A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age-restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal.

The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

An effective methodology shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

6. All staff that undertake the sale or supply of alcohol (and any other age restricted product) shall receive appropriate training in relation to undertaking appropriate age checks on such before being allowed to sell or supply any alcohol (and any other age restricted product). Refresher training will be carried out at least every three months.

7. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises

Supervisor or the Premises Licence Holder.

8. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

PS104

Wiring in Lift and Ventilation Shafts

Lift shafts and ventilation ducts shall not be used as cable ways

Certificates

PS105

Certificates

The certificates listed below shall be submitted to the Licensing Authority as specified:-

Batteries

A certificate shall be submitted at least once every six months covering all escape lighting batteries (including any self-contained units) and associated control equipment.

Electrical Installation

A certificate shall be submitted at least once a year covering the entire electrical installation (including the escape lighting installation). In large or complex premises the electrical installation shall be visually inspected once a year and at least 20% of the installation tested in accordance with a programme agreed with the Licensing Authority such that the whole installation is tested every five years. The certificate shall be signed by a Corporate Member of the Institution of Electrical Engineers or a member of the Electrical Contractors Association or by a contractor currently enrolled with the National Inspection Licensing Authority for Electrical Installation Contracting or, with the approval of the Licensing Authority, another competent person.

Boilers and Calorifiers

A certificate of thorough examination and test by a boiler insurance company shall be submitted before any new boiler or calorifier is put into service. A certificate of thorough examination and test by a boiler insurance company shall be submitted thereafter at periods not exceeding:

For any steam boiler - one year

For any electrode boiler working on a closed water system - three years

For any calorifier incorporating a steam receiver - two years

Ceilings

A certificate shall be submitted at least once every three years (or at shorter intervals if required by the Licensing Authority) covering ceilings and ornamental plasterwork in those parts of the premises to which the public are admitted.

Fire Alarms

A certificate from a fire alarm company or with the approval of the Licensing Authority another person deemed competent shall be submitted at least once a year to the effect that the fire alarm installation satisfies the requirements of the current British Standard.

Safety Curtain

A certificate shall be submitted at least once a year covering the safety curtain and its operating gears and controls.

Lasers

Certificates of test and inspection of permanently installed lasers shall be submitted at six monthly intervals.

Fire Appliances

Certificates shall be submitted at least once a year covering all portable fire appliances together with any hydraulic hose reels, drenchers or sprinklers.

Smoke Machines and Strobe Lighting

Certificates for permanently installed smoke machines and strobe lighting shall be submitted at least once a year.

Special Effects

PS130

Dry Ice Machines

Only dry ice machines listed on the Licensing Authority's approved list may be used unless sufficient technical information is provided to the Licensing Authority in sufficient time to enable it to determine whether the type of smoke generator proposed is acceptable.

PS132

General

Any entertainment, which involves special risks (e.g. firearms, smoking, and motor vehicles), may only be given with the Licensing Authority's consent. At least 14 days' notice shall be given to the Licensing Authority and, save in exceptional circumstances, must include the exact details of the proposal including the assessment of risk involved and the control measures to be put in place together with the date and time of any proposed rehearsal.

PS133

Lasers

The installation and operation of any laser shall comply with the Health and Safety Executive Guide HS (G) 95 "THE RADIATION SAFETY OF LASERS USED FOR DISPLAY PURPOSES", and the current British Standard.

The safety of the laser installation, including mirrors and mirror balls, shall be checked on a daily basis.

PS135

Pyrotechnics

Only pyrotechnics supplied specifically for stage use should be used as part of a stage presentation.

All pyrotechnics are potentially dangerous and must be used strictly in accordance with the manufacturer's instructions.

Pyrotechnics must only be fired from an approved key-protected control/firing box and never directly from the mains electricity supply.

The operator must have a direct view of the pyrotechnic device from the firing point.

The device must not be operated if there is any risk to anyone. In the event of a misfire the circuit should be switched off until after the performance.

Maroons must only be used in suitable bomb tanks.

PS136

Real flame

Real flame will only be permitted on stage if in the opinion of the Licensing Authority it can be used safely.

Real flame must be kept clear of costumes, curtains and drapes.

The lighting and extinguishing of the flame must be supervised by the duty fire officer who must remain where there is a clear view of the flame and easy access to it until it is extinguished.

Candle holders and candelabra must be robustly constructed, not easily overturned and, where practicable, fixed in position.

Hand-held flaming torches should incorporate fail-safe devices so that if a torch is dropped the flame is automatically extinguished. Fail-safe devices should be tested prior to each performance.

PS137

Smoke Machines

Only smoke machines listed on the Licensing Authority's approved list may be used unless sufficient technical information is provided to the Licensing Authority in sufficient time to enable it to determine whether the type of smoke generator proposed is acceptable.

Smoke machines shall be sited and controlled so that they do not obstruct exit routes nor cause a hazard to surrounding curtains or fabrics.

The volume of smoke shall be limited so that it does not seriously affect means of escape nor obscure exit signs. The penetration of smoke into areas where the public are admitted shall be restricted as far as is possible.

Smoke machines shall be operated by a responsible person who shall have received appropriate instruction.

PS138

Special Effects

The use of special effects (e.g. lasers, dry ice and smoke machines, strobe lighting, real flame, and pyrotechnics) or the bringing onto the premises of any explosive or flammable substance may only be permitted with the consent of the Licensing Authority. At least 14 days' notice shall be given to the Licensing Authority detailing the exact proposal including the assessment of the risk involved and the control measures to be put in place and the date and time of any proposed rehearsal. Special effects shall only be used where the desired effect cannot be achieved using other safer means (e.g. by mechanical devices).

PS139

Strobe Lighting

Where stroboscope lighting units may be viewed directly by members of the public, these units shall be synchronised and locked off to operate at a fixed frequency of less than 5 cycles per second. With regards to Theatrical Productions, the above rule may be relaxed for purely momentary effects.

Warning notices shall be displayed stating that strobe lights operate as part of the effects on these premises. These notices should be displayed at the main entrance or within the foyer for members of the public to read before entering.

Public Nuisance

PN1

Conduct of Premises

Clear legible notices are to be displayed at all exits from the premises requesting patrons to respect the needs of local residents and to leave the premises and area quietly.

PN6

Litter

That the Licensee arranges for suitable and effective clearance of all litter immediately upon closing.

No refuse (including bottles) shall be removed from the premises between 23.00 hours and 08.00 hours

PN9

Noise, Sound Limiting Device, alterations

That no additions or alterations be made to the approved sound system(s), details of which were previously lodged with the Licensing Authority, without its consent.

That only the sound system in place now should be used (i.e. no outside amplifiers to be brought into the premises).

PN15

Windows and Doors

That the windows to the premises shall be kept closed whilst the bar is open to the public.

Protection of children from harm

CH7

Prohibition on use (sexual Nature)

Any entertainment performance, service, or exhibition involving nudity or sexual stimulation which would come within the definition of a sex establishment in Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 as amended by the Greater London Licensing Authority (General Powers) Act 1986, (whether or not locally adopted), shall not be provided.

NOTE: This condition does not apply to any entertainment that is an integral part of a licensed performance of a play.

CH18

Under 18 events

Entry to events held at the premises for persons under the age of 18 shall be by means of advance ordered tickets only.

No alcohol shall be sold or supplied on the premises during these events.

The Police and Licensing Authority shall be given a minimum of 14 days notice of the proposed event. The Police shall retain a power of veto over the event.

Alcohol supplied with takeaway service

All sales of alcohol arising from a telephone, app, website order for delivery must be paid for by debit or credit card. An alcohol verification sticker shall be applied to the delivery package so that alcohol can be easily retrieved by the delivery person to prevent an illegal sale. Details of the order (including the type, an indication of the presence of alcohol or any age restricted product, name, and address of the customer) must be included with the order. The details shall be shown on the digital record dispatched with the order. All delivery drivers and riders must allow any Police Constable or Local Authority Officer to inspect any alcohol or order details on request.

The premises will operate as a delivery only business. The premises will not open to the public and will be used for the dispatch of alcohol and other goods only. There shall be no collection of alcohol by the public from the premises.

The premises licence holder shall provide a closed-circuit television system (CCTV) at the premises. The CCTV system installed shall be maintained in effective working order and shall be in operation during licensing hours. All recordings made by the CCTV system shall be retained and stored in a suitable and secure manner for a minimum of 31 days. The licence holder shall notify the Licensing Authority within 24 hours when they become aware that the CCTV system is not functioning correctly. Alcohol deliveries shall only to be made to business and/or private residences and not to any public/open spaces.

A 'Challenge 25' Policy shall be in force at the point of delivery of the alcohol. No delivery shall be made if the person seeking to accept delivery appears under 25 and is unable to provide proof of age. Examples of appropriate ID include a passport; photographic driving licence; military ID; biometric residents permit and the Proof of Age Standards Scheme (PASS) approved age cards.

To minimise disturbance to local residents where a delivery vehicle is used to provide late night refreshment between 2am and 7am or to provide the supply of alcohol between the hours of midnight and 7am

Sunday to Thursday or between the hours of 2am and 7am Friday to

Saturday, then this will only be an electric or non-motorised vehicle, except in the event of an emergency or breakdown. A record of any exceptions shall be maintained and made available for inspection on request to the Licensing Authority or the Authorised

Officer.

1. Staff training must incorporate:
 - a) Responsible Alcohol Service, including recognising signs of drunkenness, refusal skills, drugs awareness
 - b) Managing and resolving conflict
2. Training records will be signed by staff, retained on the premises for a period of 12 months. They will be produced for inspection when required by an Officer of a Responsible Authority

CCTV

3. CCTV must be installed and cover all internal & external areas, including all public entry and exit points. The CCTV unit must be positioned in a secure part of the licensed premises and not within any private area of the location.
4. Access to the system must be allowed immediately to the Police, Trading Standards or an authorised officer of the Licensing Authority in accordance with the Data Protection Act where it is necessary to do so for the prevention of crime and disorder, prosecution or apprehension of offenders or where disclosure is required by law.
5. All images must be kept for a consecutive 31 day period and to be produced to the Police, Trading Standards or an authorised officer of the Licensing Authority in relation to the investigation of crime and/or disorder issues and suspected licence breaches, upon request or within 24 hours of such request where it is necessary to do so for the prevention of crime and disorder, prosecution or apprehension of offenders or where disclosure is required by law.
6. The CCTV system must be maintained so as to be fully operational and recording continually whilst the premises are open for licensable activities and during all times when customers remain on the premises.
7. The CCTV system clock must be set correctly and maintained (taking account of GMT and BST).
8. There must be a member of staff available at all times who is trained and capable of operating the CCTV system and also downloading any footage required by the Police, Trading Standards or an authorised officer of the Licensing Authority.

Door Supervisors

9. The Designated Premises Supervisor must identify the requirement for Door Supervisors by way of a risk assessment, which must be made available for inspection by an authorised officer. Where the risk assessment identifies the need for Door Supervisors to be deployed, Door Supervisors must be of sufficient number to be able to control entry to the premises and deal with any instances of disorderly behaviour within the premises simultaneously. Door Supervisors must remain at the premises until such time the premises are closed, and all members of the public have left the venue.
10. Where Door Supervisors are employed, there must be a register of every SIA person employed at the premises that contains the following details:
 - a) Full Name
 - b) Security Industry Authority licence number
 - c) Time and date each security staff starts and finishes duty.
 - d) Each entry must be signed by the Door Supervisors
11. That register must be kept fully updated at all times and remain at the licensed premises and be available for inspection immediately by an authorised officer of the Licensing Authority, the Security Industry Authority or Police.

Incident log

12. An incident log (which may be kept electronically) must be kept at the premises and made available on request to the Police or an authorised officer of the Licensing Authority. It must be completed within 24 hours of the incident and must record the following:
 - a) All crimes reported to the premises.
 - b) All ejections of patrons
 - c) Any complaints received concerning crime and disorder.
 - d) Any incidents of disorder
 - e) All seizures of drugs or offensive weapons
 - f) Where Possible, details of those involved including members of the public, police officers, SIA staff and employees.

Refusals log

13. A refusals register (which may be kept electronically) must be held at the premises and contain details of the time and date of any sales that are refused in relation to persons that are underage. This register must be made available for inspection upon request by a Responsible Authority.

External areas

14. The Outside areas shall be monitored and regularly cleared of glasses and bottles.
15. The outside areas shall not be used beyond 23:00hrs save for persons temporarily permitted to smoke.
16. No person shall be allowed to leave the premises (except to any area set aside for the consumption of alcohol) with open containers of drinks of any kind.
17. All Doors (save for access or egress) and Windows must be kept shut during regulated entertainment.

Conduct of premises

18. Notices shall be prominently displayed near all exits from the premises requesting patrons to leave quietly with consideration for neighbours.

Challenge 25

19. Challenge 25 must be operated at the premises whereby all persons who appear to be under 25 years of age and purchasing or attempting to purchase alcohol must be asked to provide identification to prove they are over 18 years of age. The only acceptable forms of identification allowed are:
 - a) a valid passport,
 - b) a valid photo ID driving licence or
 - c) a valid proof of age scheme card with the PASS approved hologram.
20. Challenge 25 signage must be displayed in a clear and prominent public place at the premises.
21. All staff must be fully trained in relation to the Challenge 25 scheme before being allowed to sell alcohol and a record must be kept of staff training.

4. On a further 20 occasions per year the terminal hour shall extend until 3am on the following day.
5. A "special event" for the purposes of non-standard timings means a UK or worldwide event or occasion of significance such as the NFL Super Bowl, the Olympic Final, the World Cup final, a bank holiday event, the Oscars, the Grammy's, the BAFTAs, a national or worldwide event or recognised day or anything of a similar nature.
6. Where a special event is to take place at the venue then the premises licence holder shall aim to give at least 28 days' notice of such event but no less than 14 days' notice.
7. Other than the non-standard timings on New Year's Eve, for other non-standard timing events, no more than five such events shall take place in any calendar month

CCTV

8. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Police Licensing Team. This shall include coverage of the main customer entry and exit.
9. The CCTV system shall continually record whilst the premises is open for and providing licensable activities and during all times when customers remain on the premises.
10. All recordings shall be stored for a minimum period of 30 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 30 day period and access to such footage or copies of recordings shall be made available to the Metropolitan Police or Licensing Authority upon reasonable request with a minimum of delay.
11. A staff member from the premises who is conversant with the operation of the CCTV shall be on duty at the premises at all times when the premises are providing licensable activities and open to the public.
12. A personal licence holder shall be on the premises whenever alcohol is being sold or supplied on the premises and bars are operational.

Incident Log

13. Whenever licensable activities are taking place an incident log (whether in physical or digital form) shall be maintained and operated at the premises and shall include and capture a record of:
 - a) Details of any refused entry to the premises;
 - b) The seizure of any illegal substances/drugs;
 - c) The seizure of any offensive weapon;
 - d) Details of any ejections from the premises;
 - e) Any incident involving serious disorder or violence;
 - f) Details of any significant refusal to sell alcohol; and
 - g) Details of any incident where the emergency services were called or otherwise attended the Premises.
14. These records will be kept available for inspection by the police or an authorised officer of Wandsworth Council for a period of at least 6 months.

Accommodation limit

15. The maximum number of guests invited to attend any event when licensable activities are taking place shall be 660 (for the avoidance of doubt this figure excludes those persons working or employed at the studio and venue, contractors, crew and performers).

Waste Management

16. The existing services for waste management and recycling, which are provided by the landlord across the Battersea Power Station development, will be utilised.

17. Leaflets or other physical promotional material will not be distributed outside of the premises.

18. Appropriate measures shall be put in place to control noise from the show box or content creation spaces located within the premises in line with the sound management plan.

Conditions relating to live music or performances.

19. Whenever live music is taking place involving a band or performers, appropriate welfare and changing facilities will be available for staff and performers.

20. The provision of the activity of indoor sporting events shall be limited to the provision of e-sports events only.

21. Unless the event comprises of a seated audience or a dinner dance event, drinks which are sold at the venue shall be dispensed into and served in either plastic vessels or toughened/shatter-proof glass.

22. Customers shall not be permitted to remove alcoholic drinks from the premises.

23. Refuse receptacles for audience use will be placed throughout the premises.

24. The venue will operate on a cashless basis with no coins or notes being taken at the premises when an event is taking place

Venue Management Plan

25. The premises shall devise and implement a detailed venue management operational plan. This plan shall set out how the venue will operate when used for events of different types and will also deal specifically with:

- a) managing access and egress (including a dispersal policy and a crowd management plan)
- b) security protocols and searching;
- c) event staffing and management;
- d) the operation of food and beverage areas
- e) emergency response (medical, fire and other) and liaison with the statutory authorities; the use of SIA security and the process for determining numbers for any given event; and
- f) a sound management plan (produced in conjunction with an acoustic consultant).

26. A copy of this plan shall be sent to Wandsworth Council and the police in advance of the premises being used for licensable activity for the first time. It shall also be readily available at the premises for inspection by a police officer and/or an authorised officer of Wandsworth Council. If the plan is updated then a copy of any updated plan shall be sent to the police and Wandsworth Council not less than 28 days (other than where immediate amendments are required) before such updated plan is to be used.

Terrace Area

27. The terrace area shall cease to operate by no later than 23.00 hours, save for on one occasion per calendar year when the premises are being used for a Special Event in line with the premises licence.

28. For live music (or similar) events involving standing, alcohol will be sold and dispensed from dedicated bar areas (as shown on the approved layout drawings) whether alcohol is being purchased in person or being served by way of servers.

Challenge 25

29. The premises shall operate a Challenge 25 policy in relation to any sales of alcohol requiring that those who attempt to buy alcohol and appear to be under 25 shall provide appropriate evidence that they are at least 18 years old. All staff members whose role involves the sale or supply of alcohol shall receive training in relation to this policy. The training shall be delivered at least once per year and records of training kept for a period of 3 years and made available to the Metropolitan Police or Licensing Authority upon reasonable request.

30. The only forms of identification which shall be accepted shall be a form of recognised identification with a photo card such as a passport, driving licence or PASS accredited age card.

31. Any events operating beyond 23:00hrs will be restricted to attendees aged 18 years and older.

32. For any event involving live music together with an audience where under 18s may be present and where alcohol is available for sale from fixed points of sale then notices shall be placed at all such fixed points of sale detailing the restrictions on sales of alcohol to children.

33. For any event involving live music with an audience and where alcohol is available for sale a record of refusals of sales of

alcohol shall be kept (whether in physical or digital form).

34. For any event involving live music where alcohol is available for sale and under 18s may be present then all members of staff who may be involved in alcohol sales shall have received appropriate training in relation to undertaking age appropriate checks.

35. Records of all staff training, relating to the sale of alcohol, along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

- g) Any refusal of the sale of alcohol.
- h) Any visit by a relevant authority or in relation to service

Search/Screening policy

12. An event search and screening policy will be implemented where:

- (a) it is deemed appropriate by the risk assessment, forming part of the ESMD, or it is directed by the police; and
- (b) is achievable as a result of controlled entry to a defined event area; with controlled entry point(s) being put in situ in locations that will ensure search and screening cannot be bypassed.

When a search and screening policy is implemented the premises licence holder shall ensure that:

- (c) Search and screening will be carried out in accordance with the Search and Screening Policy and will form part of the ESMD.

(d) The priority of the searching and screening operation shall be to deter, disrupt and detect those attempting to enter the event with banned or illegal items, while simultaneously maintaining good order and public safety as well as an efficient flow rate of customers to the premises. The

Policy will be communicated via signage at all entrances and communicated on BPS website.

(e) Search and screening is permitted onsite as outlined in the search and screening policy.

(f) A full risk assessment will be made by the PLH in conjunction with the Metropolitan Police service to the level of searching employed for each specific event.

(g) This will be monitored by PLH supervisory staff who will monitor the search and screening process; this is to ensure any issues can be escalated and searching regimes finessed as required during events.

(h) Searching and Seizures Briefings for Security Staff will be detailed in the ESMD.

(i) A Surrender System of prohibited items will be detailed within the ESMD.

(j) An eviction policy will be detailed within the ESMD.

Safety Arrangements, Risk Assessment

13. For all minor impact events, an event specific notification shall be submitted to the Licensing Authority a minimum of 14 days in advance of the event, outlining the nature of the event, and if children under 18 are permitted.

14. Major impact events shall be notified to the Licensing Authority at least 2 calendar months prior to the event being held, and a Safety Advisory Group be convened where deemed necessary on a risk rated basis.

15. For each major impact event an event specific management document shall be provided to the Licensing Authority outlining the proposed management structure, responsibilities and contact details, together with details of the organisation, control, monitoring and review mechanisms as identified by an event specific risk assessment. A detailed site plan of the event shall also be provided. In all cases, this documentation shall be submitted to the Licensing Authority at least 28 days in advance of the event, with the Licensing Authority and the Police holding power of veto, should arrangements be deemed insufficient to meet the licensing objectives.

16. A major impact event is where; Live Music, Recorded Music and/or Film are the principal reason for attending the event; OR the capacity is over 999 persons, excluding staff; OR there are proposed high risk activities / increased risk factors.

17. On each event a risk assessment will be produced and agreed with the Licensing Authority and, through that authority, the Metropolitan Police to include any appropriate and proportionate measures for the proposed use of the premises.

Event Specific Management Document (ESMD)

18. For all events, an Event Specific Management Document (ESMD) shall be completed. Where an event is considered at elevated risk, i.e. by virtue of its size, nature or user group, then there should be engagement with MPS - South West Basic Command Unit (SW BCU) as to whether a Safety Advisor Group (SAG) should be convened. This engagement should take place at least 28 days before the event is scheduled to take place.

19. All events will have a full risk assessment, taking into consideration the terrorist threat. 35. Clear legible notices are to be displayed at all exits from the premises requesting customers leaving the premises to respect the needs of the local residents and to leave the premises and area quietly, unless otherwise agreed with the Licensing Authority and Environmental Services

Drinking Up / Winding Down Time

36. All bars shall be closed at least 30 minutes before the event finish time.

37. All persons attending an event shall be cleared from the licensed area by 23.30 hours Monday to Saturday and 23.00 hours Sunday

Entertainment for Children

38. Entertainment specially presented for children that operates beyond 21:00 hours shall be ticketed in advance and no alcohol shall be sold on the premises.

Access for Children to Licensed Premises - General

39. Advice will be provided in an event management plan for access of children and a restriction on children only events,

limiting availability of alcohol or confirming the area in which alcohol can be consumed. Notice will be given if children have access past 21.00 hours.

40. Where there are restrictions on the admission of children, notices shall be strategically and prominently placed on or immediately outside the premises advising of such restrictions.

Challenge 25 Policy

41. The premises licence holder shall instruct persons authorised to supply alcohol under this premises licence, including third party event contractors, to comply with the following conditions:

- a) Evidence of age in the form of photo identification shall be requested from any person appearing to those selling or supplying alcohol, to be under the age of 25 and attempting to buy alcohol. Examples of appropriate photo identification include a passport, driving licence, and the Proof of Age Standards Scheme (PASS) approved age card.
- b) Notices shall be placed at all points of sale detailing the restrictions on sales of alcohol to children.
- c) A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age-restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal.
- d) The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.
- e) An effective visual (and/or aural) reminder shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age restricted product).
- f) All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol (and any other age restricted product).
- g) Records of all staff training and instructions to third party contractors, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.
- h) Staff training records and instructions to third party contractors shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

New Year's Eve, except on a Sunday

10.00am to 11.00pm

New Year's Eve on a Sunday

12 noon to 10.30pm

New Year's Eve

From the end of authorised hours on New Year's Eve to the start of authorised hours on the following day (or, if there are no authorised hours on the following day, midnight on 31st December

Alcohol may be sold or supplied for one hour following the hours set out above and on Christmas day, between 3.00pm and 7.00pm to persons taking table meals in the premises in a part of the premises usually set apart for the service of such persons and for consumption by such a person in that part of the premises as an ancillary to his meal. For other purposes or in other parts of the premises the hours set out above shall continue to apply

The above restrictions do not prohibit:

During the first twenty minutes after the above hours the consumption of the alcohol on the premises;

During the first twenty minutes after the above hours, the taking of the alcohol from the premises unless the alcohol is supplied or taken in an open vessel;

During the first thirty minutes after the above hours the consumption of the alcohol on the premises by persons taking meals there if the alcohol was supplied for consumption as ancillary to the meals;

Consumption of the alcohol on the premises or the taking of sale or supply of alcohol to any person residing in the licensed premises;

the ordering of alcohol to be consumed off the premises, or the despatch by the vendor of the alcohol so ordered;

the sale of alcohol to a trader or club for the purposes of the trade or club;

1. The licence holder shall ensure that at all times when they are carrying on the sale of alcohol by retail there are sufficient, competent staff on duty at the premises for the purpose of fulfilling the conditions of the licence and for preventing crime and disorder.

Right to work checks shall be conducted on all potential employees prior to their employment in any capacity at the business. Checks shall be in accordance with the Home Office Code of Practice for employers as current at that time.

The premises licence holder will operate a full digital HR management system where all relevant documents are stored for each individual member of staff. All relevant documents for members of staff will be retained for a period of 12 months post termination of employment and will be made available to the Metropolitan Police Service or an Officer of a Responsible Authority upon request.

The premises licence holder shall conduct a risk assessment for the general operation of the premises. This will include fire, health and safety and emergency evacuation. It will cover all areas of the premises, including the bar/restaurant, basement and any outside areas.

The premises' fire risk assessment will be made available to any responsible authority immediately upon request.

The premises licence holder shall ensure that all emergency lighting is checked on a weekly basis. Entrances, exits and passageways shall be kept clear.

General

LM3

Licensing Act 2003. Section 177a

The provision of entertainment consisting of the performance of live music and recorded music is not to be regarded as the provision of regulated entertainment provided:

Music takes place on premises which are authorised by a premises licence or club premises certificate to be used for the supply of alcohol for consumption on the premises,

At the time of the music, the premises are open for the purposes of being used for the supply of alcohol for consumption on the premises,

If the music is amplified, it takes place in the presence of an audience of no more than 500 patrons, and

The music takes place between 8am and 11pm on the same day

Any condition of the premises licence or club premises certificate detailed below which relates to live music, recorded music or both does not have effect in relation to the music.

The prevention of crime & disorder

CD2

CCTV Numbers location and maintenance

A CCTV system shall be installed in the premises, the numbers and position of all cameras shall be agreed with the Metropolitan Police. The position of these cameras shall be noted on a plan of the premises ('the Camera Plan') and which shall be kept with the license at the licensing authority. Any changes to the position of cameras as agreed with the police shall be notified to the licensing authority by the submission of an amended Camera Plan (for which no variation application shall be required).

2. All recordings made by the CCTV system shall be retained and stored in a suitable and secure manner for a minimum of 31 days, and shall be made available, subject to the Data protection Act 1998 and/or relevant Guidance of the Information Commission as may from time to time be in place, on request to the Police.

3. To ensure that the CCTV system is maintained in an effective working order, operating and recording at all times the premises are open to the public.

4. To have a member of staff who is trained in the use of the CCTV system on duty at the premise at all times whilst they are open.

5. Recordings shall be made available immediately or as soon as practicable up to a maximum of 24 hours upon the request of the Police.

20. All ventilation and extraction systems and ducting shall be correctly installed, operated, maintained and regularly serviced, all in accordance with the manufacturer's instructions, to ensure that they are operating correctly and efficiently so as not to cause a nuisance to neighbours arising from noise or odour.

Challenge 25

21. The Premises shall operate a 'Challenge 25' age verification policy and staff shall be trained in respect of the policy. Staff shall ask for proof of age from anyone they suspect of being less than 25 years of age. The only acceptable forms of identification shall be a photo style driving licence, a passport, a photo identification card bearing the PASS logo in a hologram format, military ID or recognised national photographic identity cards from member countries of the European Union.

22. Notices shall be placed at all points of sale detailing the restrictions on sales of alcohol to children.

23. A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age-restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal.

24. The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

25. An effective visual (and/or aural) reminder shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

26. All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol (and any other age-restricted product). Refresher training will be carried out at least every three months.

27. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any

training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

28. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

Alcohol supplied with takeaway service

All sales of alcohol arising from a telephone or online order for delivery must be paid for by credit card.

All delivery persons must be aged 18 years or more

The alcohol must be packaged separately from goods that aren't subject to age related sales, so that it can easily be retrieved to prevent an illegal sale.

Details of the order (including the type, amount of alcohol, name and address of the customer) shall be kept at the licensed premises and must be shown on the printout despatched with the order.

All delivery drivers and riders must allow any police or authorised local authority officers on request to inspect any alcohol and printed order.

Off sales shall only be permitted when made with the purchase of food and in sealed containers.

The sale of alcohol will remain ancillary to the use of the premises as a food led restaurant/take away operation.

Annex 2 - Conditions consistent with the operating Schedule

General

LM3

Licensing Act 2003. Section 177a

The provision of entertainment consisting of the performance of live music and recorded music is not to be regarded as the provision of regulated entertainment provided:

Music takes place on premises which are authorised by a premises licence or club premises certificate to be used for the supply of alcohol for consumption on the premises,

At the time of the music, the premises are open for the purposes of being used for the supply of alcohol for consumption on the premises,

If the music is amplified, it takes place in the presence of an audience of no more than 500 patrons, and

The music takes place between 8am and 11pm on the same day

Any condition of the premises licence or club premises certificate detailed below which relates to live music, recorded music or both does not have effect in relation to the music.

The prevention of crime & disorder

CD9

Responsibility of Licensee

No soliciting for custom, including the distribution of leaflets, shall take place from the premises, immediately outside the Premises or in the vicinity of the premises.

Where a licence has been granted to a company, the licensee must appoint a duty manager or duty managers who shall be in charge of and upon the premises at all material times. In such cases, the licensee shall notify the Licensing Authority of the names of those persons appointed duty managers. In addition, a copy of the written authorisation must be kept on the premises and be readily available for inspection by any police officer or authorised officer.

CD10

Security, admission

Admission shall be refused to any person found with or suspected of carrying or under the influence of drugs or carrying an offensive weapon.

Public safety

PS1

Accommodation Limit

The maximum number of persons to be accommodated on the premises at any one time shall not exceed:

Civic Hall - 550 persons

Banqueting Hall - 350 persons

Both Halls combined - 800 persons

PS6

Attendants in large venues

Where the premises has a maximum accommodation of more than 300 persons, there shall be a minimum of two members of staff on duty on each floor or tier where the public are present.

PS8

Charge of Licensed Premises

The duty manager shall be familiar with all licence conditions.

The duty manager shall not engage in any duties, which will prevent general supervision of the premises. The duty manager shall whenever necessary be assisted by suitable adults.

Before admitting the public the duty manager shall carry out all necessary safety checks as identified by the health and safety risk assessment for the premises/activity.

The duty manager shall maintain good order at the premises

PS20

Prohibition on use (Hypnotism, Mesmerism)

No person shall give at the premises any exhibition, demonstration or performance of hypnotism, mesmerism or any similar act or process which produces or is intended to produce in any other person any form of induced sleep or trance in which susceptibility of the mind of that person to suggestion or direction is increased or intended to be increased.

NOTE: This rule does not apply to exhibitions given under the provisions of Section 2(1a) and 5 of the Hypnotism Act 1952.

PS159

Boxing, wrestling, combined fighting

The ring shall be installed in a position approved by the Licensing Authority and shall be constructed to the satisfaction of the Licensing Authority. Any material used to form the skirt around the ring shall be non flammable to the satisfaction of the Licensing Authority.

That a management document be provided to and approved by the licensing authority and police, outlining the proposed management structure, responsibilities and contact details for each boxing, wrestling or combined fighting event, together with details of the organisation, control, monitoring and review mechanisms as identified by the risk assessment. This shall be provided four (4) weeks prior to each individual event with the licensing authority and police retaining a power of veto.

Public nuisance

PN1

Conduct of Premises

No poster, advertisement, photograph, sketch, synopsis or programme shall be displayed, sold or supplied anywhere by or on behalf of the licensee which is unsuitable for general exhibition. If the licensee is notified by the Licensing Authority in writing that it objects under this rule to a poster, advertisement, photograph, sketch, synopsis or programme, it shall not be displayed, sold or supplied.

The licensee shall ensure that no noise shall emanate from the premises nor vibration be transmitted through the structure of the premises, which gives rise to a nuisance.

Clear legible notices are to be displayed at all exits from the premises requesting patrons to respect the needs of local residents and to leave the premises and area quietly.

PN3

Hours of Closing, British Summer Time

On the morning that Greenwich Mean Time changes to British Summer Time one hour will be added to the terminal hour of licences having a terminal hour of later than 2am.

PN6

That the Licensee arranges for suitable and effective clearance of all litter immediately upon closing.

PN3

Restriction on Entertainment

The banqueting hall shall not be let separately from the civic hall while the latter is in use under the licence.

Protection of children from harm

CH1

Entertainment for Children

Entertainment specially presented for children shall not be given for children without the Licensing Authority's consent. At least 14 day's notice shall be given to the Licensing Authority of any intention to provide such entertainment in premises not normally used for children's entertainment.

CH4

Entertainment for Children

If children take part in any entertainment the consent of the relevant Education Authorities will be needed.

CH5

Entertainment's Unsuitable for Some Audiences

When any television entertainment or part of such entertainment is described by the broadcasting authority in advance of the day on which it is to be broadcast as unsuitable for viewing by any particular group of persons, a notice to that effect, indicating the group of persons concerned, shall be displayed in a conspicuous position to the satisfaction of the Licensing Authority at each entrance to the premises.

CH6

Entertainment's Unsuitable for Some Audiences

Unless the consent of the Licensing Authority has been obtained no such entertainment shall be given on the premises during the time any child under or appearing to be under the age of 16 is therein unless the child is accompanied by an adult person bona-fide in charge of the child.

CH7

Prohibition on use (sexual Nature)

Any entertainment performance, service, or exhibition involving nudity or sexual stimulation which would come within the definition of a sex establishment in Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 as amended by the Greater London Licensing Authority (General Powers) Act 1986, (whether or not locally adopted), shall not be provided.

NOTE: This condition does not apply to any entertainment that is an integral part of a licensed performance of a play.

Annex 2 - Conditions consistent with the operating Schedule

General

LM3

Licensing Act 2003. Section 177a

The provision of entertainment consisting of the performance of live music and recorded music is not to be regarded as the provision of regulated entertainment provided:

Music takes place on premises which are authorised by a premises licence or club premises certificate to be used for the supply of alcohol for consumption on the premises,

At the time of the music, the premises are open for the purposes of being used for the supply of alcohol for consumption on the premises,

If the music is amplified, it takes place in the presence of an audience of no more than 500 patrons, and

The music takes place between 8am and 11pm on the same day

Any condition of the premises licence or club premises certificate detailed below which relates to live music, recorded music or both does not have effect in relation to the music.

The prevention of crime and disorder

CD2

CCTV, numbers location and maintenance

Before the licence takes effect the Licensee shall provide a closed-circuit television (CCTV) system at the premises. The numbers and location of all cameras shall be agreed with the Metropolitan Police and shall be noted on the plan attached to the premises licence in force at the premises.

The closed-circuit television (CCTV) system installed at the premises shall be maintained in effective working order, and shall be in operation at all times the premises is open to the public.

All recordings made by the CCTV system shall be retained and stored in a suitable and secure manner for a minimum of 31 days. A copy of the recordings shall be made immediately on request from the Police or other Responsible Authorities.

At all times the premises is open to the public a minimum of one member of staff on duty will be able to operate the CCTV.

CD3

Door Supervisors

That there shall be 2 Security Industry Authority (SIA) registered door supervisors on duty from 21:00 hours on any day that the premises remain open to the general public for licensable activities after midnight, and until all members of the public have left the premises. The SIA door supervisors shall solely be employed for that purpose.

An incident logbook shall be kept at the premises. It shall be used to record the details of the door supervisors on duty and to record every instance of crime and disorder. It shall be made available on request from the Licensing Authority or Responsible Authorities.

CD4

Latest Admission

That there shall be no admission or re-admission of patrons to the premises after 23.00 hours on Friday and Saturday nights.

CD6

Notices, Contact Number

That the Licensee provides local residents with a landline telephone number at the premises.

CD9

Responsibility of Licensee

No soliciting for custom, including the distribution of leaflets, shall take place from the premises, immediately outside the Premises or in the vicinity of the premises.

Where a licence has been granted to a company, the licensee must appoint a duty manager or duty managers who shall be in charge of and upon the premises at all material times. In such cases, the licensee shall notify the Licensing Authority of the names of those persons appointed duty managers. In addition, a copy of the written authorisation must be kept on the premises and be readily available for inspection by any police officer or authorised officer.

CD10

Security, admission

Admission shall be refused to any person found with or suspected of carrying or under the influence of drugs or carrying an offensive weapon.

CD11

Security, incidents

All staff must report immediately to their manager instances where patrons appear to be in distress.

Public safety

PS1

Accommodation Limit

The maximum number of persons to be accommodated on the premises at any one time shall not exceed 100.

PS8

Charge of Licensed Premises

The duty manager shall be familiar with all licence conditions.

The duty manager shall not engage in any duties, which will prevent general supervision of the premises. The duty manager shall whenever necessary be assisted by suitable adults.

Before admitting the public the duty manager shall carry out all necessary safety checks as identified by the health and safety risk assessment for the premises/activity.

The duty manager shall maintain good order at the premises

PS20

Prohibition on use (Hypnotism, Mesmerism)

No person shall give at the premises any exhibition, demonstration or performance of hypnotism, mesmerism or any similar act or process which produces or is intended to produce in any other person any form of induced sleep or trance in which susceptibility of the mind of that person to suggestion or direction is increased or intended to be increased.

NOTE: This rule does not apply to exhibitions given under the provisions of Section 2(1a) and 5 of the Hypnotism Act 1952.

The prevention of public nuisance

PN1

Conduct of Premises

No poster, advertisement, photograph, sketch, synopsis or programme shall be displayed, sold or supplied anywhere by or on behalf of the licensee which is unsuitable for general exhibition. If the licensee is notified by the Licensing Authority in writing that it objects under this rule to a poster, advertisement, photograph, sketch, synopsis or programme, it shall not be displayed, sold or supplied.

The licensee shall ensure that no noise shall emanate from the premises nor vibration be transmitted through the structure of the premises, which gives rise to a nuisance.

Clear legible notices are to be displayed at all exits from the premises requesting patrons to respect the needs of local residents and to leave the premises and area quietly.

PN6

Litter

That the Licensee arranges for suitable and effective clearance of all litter immediately upon closing.

PN9

Noise, Sound Limiting Device, alterations

That no additions or alterations be made to the approved sound system(s), details of which were previously lodged with the Licensing Authority, without his consent.

PN10

Noise, Sound Limiting Device, Changes

That the sound limiting device installed at the premises be maintained at the levels previously approved by the Licensing Authority and that no changes be made to the set levels without its consent.

PN15

Windows and Doors

That all windows remain closed at all times and that all doors remain closed except during access and egress whenever the premises are used for entertainment.

The protection of children from harm

CH7

Prohibition on use (sexual Nature)

Any entertainment performance, service, or exhibition involving nudity or sexual stimulation which would come within the definition of a sex establishment in Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 as amended by the Greater London Licensing Authority (General Powers) Act 1986, (whether or not locally adopted), shall not be provided.

NOTE: This condition does not apply to any entertainment that is an integral part of a licensed performance of a play.

CD42

Challenge 25 Policy

Evidence of age in the form of photographic identification (ID) shall be requested from any person appearing to those selling or supplying alcohol to be under the age of 25 and who is attempting to buy alcohol.

Examples of appropriate ID include a passport, photographic driving licence, Military ID and the Proof of Age Standards Scheme (PASS) approved age cards.

Notices shall be strategically and prominently placed at points of sale advising customers that they may be asked to provide evidence of age.

A refusals book to record every instance that sales of alcohol are refused shall be maintained.

The refusals book shall document the date and time a refusal of sale is made and the member of staff refusing the sale.

The refusal book shall be available for inspection by an authorised officer of the licensing authority, trading standards officers or the police.

Annex 2 - Conditions consistent with the operating schedule

Restriction on Licence

1. The premises shall operate as a coffee bar during the day, transitioning into a wine bar in the afternoon and evening.

CCTV

2. The premises shall install, operate, and maintain a comprehensive digital colour CCTV system to the satisfaction of the Police.

3. All public areas of the licensed premises including entry and exit points will be covered. The system must record clear images permitting the identification of individuals, and in particular enable facial recognition images (a clear head and shoulder image) of every person entering and leaving in any light condition.

4. The CCTV system will continually record whilst the premises are open for licensable activities and during all times when customers remain on the premises. All equipment must have a constant and accurate time and date generation. All recordings will be stored for a minimum period of 31 days with date and time stamping.

5. Recordings will be made available immediately upon the request of an authorised officer of a responsible authority throughout the entire 31 day period. The CCTV system will be capable of downloading images to a recognisable viewable format. The CCTV system will capture a minimum of 4 frames per second. The CCTV system will be fitted with security functions to prevent recordings being tampered with, i.e., be password protected.

Incident Book

6. An incident log shall be kept and maintained at the premises which will include a log of the following, including pertinent details:

- i. Any incidents of disorder or of a violent or antisocial nature;
- ii. All crimes reported to the venue, or by the venue to the police;
- iii. All ejections of patrons;
- iv. Any complaints received;
- v. Seizures of drugs or offensive weapons;
- vi. Any faults in the CCTV system;
- vii. Any visits by a responsible authority (under the Licensing Act 2003) or emergency service.

7. Records must be completed within 24 hours of any incident, and will contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. The logs shall be kept for at least 12 months following the date of entry and be made available for inspection and copying upon request of an authorised officer of a responsible authority.

Staff Training

8. All staff engaged in licensable activity at the premises will receive training and information in relation to the following:

- i. The Challenge 25 scheme in operation at the premises, including the forms of identification that are acceptable.
- ii. The hours and activities permitted by the premises licence issued under the Licensing Act 2003 and conditions attached to the licence.
- iii. How to complete and maintain the refusal register in operation at the premises (in relation to the sale of alcohol).
- iv. Recognising the signs of drunkenness.
- v. The operating procedures for refusing service to any person who is drunk, under-age or appears to be under-age, or appears to be making a proxy purchase.
- vi. Action to be taken in the event of an emergency, including reporting an incident to the emergency services.

9. Training shall be recorded in documentary form and shall be regularly refreshed at no greater than 12-month intervals. Training records shall be made available for inspection and copying at reasonable times upon request of an authorised officer of a responsible authority. Training records will be retained for at least 12 months.

Single Cans

10. No single beers, lagers or ciders above 6% ABV (alcohol by volume) shall be sold at the premises. No spirits shall be sold in bottles of less than 20cl (centilitres).

Signage

11. Prominent, clear notices shall be displayed at every public entrance stating the actual operating hours of the premises.

Contact Number

12. A telephone number shall be made available and displayed in a prominent location where it can conveniently be read from the exterior of the premises by the public for local residents to contact in the case of noise-nuisance or anti social behaviour by

persons or activities associated with the premises.

13.The telephone number will be a direct number to the management who are in control during opening hours.

14.A record will be kept by management of all calls received, including the time, date and information of the caller, including action taken following the call.

15.Records will be made available for inspection and copying by an authorised officer of a responsible authority throughout the trading hours of the premises.

Deliveries

16.No deliveries (in relation to licensable activities) to the premises shall take place between 23:00 hours and 07:00 hours.

Litter

17.During the hours of operation of the premises, sufficient measures will be taken to remove and prevent litter and waste arising or accumulating from customers in the area immediately outside the premises.

Waste Collection

18.No collections of waste or recycling materials (including bottles) from the premises shall take place between 23:00 hours and 07:00 hours on the following day.

Challenge 25

19.There will be in place a written age verification policy in relation to the sale or supply of alcohol, which will specify a Challenge 25 proof of age requirement. This means that staff working at the premises must ask individuals who appear to be under 25 years of age, attempting to purchase alcohol, to produce identification. The only acceptable identification documents will be:

- a) A photo driving licence.
- b) A passport.
- c) An identification card carrying the PASS hologram.

20.Unless such identification is produced the sale of alcohol must be refused. This policy shall include documented steps taken to prevent adults from purchasing alcohol for or on behalf of children under 18.

21.The premises shall display prominent signage indicating at any point of sale that a Challenge 25 scheme is in operation.

22.An effective visual (and/or aural) reminder shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

23.All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate refresher training in relation to undertaking appropriate age checks on such, at least every three months.

24.Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

25.Training shall be signed and documented. Training records must be kept on the premises and be made available for inspection and copying to an authorised officer of a responsible authority on request. The documentation relating to training should extend back to a period of at least 12 months and should specify the time, date and details of the persons both providing the training and receiving the training.

26.An alcohol sales refusal register shall be kept at the premises and be maintained to include details of all alcohol sales refused. The register will include:

- i. The date and time of refusal.
- ii. The reason for refusal.
- iii. Details of the person refusing the sale.
- iv. Description of the customer.
- v. Any other relevant observations.

27.The refusals register will be made available for inspection and copying on request of an authorised officer of a responsible authority. All entries must be made within 24 hours of the refusal.

Restriction on licence

28. The basement area shall only be used as a kitchen and a restroom.

29. The stairwell to the basement shall be carpeted or modified in a manner that reduces the emission of noise.

30. All service to customers shall be at seated table spaces only, save for the 8 seats at the bar, where they are waiting for seats.

Annex 2 - Conditions consistent with the operating Schedule

General

LM3

Licensing Act 2003. Section 177a

The provision of entertainment consisting of the performance of live music and recorded music is not to be regarded as the provision of regulated entertainment provided:

Music takes place on premises which are authorised by a premises licence or club premises certificate to be used for the supply of alcohol for consumption on the premises,

At the time of the music, the premises are open for the purposes of being used for the supply of alcohol for consumption on the premises,

If the music is amplified, it takes place in the presence of an audience of no more than 500 patrons, and

The music takes place between 8am and 11pm on the same day

Any condition of the premises licence or club premises certificate detailed below which relates to live music, recorded music or both does not have effect in relation to the music.

PN22

Drinking Up/Winding Down Time

The restrictions on the hours for the sale of alcohol do not prohibit during the first thirty minutes after the time that the sale of alcohol must cease the consumption of alcohol on the premises.

Crime and Disorder

CD2

CCTV Numbers location and maintenance

A CCTV recording system to be installed and kept in good working order.

All recordings made by the CCTV system shall be retained and stored in a suitable and secure manner for a minimum of 31 days, and shall be made available on request to Police , the Licensing Authority or other responsible Authorities.

To ensure that the CCTV system is operating whilst the premises are open to the public.

To have a member of staff who is trained in the use of the CCTV system on duty at the premises at all times whilst they are open to the public.

A copy of CCTV footage to be provided on request to the Police of any incident to which the Police have been called, subject to the time required to burn the footage on to a disc.

Public Nuisance

PN1

Conduct of Premises

1. A notice shall be prominently displayed near to the exit reminding patrons to respect the needs of local residents and to leave the premises and area quietly.

No noise nuisance to neighbouring residents shall emanate from the premises.

PN6

Litter

1. The premises licence holder shall ensure that all staff shall be vigilant in relation to litter issues, routinely checking the premises during opening hours to ensure they are clean and tidy and to ensure the frontage of the premises is swept at least once each trading day.

2. Prior to closing each night, the licence holder shall remove all litter and/or waste from Grand Parade Mews.

PN15

Windows and Doors

All windows shall remain closed at all times and all doors shall remain closed except during access and egress after 22.00 hours.

PN23

Gardens/External drinking areas

The external drinking areas shall not be used after 22.00 hours, and shall be cleared of customers by that time when the premises is open to the public.

External chairs and tables shall be rendered unusable by 22.00 hours on every day.

The area shall be used as a smoking area and staff and security shall monitor the area and encourage customers to return swiftly back into the venue.

No music shall be audible in the garden area.

The external area of the premises shall not be used for the playing of recorded music at any level at any time.

PN30

Live performances

Live music shall be limited to no more than 6 musicians performing at any one time.

PN32

Complaints Book

1. The licensee shall provide a landline/mobile telephone number for the premises to local residents; and

2. The licensee shall maintain a log of all complaints received by the premises from local residents. This log shall also contain details of steps taken to remedy any problems and shall be available for inspection by the Metropolitan Police and the Environmental Services Division of the London Borough of Wandsworth.

Protection of Children from Harm
CD42

Challenge 25 Policy

1. Evidence of age in the form of photo identification shall be requested from any person appearing to those selling or supplying alcohol, to be under the age of 25 and attempting to buy alcohol. Examples of appropriate photo identification include a passport, new style driving licence, and the Proof of Age Standards Scheme (PASS) approved age card.

2. Notices shall be placed at the premises' entrance and at all points of sale detailing the restrictions on sales of alcohol to children.

3. A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age-restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal.

4. The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

A system of prompts shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

6. All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol (and any other age-restricted product). Refresher training will be carried out at least every three months.

7. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

8. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

Annex 2 - Conditions consistent with the operating schedule

The prevention of crime & disorder

CCTV Numbers location and maintenance

1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Wandsworth Police Licensing Team where/when appropriate. For all commercial premises, all entry and exit points will be covered enabling frontal identification of every person entering in any light condition.
2. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31 day period.
3. A staff member from the premises who is conversant with the operation of the CCTV shall be on the premises at all times when the premises are open to the public. This staff member shall be able to show Police recent data or footage with the absolute minimum of delay when requested.

Security/Incidents

4. An incident log shall be kept at the premises and made available on request to an authorised officer of the Council or the Police, which will record the following:
 - a) All crimes reported to the venue;
 - b) All ejections of patrons;
 - c) Any complaints received concerning crime and disorder;
 - d) Any incidents of disorder;
 - e) All seizures of drugs or offensive weapons;
 - f) Any refusal of sale of alcohol.

Public Safety

Charge of Licensed Premises/Duty Manager

5. The approved arrangements at the premises, including means of escape provisions, emergency warning equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.
6. The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the plans provided.
7. All emergency exit doors shall be available at all material times without the use of a key, code, card or similar means.
8. All emergency doors shall be maintained effectively self-closing and not held open other than by an approved device.
9. The edges of the treads of steps and stairways shall be maintained so as to be conspicuous.
10. Curtains and hangings shall be arranged so as not to obstruct emergency safety signs or emergency equipment.

The prevention of public nuisance

Conduct of Premises

11. Substantial food and non-intoxicating beverages, including drinking water, shall be available in all parts of the premises where alcohol is sold or supplied for consumption on the premises.
12. No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.
13. No fumes, steam or odours shall be emitted from the licenced premises so as to cause a nuisance to any persons living or carrying on business in the area where the premises are situated.

Rubbish/Waste

14. All waste shall be properly presented and placed out for collection no earlier than 30 minutes before collection times.
Litter
15. During the hours of operation, the licence holder shall ensure sufficient measures are in place to remove and prevent litter

or waste arising or accumulating from customers in the area immediately outside the premises, and that this area shall be swept and or washed and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business.

Noise, Sound Limiting Device

16. Save for within residential premises, a noise limiter must be fitted to the musical amplification system set at a level determined by a suitably qualified acoustic expert, so as to ensure that no noise nuisance is caused to local residents or businesses. The operational panel of the noise limiter shall then be secured by key or password and access shall only be by persons authorised by the Premises Licence Holder. The limiter shall not be altered without prior agreement of the acoustic expert. No alteration or modification to any existing sound system(s) should be effected without prior knowledge of an authorised officer or the acoustic expert. No additional sound generating equipment shall be used on the premises without being routed through the sound limiter device.

Annex 2 Conditions consistent with the Operating Schedule

The prevention of crime & disorder

CCTV Numbers location and maintenance

1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Wandsworth Police Licensing Team where/when appropriate. For all commercial premises, all entry and exit points will be covered enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises.
2. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31-day period.
3. A staff member from the premises who is conversant with the operation of the CCTV shall be on the premises at all times when the premises are open to the public. This staff member shall be able to show Police recent data or footage with the absolute minimum of delay when requested.

Security/Incidents

4. An incident log shall be kept at the premises and made available on request to an authorised officer of the Council or the Police, which will record the following:
 - a) All crimes reported to the venue;
 - b) All ejections of patrons;
 - c) Any complaints received concerning crime and disorder;
 - d) Any incidents of disorder;
 - e) All seizures of drugs or offensive weapons;
 - f) Any refusal of sale of alcohol.

Public Safety

Charge of Licensed Premises/Duty Manager

5. The approved arrangements at the premises, including means of escape provisions, emergency warning equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.
6. The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the plans provided.
7. All emergency exit doors shall be available at all material times without the use of a key, code, card or similar means.
8. All emergency doors shall be maintained effectively self-closing and not held open other than by an approved device.
9. The edges of the treads of steps and stairways shall be maintained so as to be conspicuous.
10. Curtains and hangings shall be arranged so as not to obstruct emergency safety signs or emergency equipment.

The prevention of public nuisance

Conduct of Premises

11. Substantial food and non-intoxicating beverages, including drinking water, shall be available in all parts of the premises where alcohol is sold or supplied for consumption on the premises.
12. No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.
13. No fumes, steam or odours shall be emitted from the licensed premises so as to cause a nuisance to any persons living or carrying on business in the area where the premises are situated.

Rubbish/Waste

14. All waste shall be properly presented and placed out for collection no earlier than 30 minutes before collection times.
Litter.
15. During the hours of operation, the licence holder shall ensure sufficient measures are in place to remove and prevent litter or waste arising or accumulating from customers in the area immediately outside the premises, and that this area shall be

swept and or washed and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business.

Noise, Sound Limiting Device

16. Save for within residential premises, a noise limiter must be fitted to the musical amplification system set at a level determined by a suitably qualified acoustic expert, so as to ensure that no noise nuisance is caused to local residents or businesses. The operational panel of the noise limiter shall then be secured by key or password and access shall only be by persons authorised by the Premises Licence Holder.

17. The limiter shall not be altered without prior agreement of the acoustic expert. No alteration or modification to any existing sound system(s) should be effected without prior knowledge of an authorised officer or the acoustic expert. No additional sound generating equipment shall be used on the premises without being routed through the sound limiter device.

Gardens/External areas

18. There shall be no licensable activities in the external areas after 23.00 hours Monday to Saturday and 22.30 hours on Sundays.

Smoking Area

19. The premises licence holder shall ensure that any patrons smoking outside the premises do so on an orderly manner so as to ensure that there is no public nuisance or obstruction of the public highway.

20. Notices shall be prominently displayed at any public area used for smoking requesting patrons to respect the needs of local residents and use the area quietly.

Annex 2 Conditions consistent with the Operating Schedule

The prevention of crime & disorder

CCTV Numbers location and maintenance

1. The premises shall install and maintain a comprehensive CCTV system as per the minimum requirements of the Wandsworth Police Licensing Team where/when appropriate. For all commercial premises, all entry and exit points will be covered enabling frontal identification of every person entering in any light condition.
2. The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the preceding 31-day period.
3. A staff member from the premises who is conversant with the operation of the CCTV shall be on the premises at all times when the premises are open to the public. This staff member shall be able to show Police recent data or footage with the absolute minimum of delay when requested.

Security/Incidents

4. An incident log shall be kept at the premises and made available on request to an authorised officer of the Council or the Police, which will record the following:
 - a) All crimes reported to the venue;
 - b) All ejections of patrons;
 - c) Any complaints received concerning crime and disorder;
 - d) Any incidents of disorder;
 - e) All seizures of drugs or offensive weapons;
 - f) Any refusal of sale of alcohol.

Counter Terrorism Awareness Training

5. All members of customer facing staff, will be provided with basic Counter Terrorism Awareness Training by the Premises Licence Holder. Such training is available at <https://www.gov.uk/government/news/act-awareness-elearning> or via the local Counter Terrorism Protect Officer (CTPO) Duty managers will have access to the ProtectUK App | ProtectUK when on duty at the site. Both of which provide Counter Terrorism advice and guidance. See below links; London Shield - Apps on Google Play London Shield on the App Store (apple.com)

Public Safety

Charge of Licensed Premises/Duty Manager

5. The approved arrangements at the premises, including means of escape provisions, emergency warning equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.
6. The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the plans provided.
7. All emergency exit doors shall be available at all material times without the use of a key, code, card or similar means.
8. All emergency doors shall be maintained effectively self-closing and not held open other than by an approved device.
9. The edges of the treads of steps and stairways shall be maintained so as to be conspicuous.
10. Curtains and hangings shall be arranged so as not to obstruct emergency safety signs or emergency equipment.

The prevention of public nuisance

Conduct of Premises

11. Substantial food and non-intoxicating beverages, including drinking water, shall be available in all parts of the premises where alcohol is sold or supplied for consumption on the premises.
12. No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.

13. No fumes, steam or odours shall be emitted from the licenced premises so as to cause a nuisance to any persons living or carrying on business in the area where the premises are situated.

Rubbish/Waste

14. All waste shall be properly presented and placed out for collection no earlier than 30 minutes before collection times.

Litter

15. During the hours of operation, the licence holder shall ensure sufficient measures are in place to remove and prevent litter or waste arising or accumulating from customers in the area immediately outside the premises, and that this area shall be swept and or washed and litter and sweepings collected and stored in accordance with the approved refuse storage arrangements by close of business.

Noise, Sound Limiting Device

16. Save for within residential premises, a noise limiter must be fitted to the musical amplification system set at a level determined by a suitably qualified acoustic expert, so as to ensure that no noise nuisance is caused to local residents or businesses. The operational panel of the noise limiter shall then be secured by key or password and access shall only be by persons authorised by the Premises Licence Holder.

17. The limiter shall not be altered without prior agreement of the acoustic expert. No alteration or modification to any existing sound system(s) should be effected without prior knowledge of an authorised officer or the acoustic expert. No additional sound generating equipment shall be used on the premises without being routed through the sound limiter device.

Gardens/External areas

18. There shall be no licensable activities in the external areas after 23.00 hours Monday to Saturday and 22.30 hours on Sundays.

Smoking Area

19. The premises licence holder shall ensure that any patrons smoking outside the premises do so on an orderly manner so as to ensure that there is no public nuisance or obstruction of the public highway.

20. Notices shall be prominently displayed at any public area used for smoking requesting patrons to respect the needs of local residents and use the area quietly.

Notices/contact number

21. Notices shall be prominently displayed at all main exits into the lobby areas requesting patrons to respect the needs of local residents and to leave the area quietly.

22. A direct telephone number for the manager at the premises shall be publicly available at all times when licensable activities are provided. This telephone number is to be advertised by way of notice on the main noticeboard for the premises

1. All alcohol on display shall be in such a position so as not to be obscured from the constant view of the staff.
2. There shall be no self-service of alcohol on the premises.
3. Premises capacity shall not exceed 60.

Conduct of Premises

4. Prominent, clear notices shall be displayed at every public entrance stating the actual operating hours of the premises.

CCTV

5. The premises shall install, operate, and maintain a comprehensive digital colour CCTV system to the satisfaction of the Police. All public areas of the licensed premises including entry and exit points shall be covered.
6. The system shall record clear images permitting the identification of individuals, and in particular enable facial recognition images (a clear head and shoulder image) of every person entering and leaving in any light condition. The CCTV system shall continually record whilst the premises are open for licensable activities and during all times when customers remain on the premises. All equipment shall have a constant and accurate time and date generation.
7. All recordings shall be stored for a minimum period of 31 days with date and time stamping. Recordings shall be made available immediately upon the request of an authorised officer of a responsible authority throughout the entire 31 day period.
8. The CCTV system shall be capable of downloading images to a recognisable viewable format. The CCTV system shall capture a minimum of 4 frames per second. The CCTV system shall be fitted with security functions to prevent recordings being tampered with, i.e., be password protected.

Staff Training

9. All staff engaged in licensable activity at the premises shall receive training and information in relation to the following:
 - a) The Challenge 25 scheme in operation at the premises, including the forms of identification that are acceptable.
 - b) The hours and activities permitted by the premises licence issued under the Licensing Act 2003 and conditions attached to the licence.
 - c) How to complete and maintain the refusal register in operation at the premises (in relation to the sale of alcohol).
 - d) Recognising the signs of drunkenness.
 - e) The operating procedures for refusing service to any person who is drunk, under-age or appears to be under-age, or appears to be making a proxy purchase.
 - f) Action to be taken in the event of an emergency, including reporting an incident to the emergency services.
10. All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate refresher training in relation to undertaking appropriate age checks on such, at least every three months.
11. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

Incident log

12. An incident log shall be kept and maintained at the premises which will include a log of the following, including pertinent details:
 - a) Any incidents of disorder or of a violent or antisocial nature;
 - b) All crimes reported to the venue, or by the venue to the police;
 - c) All ejections of patrons;
 - d) Any complaints received;
 - e) Seizures of drugs or offensive weapons;
 - f) Any faults in the CCTV system;
 - g) Any visits by a responsible authority (under the Licensing Act 2003) or emergency service.
13. Records shall be completed within 24 hours of any incident, and shall contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. The logs shall be kept for at least 12 months following the date of entry and be made available for inspection and copying upon request of an authorised officer of a responsible authority.

Glasses/Bottles

14. The collection of glasses and bottles shall be undertaken at regular intervals to ensure there is no build-up of empties on

the premises.

Contact Number

15. A telephone number shall be made available and displayed in a prominent location where it can conveniently be read from the exterior of the premises by the public for local residents to contact in the case of noise-nuisance or anti-social behaviour by persons or activities associated with the premises. The telephone number shall be a direct number to the management who are in control during opening hours.

16. A record shall be kept by management of all calls received, including the time, date and information of the caller, including action taken following the call. Records shall be made available for inspection and copying by an authorised officer of a responsible authority throughout the trading hours of the premises.

Deliveries

17. No deliveries (in relation to licensable activities) to the premises shall take place between 23:00 hours and 07:00 hours.

Litter

18. During the hours of operation of the premises, sufficient measures will be taken to remove and prevent litter and waste arising or accumulating from customers in the area immediately outside the premises.

Waste Collection

19. No collections of waste or recycling materials (including bottles) from the premises shall take place between 23:00 hours and 07:00 hours on the following day.

Challenge 25

20. There shall be in place a written age verification policy in relation to the sale or supply of alcohol, which shall specify a Challenge 25 proof of age requirement. This means that staff working at the premises shall ask individuals who appear to be under 25 years of age, attempting to purchase alcohol, to produce identification. The only acceptable identification documents shall be:

- a) A photo driving licence
- b) A passport
- c) An identification card carrying the PASS hologram

21. Unless such identification is produced the sale of alcohol must be refused. This policy will include documented steps taken to prevent adults from purchasing alcohol for or on behalf of children under 18.

22. An effective visual (and/or aural) reminder shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

Refusal log

23. An alcohol sales refusal register shall be kept at the premises and be maintained to include details of all alcohol sales refused. The register will include:

- a) the date and time of refusal
- b) the reason for refusal
- c) details of the person refusing the sale
- d) description of the customer
- e) any other relevant observations

24. The refusals register shall be made available for inspection and copying on request of an authorised officer of a responsible authority. All entries must be made within 24 hours of the refusal.

Deliveries of alcohol

25. The Premises Licence Holder shall ensure that anyone utilised by the licence holder for the role of delivering alcohol orders ensures that the alcohol is delivered to the client who ordered the alcohol, or ensures that any 'safe place' as designated by the client where the delivery can be left must be in an area not visible to the general public and not where any minor can access the delivery.
