of the flame and easy access to it until it is extinguished.

Candle holders and candelabra must be robustly constructed, not easily overturned and, where practicable, fixed in position.

Hand-held flaming torches should incorporate fail-safe devices so that if a torch is dropped the flame is automatically extinguished. Fail-safe devices should be tested prior to each performance.

PS137

Smoke Machines

Only smoke machines listed on the Licensing Authority's approved list may be used unless sufficient technical information is provided to the Licensing Authority in sufficient time to enable it to determine whether the type of smoke generator proposed is acceptable.

Smoke machines shall be sited and controlled so that they do not obstruct exit routes nor cause a hazard to surrounding curtains or fabrics.

The volume of smoke shall be limited so that it does not seriously affect means of escape nor obscure exit signs. The penetration of smoke into areas where the public are admitted shall be restricted as far as is possible.

Smoke machines shall be operated by a responsible person who shall have received appropriate instruction.

PS139

Strobe Lighting

Where stroboscope lighting units may be viewed directly by members of the public, these units shall be synchronised and locked off to operate at a fixed frequency of less than 5 cycles per second. With regards to Theatrical Productions, the above rule may be relaxed for purely momentary effects.

Warning notices shall be displayed stating that strobe lights operate as part of the effects on these premises. These notices should be displayed at the main entrance or within the foyer for members of the public to read before entering.

Scenery And Properties

PS140

Properties and Furnishings

As a general rule hand-held properties and antique furnishings will be permitted without fire retardancy treatment where the stage action does not involve the use of naked flame or smoking. However the Licensing Authority will generally apply the same standards as apply to stage scenery to large properties, large quantities of furnishings and to items especially constructed for the stage presentation. New soft furnishings, curtains and drapes must be maintained flame resisting.

PS141

Scenery & Properties

At least 14 days' notice shall be given to the Licensing Authority of any proposal to use scenery or properties and such

notification to include fire safety information.

Scenery and properties shall only be stored in approved areas and where permitted to be stored on the stage shall be limited to the approved amounts.

The doors to any scenery store shall be kept closed during performances.

The scenery and properties used on an open stage shall be restricted to that of the actual production. No other storage shall be permitted in the stage area.

PS142

Stage Scenery

All scenery used on stage including cloths, drapes, gauze's, artificial plants and foliage and fabric decorations must be maintained flame retardant.

As a minimum standard all fabrics must be treated flame retardant and all plywood, hardboard, etc. under 6mm thick be pressure impregnated to provide at least class 2 surface spread of flame when tested in accordance with current British Standard

The use of plastics or polystyrene must be avoided whenever possible. Decorative items such as statues made of expanded polystyrene should be enclosed by a non-combustible skin of e.g. plaster and care taken that this skin is maintained undamaged.

On an open stage or platform scenery made of the following materials may be used subject to any condition the Licensing Authority may impose in any particular case:

Non-combustible material;

Inherently flame-retardant material;

Timber hardboard or plywood rendered flame-resistant by a process of impregnation accepted by the Licensing Authority;

Timber framing of minimal 22mm nominal thickness;

Durably-treated flame-retardant fabric;

Blockboard, Medium Density Fibreboard (MDF), plywood, chipboard not less than 18mm in thickness;

Subject to special consideration plastics material acceptable to the Licensing Authority;

Fabrics rendered and maintained non-flammable to the Licensing Authority's satisfaction by a non-durable process.

Performances On A Stage

PS143

Dressing Rooms, Retiring and Staff Rooms

The number of performers shall not exceed the number for which, in the opinion of the Licensing Authority, the dressing rooms, staff room and retiring-room accommodation are adequate

Temporary dressing rooms shall not be provided except with the consent of the Licensing Authority.

Quick-change arrangements, which affect the means of escape or fire fighting arrangements, shall only be made with the consent of the Licensing Authority.

PS144

Exits From Stage Area

Exits shall be so arranged so as to afford ready means of escape from all parts of the stage area

PS145

Fire Duties: Stages

At least one member staff shall be adequately trained by a recognised authority in fire-prevention and extinction. Such person shall act as duty fire officer and shall not be engaged in other duties that conflict with this primary duty and shall be readily identifiable and distinguishable from other members of staff. Additional trained staff shall be employed if for any reason the Licensing Authority considers it necessary.

PS146

Lighting of Stage Portion

In any premises containing a stage, and in such other premises as the Licensing Authority may determine, electric light shall be the only illuminant provided on the stage or platform and in the stage basements, the flies, property rooms and scene stores

PS147

Projector Lamps in Auditorium

Any lantern or other lighting apparatus installed in the auditorium for stage illumination or special effects shall be enclosed to the Licensing Authority's satisfaction

PS148

Safety Curtain

The proscenium opening shall be provided with a safety curtain

PS149

Safety Curtain

Safety curtains shall be tested immediately before or during each performance.

The plane of descent of the safety curtain shall be kept clear and unobstructed at all times.

Except with the consent of the Licensing Authority, scenery or property shall not be placed on the auditorium side of the safety curtain.

In the event of the safety curtain being out of order the licensee shall as soon as possible notify the Licensing Authority.

PS150

Scenery Suspension

The means of suspension for scenery shall be to the Licensing Authority's satisfaction as regards loading, position, control and guarding of mechanism and cables. The construction shall so far as practicable be non-combustible

PS151

Separation of Stage Area from Remainder of Premises

The stage area in premises designed or arranged for entertainment involving the use of scenery fabricated from materials other than those which the Licensing Authority accepts for use on open stages shall, except for the proscenium opening, be enclosed and separated from the auditorium and from the remainder of the premises

PS152

Separation of Workshops

Any workshops, scene store, property store, wardrobe or painting room shall be separated from the stage and from the remainder of the premises to the Licensing Authority's satisfaction

PS153

Smoke Outlets over the Stage

Provision shall be made to the Licensing Authority's satisfaction for an outlet at high level over the stage, of sufficient area to allow the escape of smoke and hot gases in the event of fire in the stage area

PS154

Smoking

Smoking shall be strictly prohibited within any stage area (other than as part of the action of the performance). Notices prohibiting smoking shall be prominently displayed.

PS155

Stage Construction and Arrangements

The Stage shall be so constructed and arranged as to minimise the risk of fire

PS156

Stage Ventilation

Stage ventilators, drenchers and their release points shall be maintained and Drenchers unobstructed and in good working order. The moving parts of any smoke ventilators over the stage shall be tested periodically.

10. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol shall be made to or for that person.
11. In the event that an employee suspects that a person attempting to purchase alcohol is under the age of 25, is a street drinker or is attempting a proxy purchase they shall immediately call the duty manager. The duty manager shall make appropriate enquiries and shall determine whether the sale should be permitted.
12. Challenge 25 posters shall be displayed in prominent positions at the premises.
13. An automated till prompt shall be set up so that the operator has to positively confirm that Challenge 25 has been complied with when the first item of alcohol has been scanned.

Annex 2 - Conditions consistent with the operating schedule

The prevention of crime & disorder

CCTV Numbers location and maintenance

1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Wandsworth Police Licensing Team where/when appropriate. For all commercial premises, all entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31-day period.

2. A staff member from the premises who is conversant with the operation of the CCTV shall be on the premises at all times when the premises are open to the public. This staff member shall be able to show Police recent data or footage with the absolute minimum of delay when requested.

Security/Incidents

3. An incident log shall be kept at the premises and made available on request to an authorised officer of the Council or the Police, which will record the following:

- a) All crimes reported to the venue;
- b) All ejections of patrons;
- c) Any complaints received concerning crime and disorder;
- d) Any incidents of disorder;
- e) All seizures of drugs or offensive weapons;
- f) Any refusal of sale of alcohol.

Public Safety

Charge of Licensed Premises/Duty Manager

4. The approved arrangements at the premises, including means of escape provisions, emergency warning equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.

5. The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the plans provided.

6. All emergency exit doors shall be available at all material times without the use of a key, code, card or similar means.

7. All emergency doors shall be maintained effectively self-closing and not held open other than by an approved device.

8. The edges of the treads of steps and stairways shall be maintained so as to be conspicuous.

9. Curtains and hangings shall be arranged so as not to obstruct emergency safety signs or emergency equipment.

The prevention of public nuisance

Conduct of Premises

10. Substantial food and non-intoxicating beverages, including drinking water, shall be available in all parts of the premises where alcohol is sold or supplied for consumption on the premises.

11. No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.

12. No fumes, steam or odours shall be emitted from the licenced premises so as to cause a nuisance to any persons living or carrying on business in the area where the premises are situated.

Rubbish/Waste

13. All waste shall be properly presented and placed out for collection no earlier than 30 minutes before collection times.

Litter

14. During the hours of operation, the licence holder shall ensure sufficient measures are in place to remove and prevent litter or waste arising or accumulating from customers in the area immediately outside the premises, and that this area shall be

swept and or washed and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business.

Noise, Sound Limiting Device

15. Save for within residential premises, a noise limiter must be fitted to the musical amplification system set at a level determined by a suitably qualified acoustic expert, so as to ensure that no noise nuisance is caused to local residents or businesses. The operational panel of the noise limiter shall then be secured by key or password and access shall only be by persons authorised by the Premises Licence Holder. The limiter shall not be altered without prior agreement of the acoustic expert. No alteration or modification to any existing sound system(s) should be effected without prior knowledge of an authorised officer or the acoustic expert. No additional sound generating equipment shall be used on the premises without being routed through the sound limiter device.

Gardens/External areas

16. There shall be no licensable activities in the external areas after 23.00 hours Monday to Saturday and 22.30 hours on Sundays.

Smoking Area

17. The premises licence holder shall ensure that any patrons smoking outside the premises do so on an orderly manner so as to ensure that there is no public nuisance or obstruction of the public highway.

18. Notices shall be prominently displayed at any public area used for smoking requesting patrons to respect the needs of local residents and use the area quietly.

Notices/contact number

19. Notices shall be prominently displayed at all main exits into the lobby areas requesting patrons to respect the needs of local residents and to leave the area quietly.

20. A direct telephone number for the manager at the premises shall be publicly available at all times when licensable activities are provided. This telephone number is to be advertised by way of notice on the main noticeboard for the premises.

Entry to Premises

21. After midnight Sunday to Thursday and 2am Friday Night/Saturday Morning and Saturday Night/Sunday Morning, all access to the Ground Floor licensed areas, by members of the public, shall be via the communal building lobby, or such other area as agreed.

The protection of children from harm

Challenge 25 Policy

22. Evidence of age in the form of photo identification shall be requested from any person appearing to those selling or supplying alcohol, to be under the age of 25 and attempting to buy alcohol. Examples of appropriate photo identification include a passport, driving licence, and the Proof of Age Standards Scheme (PASS) approved age card.

23. A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age-restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal.

24. The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

25. An effective visual (and/or aural) reminder shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

26. Notices shall be placed at all points of sale detailing the restrictions on sales of alcohol to children.

27. All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol (and any other age-restricted product). Refresher training will be carried out at least every three months.

28. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

29. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

30. Counter Terrorism Awareness Training

All members of customer facing staff, will be provided with basic Counter Terrorism Awareness Training by the Premises Licence Holder. Such training is available at <https://www.gov.uk/government/news/act-awareness-elearning> or via the local Counter Terrorism Protect Officer (CTPO)

Accommodation Limit

The maximum number of persons to be accommodated in the rear function hall at any one time shall not exceed 200.

PS8

Charge of Licensed Premises

The duty manager shall be familiar with all licence conditions.

The duty manager shall not engage in any duties, which will prevent general supervision of the premises. The duty manager shall whenever necessary be assisted by suitable adults.

Before admitting the public the duty manager shall carry out all necessary safety checks as identified by the health and safety risk assessment for the premises/activity.

The duty manager shall maintain good order at the premises

A competent person shall be in charge of the electrical or other installation whilst the public are on the premises.

PS18

Overcrowding

Overcrowding shall not be permitted in any part of the premises.

The licensee shall maintain a register indicating the numbers of staff who are on duty at all material times in the area where entertainment is provided. This register shall be produced immediately on the request of a police officer or an authorised officer.

The licensee shall ensure that the accommodation limit specified on the licence is not exceeded and shall at all material times be aware of the number of patrons on the premises. This information shall immediately be provided on request to a police officer or authorised officers when they have reasonable cause for suspecting the accommodation limit may be exceeded.

PS20

Prohibition on use (Hypnotism, Mesmerism)

No person shall give at the premises any exhibition, demonstration or performance of hypnotism, mesmerism or any similar act or process which produces or is intended to produce in any other person any form of induced sleep or trance in which susceptibility of the mind of that person to suggestion or direction is increased or intended to be increased.

NOTE: This rule does not apply to exhibitions given under the provisions of Section 2(1a) and 5 of the Hypnotism Act 1952.

The prevention of public nuisance

PN1

Conduct of Premises

No poster, advertisement, photograph, sketch, synopsis or programme shall be displayed, sold or supplied anywhere by or on behalf of the licensee which is unsuitable for general exhibition. If the licensee is notified by the Licensing Authority in writing that it objects under this rule to a poster, advertisement, photograph, sketch, synopsis or programme, it shall not be displayed, sold or supplied.

The licensee shall ensure that no noise shall emanate from the premises nor vibration be transmitted through the structure of the premises, which gives rise to a nuisance.

Clear legible notices are to be displayed at all exits from the premises requesting patrons to respect the needs of local residents and to leave the premises and area quietly.

PN3

Hours of Closing, British Summer Time

On the morning that Greenwich Mean Time changes to British Summer Time one hour will be added to the terminal hour of licences having a terminal hour of later than 2am.

PN6

All windows remain closed at all times and all doors (other than those referred to in PS24) above, remain closed except during access and egress whenever the premises are used for regulated entertainment.

The protection of children from harm

CH1

Entertainment for Children

Entertainment specially presented for children shall not be given for children without the Licensing Authority's consent. At least 14 day's notice shall be given to the Licensing Authority of any intention to provide such entertainment in premises not normally used for children's entertainment.

CH2

Entertainment for Children

During the whole time that performances are specially presented for children a member of staff shall be stationed in the vicinity of each exit from any level occupied by children provided that on each level the minimum number of staff on duty shall be:

Lowest level - 1 member of staff per 100 children or part thereof

All other levels - 1 member of staff per 50 children or part thereof

CH3

Entertainment for Children

No child unless accompanied by an adult shall be permitted in the front row of any balcony.

CH4

Entertainment for Children

If children take part in any entertainment the consent of the relevant Education Authorities will be needed.

CH5

Entertainment's Unsuitable for Some Audiences

When any television entertainment or part of such entertainment is described by the broadcasting authority in advance of the day on which it is to be broadcast as unsuitable for viewing by any particular group of persons, a notice to that effect, indicating the group of persons concerned, shall be displayed in a conspicuous position to the satisfaction of the Licensing Authority at each entrance to the premises.

CH6

Entertainment's Unsuitable for Some Audiences

Unless the consent of the Licensing Authority has been obtained no such entertainment shall be given on the premises during the time any child under or appearing to be under the age of 16 is therein unless the child is accompanied by an adult person bona-fide in charge of the child.

CH7

Prohibition on use (sexual Nature)

Any condition of the premises licence or club premises certificate detailed below which relates to live music, recorded music or both does not have effect in relation to the music.

Crime & Disorder

CD3

Door Supervisors

That adequate numbers of Security Industry Authority registered Door Supervisors be employed on the premises from 21.00 hours on Friday and Saturday nights but shall be a minimum of 2.

CD4

Latest Admission

That there shall be no admission or re-admission of patrons to the premises after 24.00 hours (midnight) unless the patrons are ticket holders or the patrons names are included on a guest list.

CD8

Promoters

The licensee shall be responsible for ensuring that any promoter using the premises shall use only staff, including door supervisors, employed by the licensee unless the prior approval of the Licensing Authority has been obtained.

CD9

Responsibility of Licensee

No soliciting for custom, including the distribution of leaflets, shall take place from the premises, immediately outside the Premises or in the vicinity of the premises.

Where a licence has been granted to a company, the licensee must appoint a duty manager or duty managers who shall be in charge of and upon the premises at all material times. In such cases, the licensee shall notify the Licensing Authority of the names of those persons appointed duty managers. In addition, a copy of the written authorisation must be kept on the premises and be readily available for inspection by any police officer or authorised officer.

CD10

Security, admission

Admission shall be refused to any person found with or suspected of carrying or under the influence of drugs or carrying an offensive weapon.

CD11

Security, incidents

All staff must report immediately to their manager instances where patrons appear to be in distress.

Public Safety (including Fire Safety)

General

PS1

Accommodation Limit

The maximum number of persons to be accommodated on the premises at any one time shall not exceed 250

PS3

Alterations

No alterations (including temporary alterations) shall be made to the premises without the consent of the Licensing Authority.

This condition shall not require notice to be given in respect of routine maintenance works.

Where works necessitate the premises being closed for a period of time, the premises shall not reopen for the purpose of the licence without the consent of the Licensing Authority.

PS4

Animals, etc

A minimum of 14 days' notice in writing shall be given to the Licensing Authority of any intention to use any live animal, bird or fish in a performance on the premises.

PS5

Attendants

During the whole time members of the public are present on the premises there shall be a sufficient number of competent adult staff. These staff shall have been specially instructed by the licensee or person nominated by him as to their duties in the event of an emergency. The instruction given to staff shall include training on the avoidance of panic and the safe evacuation of the premises.

Such staff shall not be engaged in any duties, which:

would hinder the prompt discharge of their duties in the event of any emergency

entail their absence from that floor, tier, or auditorium where they are on duty.

Such staff shall not be engaged in any sales duties, which involve the use of trays or similar equipment when the normal lighting is dimmed or extinguished.

PS7

Change of Use

The use of the premises for which a licence has been granted shall not be changed without the consent of the Licensing Authority

PS8

Charge of Licensed Premises

The duty manager shall be familiar with all licence conditions.

The duty manager shall not engage in any duties, which will prevent general supervision of the premises. The duty manager shall whenever necessary be assisted by suitable adults.

Before admitting the public the duty manager shall carry out all necessary safety checks as identified by the health and safety risk assessment for the premises/activity.

The duty manager shall maintain good order at the premises

A competent person shall be in charge of the electrical or other installation whilst the public are on the premises.

PS9

Cleanliness of Premises

All parts of the premises shall be kept in a clean condition.

PS10

Compressed Gases and Liquids

Cylinders for the storage of compressed air, oxygen, or other gases or liquids under pressure shall not be used except with the consent of the Licensing Authority. At least 14 days' notice in writing shall be given to the Licensing Authority of any proposal to use such apparatus.

PS11

Construction of Premises

The construction of the premises shall be such as to minimise the risk of fire involving the structure. This can be achieved by adopting methods of construction, which comply with the minimum requirements of the current Building Regulations

PS12

Dancing

Dancing shall be restricted to the areas approved for that purpose.

PS13

Dangerous Performances

Performances involving danger or risk to the public shall not be given.

PS14

Disabled Persons

The premises shall be provided with access, facilities and satisfactory means of escape for disabled persons

PS15

Frontages

The premises shall abut upon and have such frontage to a street, way, or open space having direct access to a street as the Licensing Authority shall approve as sufficient to ensure the rapid dispersal of persons from the premises in the event of fire and to afford satisfactory access and working space for fire appliances

PS17

Maintenance and Testing

The approved arrangements at the premises, including means of escape Testing provisions, fire warning and fire fighting equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.

PS18

Overcrowding

Overcrowding shall not be permitted in any part of the premises.

The licensee shall maintain a register indicating the numbers of staff who are on duty at all material times in the area where entertainment is provided. This register shall be produced immediately on the request of a police officer or an authorised officer.

The licensee shall ensure that the accommodation limit specified on the licence is not exceeded and shall at all material times be aware of the number of patrons on the premises. This information shall immediately be provided on request to a police officer or authorised officers when they have reasonable cause for suspecting the accommodation limit may be exceeded.

PS19

Pop Concerts

Entertainment commonly known as a pop concert shall not be given without the Licensing Authority's consent. At least one month's notice shall be given in the event of any intention to use the premises for a pop concert. The application shall give the names of the groups or artists booked to appear (if known) together with an indication of the age and profile of the audience

the entertainment is expected to attract.

PS20

Prohibition on use (Hypnotism, Mesmerism)

No person shall give at the premises any exhibition, demonstration or performance of hypnotism, mesmerism or any similar act or process which produces or is intended to produce in any other person any form of induced sleep or trance in which susceptibility of the mind of that person to suggestion or direction is increased or intended to be increased.

NOTE: This rule does not apply to exhibitions given under the provisions of Section 2(1a) and 5 of the Hypnotism Act 1952.

Emergency Arrangements & Fire Safety

PS23

Curtains, Hangings, Upholstery, Decorations etc

Applications for consent to use curtains and hangings shall be made in writing and shall be accompanied by full details including a certificate in respect of fire-retardancy issued by a recognised laboratory e.g. one accredited by UKAS.

Only hangings, curtains, upholstery and temporary decorations complying with the relevant British (or where appropriate European) Standard shall be used. Where necessary these shall be periodically tested for flame resistance and re-treated as necessary to the satisfaction of the Licensing Authority.

In the case of temporary decorations a statement must be provided advising the period it is desired to retain the decorations.

Curtains and hangings shall be arranged so as not to obstruct fire safety signs, fire extinguishers or other fire fighting equipment.

Curtains across doors shall be hung in two halves on a free running rail to enable them to be parted easily. Such curtains shall have a clearance of at least 25mm between the bottom of the curtain and the floor.

Application for consent for all upholstery (whether provided new or second-hand) shall be made in writing and shall be accompanied by full details, including a certificate in respect of fire-retardancy issued by a recognised laboratory e.g. one accredited by UKAS showing that the upholstery composite of each item has been tested.

PS24

Doors & Fastenings

Any exit door or gate shall open in the direction of escape and shall be hung so as not to obstruct, when open, any gangway, passage staircase or landing. Such door or gate shall be free from fastening other than panic bolts or such fastening as may be approved by the Licensing Authority. Panic bolts shall be of the type and pattern and installed in accordance with the appropriate British Standard

PS25

Escape Routes Separation & Enclosures

The means of escape from the premises shall be enclosed and protected against the action of fire and portions of the premises considered by the Licensing Authority to constitute or contain a particular fire risk shall be separated from the remainder of the premises to the Licensing Authority's satisfaction.

PS26

Exit Notices

All exit notices required by the Licensing Authority shall be provided with adequate means of illumination from each system of lighting or shall be of the self-luminous type

PS27

Exits

All means of egress approved by the Licensing Authority shall be clearly indicated

PS28

Fire Alarms

A fire alarm system shall be installed throughout the premises to the satisfaction of the Licensing Authority

Any fire alarm system shall be maintained in satisfactory working order. The system shall be maintained and serviced in accordance with the current British Standard and tested regularly in accordance with conditions imposed by the Licensing Authority. All checks, tests and defects shall be recorded in the logbook.

PS29

Fire Appliance

The approved fire appliances shall be kept in the approved positions and be maintained in satisfactory working order so as to be available for instant use.

Portable fire appliances shall be inspected at least once a year in accordance with the relevant British Standard and the date of the inspection clearly marked on the appliance or on a stout tab securely attached to it. Extinguishers shall be inspected and recharged in compliance with the manufacturer's instructions.

Any hydraulic hose reels shall be inspected once a year to ensure that they are in working order and the date of the inspection clearly marked on the appliance or recorded in a log book.

Any drenchers or sprinklers shall be inspected once a year to ensure that they are in working order and the date of the inspection clearly marked on the appliance or recorded in a log book.

PS30

Fire Appliances & Equipment

Fire appliances and equipment for the protection of the premises shall be provided to the Licensing Authority's satisfaction

PS31

Fire Duties

All parts of the premises shall be inspected by an appropriately trained member of staff at the end of every event/performance in order to ensure no fire exists and to identify any possible fire risk.

PS32

Fire Duties, Emergency Procedures

Particulars of the emergency procedures shall be posted in areas approved by the Licensing Authority. These notices shall be framed and glazed or otherwise suitably protected against loss or defacement.

Particulars of the duties of staff with specific responsibilities in the case of fire and other emergency shall be reviewed from time to time as changes in staff or other circumstances shall require.

PS33

Fire Duties, Fire Drill

A fire drill and/or emergency procedure instruction shall be held at least once a month (or more frequently if required by the Licensing Authority) under the direction of the duty manager.

PS34

Fire Duties' Logbook

The licensee shall ensure that a logbook is kept to record the holding of the fire drills and the carrying out of checks. The licensee or duty manager shall initial the logbook weekly and the book shall be open to inspection at any reasonable time by authorised officers.

PS35

Fire Safety, General Arrangements

The general arrangements of the premises shall be such as the Licensing Authority considers satisfactory to facilitate the safe and orderly evacuation of all persons therein accommodated in the event of fire.

PS36

Fire Safety, Separation

The premises shall be separated, to the satisfaction of the Licensing Authority, from any other building or from any other portion of the building in which the premises are situated or from any adjoining fire risk

PS37

Means of Escape

Exits shall be provided and so arranged as to afford ready means of escape from all parts of the premises

The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the approved arrangements.

In restaurants and other premises where chairs and tables are provided clear gangways shall be provided in accordance with the approved arrangements.

No changes shall be made to the approved layout of the premises without the consent of the Licensing Authority.

All exit doors shall be available at all material times without the use of a key, code, card or similar means. The Licensing Authority must approve any fastenings or electrically controlled locks.

The means of escape must always be sufficient for the total number of persons present, Where there are an unusually large number of performers the Licensing Authority must be consulted.

Any approved removable security fastenings shall be removed from the doors prior to opening the premises to the public. All such fastenings shall be kept in an approved position.

All fire doors shall be maintained effectively self closing and not held open other than by an approved device.

Fire resisting doors to ducts, service shafts and cupboards shall be kept locked shut.

The edges of the treads of steps and stairways shall be maintained so as to be conspicuous.

PS38

Medical and First Aid Provision

The licensee shall keep a record to confirm the attendance of the paramedic or trained first aiders and must log any assistance given. This record must be made available to authorised officers on request.

All those responsible for first aid shall have special instructions on drug related problems and how to recognise and tackle, in particular, dehydration, heat stroke, anxiety and paranoia. This training shall also be given to all persons expected to staff the toilet areas.

PS40

Medical and First Aid Provision

A minimum of 2 persons trained in first aid must be in attendance at all times whilst the premises are open. Re-training of first aiders must take place every three years.

PS41

Outbreaks of Fire

The Fire Brigade shall be called at once to any outbreak or suspected outbreak of fire, however slight, and details thereof shall be recorded in a logbook. All staff employed in the sale of alcohol shall be trained in respect of the law relating to the sale of alcohol, the company's proof of age policy and the procedure on handling and recording refusals. Training must be documented and details made available upon request by the police, trading standards officers and licensing officers.
13. All staff that undertake the sale or supply of alcohol shall receive appropriate refresher training in relation to undertaking appropriate age checks on such, at least every three months.
14. Records of all staff training, relating to the sale or supply of alcohol, along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.
15. A refusals book to record every instance that sales of alcohol are refused shall be maintained.
16. The refusals book shall document the date and time a refusal of sale is made and the member of staff refusing the sale.

17. All deliveries shall be made by a reputable courier who has a relevant age verification process or the premises Licence holder, or a direct employee of the Premises Licence holder.

18. Where deliveries are made by the Premises Licence holder, or a direct employee of the Premises Licence holder, the person making the delivery shall carry a book, or other form of record, in which they shall record the date, time and circumstances under which any challenge is made in accordance with the "Challenge 25" scheme. This record, a version of which must be kept in English, shall be made available for inspection by any police, community support or authorised council officer upon demand. The Designated Premises Supervisor shall frequently check the record to ensure all staff are using it and shall sign and date it immediately after the latest entry as a record of doing so.

19. The licence holder shall ensure that anyone utilised by the licence holder for the role of delivering alcohol orders ensures that the alcohol is delivered to the client who ordered the alcohol, or ensures that any 'safe place' as designated by the client where the delivery can be left must be in an area not visible to the general public and not where any minor can access the delivery.

15. The external seating areas shall be cleared of customers by 22:00 hours Monday to Saturdays.
16. The external seating areas shall be cleared of customers at 21:00 hours Sundays.
17. No glass or glass bottles shall be permitted in the external seating areas.
18. Patrons permitted to temporarily leave and then re-enter the premises, e.g. to smoke, vape or make a phone call, shall not be permitted to take alcoholic beverages with them.

Welfare and Vulnerability Engagement

19. All members of customer facing staff including SIA (if employed) and those involved in the sale of alcohol will be provided with Welfare and Vulnerability Engagement (WAVE) training to provide those working in the licensed industry with an awareness of vulnerability and their responsibilities towards people visiting their premises.

Counter Terrorism Awareness Training

20. All members of customer facing staff, including those involved in the sale or supply of alcohol will be provided with basic Counter Terrorism Awareness Training by the Premises Licence Holder. Such training is available at <https://www.gov.uk/government/news/act-awareness-learning> or via the local Counter Terrorism Protect Officer (CTPO). Duty managers will have access to the ProtectUK app/protect UK when on duty at the site; both of which provide Counter Terrorism advice and guidance. See below links; London Shield - apps on Google play and London Shield on the app store (apple.com).

Cleaning Up and Winding Down

21. The premises shall begin cleaning up and winding down 30 minutes earlier than closing time.

Challenge 25

22. Evidence of age in the form of photo identification shall be requested from any person appearing to those selling or supplying alcohol, to be under the age of 25 and attempting to buy alcohol. Examples of appropriate photo identification include a passport, driving licence, and the Proof of Age Standards Scheme (PASS) approved age card.

23. Notices shall be placed at all points of sale detailing the restrictions on sales of alcohol to children.

24. A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age-restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal.

25. The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

26. An effective visual (and/or aural) reminder shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age restricted product).

27. All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol (and any other age restricted product). Refresher training will be carried out at least every three months.

28. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

29. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

Challenge 25 Policy

Where sales are made and fulfilled by Amazon, their age restriction policy shall be adhered to.

Where alcohol is offered for sale and delivery on the company's website, the following shall apply:

A Challenge 25 age verification scheme shall be operated, in that customers who appear to be under the age of 25 years shall be required to produce a valid form of identification to show they are at least 18 years of age before any alcohol is delivered to them.

Acceptable forms of ID shall be stated in the age verification policy, but may include passport, UK photo driving licence, military id card, proof of age card bearing the PASS hologram logo.

There shall be a statement on the premises licence holder's website before point of order stating "You must be 18 years old or over to purchase alcohol from this website. Be aware that purchases of alcohol are subject to a 'Challenge 25' age verification scheme. It is a criminal offence for anyone under the age of 18 to buy or attempt to buy alcohol, and for anyone buying or attempting to buy alcohol for persons under the age of 18. All purchases and attempted purchases are recorded"

All staff employed in the sale of alcohol shall be trained in respect of the law relating to the sale of alcohol, the company's proof of age policy and the procedure on handling and recording refusals. Training must be documented and details made available upon request by the police, trading standards officers and licensing officers. Training shall be reviewed and updated on an annual basis.

A refusals book to record every instance that sales of alcohol are refused shall be maintained.

The refusals book shall document the date and time a refusal of sale is made and the member of staff refusing the sale.

All deliveries will be made by a reputable courier who has a relevant age verification process or the premises Licence holder, or a direct employee of the Premises Licence holder.

Where deliveries are made by the Premises Licence holder, or a direct employee of the Premises Licence holder, the person making the delivery shall carry a book, or other form of record, in which they shall record the date, time and circumstances under which any challenge is made in accordance with the "Challenge 25" scheme. This record, a version of which must be kept in English, shall be made available for inspection by any police, community support or authorised council officer upon demand. The Designated Premises Supervisor shall frequently check the record to ensure all staff are using it and shall sign and date it immediately after the latest entry as a record of doing so.

6. A staff member from the premises who is conversant with the operation of the CCTV shall be on the premises at all times when the premises are open to the public. This staff member shall be able to show Police recent data or footage with the absolute minimum of delay when requested.

CD11 Security Incidents

7. A log shall be kept at the premises, and made available on request to Responsible Authority officers, which will record the following:

- a. All crimes reported to the venue;
- b. All ejections of patrons;
- c. Any complaints received concerning crime and disorder;
- d. Any incidents of disorder;
- e. All seizures of drugs or offensive weapons;
- f. Any faults in the CCTV system;
- g. Any refusal of the sale of alcohol, indicating the date and time the refusal was made and the member of staff who made the refusal; and
- h. Any visit by a relevant authority, police service, ambulance service or fire brigade

Counter Terrorism Awareness Training

8. All members of customer facing staff, will be provided with basic Counter Terrorism Awareness Training by the Premises Licence Holder. Such training is available at <https://www.gov.uk/government/news/act-awareness-elearning> or via the local Counter Terrorism Protect Officer (CTPO) Duty managers will have access to the ProtectUK App | ProtectUK when on duty at the site. Both of which provide Counter Terrorism advice and guidance. See below links; London Shield - Apps on Google Play London Shield on the App Store (apple.com)

PS8 Charge of Licensed Premises/Duty Manager

9. The approved arrangements at the premises, including means of escape provisions, emergency warning equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.

10. The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the plans provided.

11. All emergency exit doors shall be available at all material times without the use of a key, code, card or similar means.

12. All emergency doors shall be maintained effectively self-closing and not held open other than by an approved device.

13. The edges of the treads of steps and stairways shall be maintained so as to be conspicuous.

14. Curtains and hangings shall be arranged so as not to obstruct emergency safety signs or emergency equipment.

PS166 Event Specific Management Document (ESMD)

15. For all events, an Event Specific Management Document (ESMD) shall be completed. Where an event is considered at elevated risk, i.e. by virtue of its size, nature or user group, then there should be engagement with MPS - South West Basic

Command Unit (SW BCU) as to whether a Safety Advisor Group (SAG) should be convened. This engagement should take place at least 28 days before the event is scheduled to take place.

16. All events will have a full risk assessment, taking into consideration the terrorist threat. Where required by the risk assessment or the police Hostile Vehicle Mitigation (HVM provision) will be in operation and fully functional, with appropriate traffic management plans in place for all events. Where required by the risk assessment or the police regular weapons sweeps will take place undertaken by SIA Security before, prior, during and post egress.

PN1 Conduct of Premises

17. Notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and residents of the hotel and to leave the area quietly.

18. After midnight Sunday to Thursday and 2am Friday night/Saturday morning and Saturday night/Sunday morning, all access to the River Tower ground floor by members of the public shall be via the hotel lobby, or such other area as agreed.

PN2 Rubbish

19. All waste shall be properly presented and placed out for collection no earlier than 30 minutes before collection times.

PN8 Noise, Sound Limiting Device

20. The music amplification system in the hotel shall be capable of being limited by the Premises Licence Holder and the said limit shall be imposed in consultation with an acoustician registered with the Institute of Acoustics.

CD42 Challenge 25 Policy

21. Evidence of age in the form of photo identification shall be requested from any person appearing to those selling or supplying alcohol, to be under the age of 25 and attempting to buy alcohol. Examples of appropriate photo identification include a passport, driving licence, and the Proof of Age Standards Scheme (PASS) approved age card.

22. A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age-restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal.

23. The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

24. An effective methodology shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

25. All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol (and any other age-restricted product). Refresher training will be carried out at least every three months.

26. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

27. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police

28. Notices shall be placed at all points of sale detailing the restrictions on sales of alcohol to children.

5. The delivery of alcohol shall be made only to a residential or business address which the customer uses in a residential or official capacity. The delivery of alcohol shall not be made or completed in a public place (street corner, park, bus stop, etc.)
6. All supply of alcohol will be in a sealed can/bottle/vessel/container.
7. The premises will not stock, display or sell any lager, beer, cider or perry products with an ABV content above 5.5%. The premises will not sell any single cans of lager, beer or cider. The restriction shall not apply to premium products such as craft or speciality beer, lager or cider.
8. Delivery drivers shall be given clear, written instructions to use their vehicles in a responsible manner so as not to cause a nuisance to any residents or generally outside the license premises; not to leave engines running when the vehicles are parked; and not to obstruct the highway.

Challenge 25

9. Evidence of age in the form of photo identification shall be requested before the alcohol is handed over, from any recipient of a delivery of alcohol appearing to those undertaking that delivery, to be under the age of 25. This challenge will be made by the person making the delivery. Examples of appropriate photo identification include a passport, driving licence, and the Proof of Age Standards Scheme (PASS) approved age card.
10. A record of refusals shall be maintained which documents every instance that a sale or supply of alcohol is refused, indicating the date and time the refusal was made, and the member of staff making the refusal.
11. The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.
12. All staff that undertake the sale or supply of alcohol shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol. Refresher training will be carried out at least every three months.
13. Records of all staff training, relating to the sale or supply of alcohol, along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.
14. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.
15. Deliveries will only be carried out by persons over the age of 18.
