

Rutherford House School - Admissions Policy 2027-28

PAN and Oversubscription Criteria

The published admission number is 60 places into Reception. The school will admit up to this number each year to the Reception year and, when full, the school has 420 pupils on roll.

This Admissions Policy has been approved by the Bellevue Place Education Trust (BPET) Board, as the admissions authority for the school.

In accordance with the law, children with an Education Health and Care Plan (EHCP) will be admitted to the school where the Local Authority has specifically named Rutherford House School as the most appropriate placement.

Where there are fewer applicants than places available all applicants will be admitted. In the event of there being greater demand than there are places available to the school, and after the admission of children with an EHCP that names the school, places will be offered using the following oversubscription criteria in keeping with the School Admissions Code 2021:

- 1 Children in care, i.e. children in the care of the Local Authority as defined in the Children Act 1989. This category includes '*looked after children*' and children who have previously been looked after, but immediately after being looked after became subject to an adoption, child arrangements or special guardianship order, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. (See note A).
- 2 Children with a sibling at the school at the time of admission. (See note B).
- 3 Children of staff at the school. (See note C)
- 4 Proximity to the school. This will be measured in a straight line from the address point of the pupil's home to the central point of the school site as determined by Wandsworth Borough Council's Geographical Information System. (See note D).

Notes

- A. A child '*looked after*' is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. An adopted child is defined by section 46 of the Adoption and Children Act 2002 or section 12 of the Adoption Act 1976. A child arrangement order is defined by section 14 of the Children and Families Act 2014. A special guardianship order is defined by section 14A of the Children Act 1989.
- B. Sibling is defined in these arrangements as: a brother or sister, a half-brother or sister, an adopted brother or sister, a step-brother or sister, or the child of the parent's partner

where the child for whom the school place is sought is living in the same family unit and at the same address as that sibling or a foster child permanently living in the same family unit whose place has been arranged by the social service department of the Local Authority. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. Proof of the sibling relationship will be required.

- C. Priority to children of staff will be given in either or both of the following circumstances:
 - (i) Where the member of staff has been employed at the school for two or more years at the time at which the child starts at the school; and/or
 - (ii) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- D. The straight-line measurement used to prioritise applicants for admission to schools in Wandsworth commences in all cases at the location of the property determined by the National Land Planning Gazetteer and terminates at the central point of the school site as determined by Wandsworth Council's Geographical Information System. Measurements by alternative systems and/or to other points will not be taken into account in any circumstances. Where applicants have identical distance measurements, priority amongst them will be determined at random.

A child's home will be their habitual residence and must be the address where you live with your child, unless you can prove that your child lives elsewhere with someone who has legal care and control of your child. A child's home must be a residential property that is the child's only or main residence¹, not an address at which your child may sometimes stay or sleep due to your domestic arrangements. The property must be owned, leased or rented by the child's parent/s or the person with legal care and control of the child. Additionally, a child's home address is where he or she spends most of the school week (Monday-Thursday), unless this is accommodation at a boarding school.

- E. Sibling is defined in these arrangements as: a brother or sister, a half-brother or sister, an adopted brother or sister, a step-brother or sister or the child of the parent's partner where the child for whom the school place is sought is permanently living in the same family unit and at the same address as that sibling or a foster child permanently living in the same family unit whose place has been arranged by the social service department of the Local Authority. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. Proof of the sibling relationship will be required.
- F. In cases of multiple births where there is only one place available, and the next child on the list is a twin, triplet, or other example of multiple birth, we would admit both twins (and all the children in the case of other multiple births) even if this meant exceeding the agreed admission number of 60 for reception 2027-28 or the number of places in other year groups.

¹ The address should be where the parent and the child live. Where a child has two homes due to parental responsibility being shared, the address used will be the one where the child spends most of the school week (i.e. Sunday to Thursday nights inclusive) as confirmed by written evidence from both parents/guardians. If the same, reference will be made to the NHS registration address and any child care provision (nursery or childminder). If a false declaration of address is deemed to have been made, the offer of a place may be withdrawn.

Tie Breaker

In the event that two or more children live at the same distance from school, the tie breaker will be random allocation, where the supervised drawing of lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s).

Method of Applications for Reception

The school will be participating in coordinated admission arrangements administered by Wandsworth Borough Council. Parents/carers must apply on the Application Form of the local authority where they live. This can be completed online via www.wandsworth.gov.uk/admissions (you must create an account) or on a paper form available from the local [council's website here](#). The closing date for reception class applications will be 15th January 2027. Notification letters or emails will be sent out on 16th April 2027 by the London Borough of Wandsworth. Applications received after the set closing date will be accepted, but will not normally be considered for a place at the school until after the initial offer date.

Date of Admission/Deferred Entry

Children will normally be admitted to the reception year in the September following their fourth birthday.

In line with the Admissions Code, parents can defer their child's entry to the reception year until later in the school year, where they have been offered a place at a school to start before they are of compulsory school age. Where entry is deferred, the school will hold the place for that child and not offer it to another child. However, entry cannot be deferred beyond the beginning of the term after the child's fifth birthday, nor beyond the beginning of the final term of the Reception year. Parents can also request that their child attends part-time until he/she reaches compulsory school age.

Delayed admission of children outside their normal age group (summer born children)

Children will normally be admitted to the reception year in the September following their fourth birthday and the vast majority of pupils are educated within their normal chronological age group. Any request for admission outside of the child's chronological year of entry will be considered in accordance with paragraphs 2.18-2.20 of the Schools Admissions Code 2021.

The school's admission authority will consider requests on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parents' views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The Headteacher's views will also be taken into account. Parents may, if they wish, provide supporting evidence from a professional (GP, hospital consultant or social worker) to assist the admission authority in making its decision. If the request is approved, the application will then be considered in accordance with the school's oversubscription criteria in the event of oversubscription.

Parents have a statutory right to appeal against the refusal of a place at the school but this right does not apply if they are offered a place at the school but it is not in their preferred age group.

Waiting List

Unsuccessful applicants (including any applications received after the closing date) will be included on the school's waiting list ranked in order of priority under the published oversubscription criteria, without regard to the date that the application was received. Please note a child's position on the waiting list can go down as well as up. For example, if a new application is received or if a child on the list moves nearer to the school, the waiting list may need to be revised. The offer of a place does not depend on the length of time your child's name has been on the waiting list. Waiting lists will be held by the school for one school year after the year of entry, unless parents specifically request to have their child's name remain on the list.

Appeals

Parents who are not offered a place for their child have the right to appeal to an independent appeal panel. Parents wishing to appeal, should submit their claim by filling out the Appeal Form (available on the school's website) and send it directly to our school:

Clerk to Appeal Panel
Rutherford House School
217 Balham High Road
London
SW17 7BQ

The appeal should reach the Clerk to the Appeal Panel within 20 school days of the date of the letter confirming the decision not to offer a place.

In-Year Admissions

For in-year admissions, parents/carers must apply to the school on the Wandsworth [In-Year Common Application Form](#). Applications will be considered in accordance with the above oversubscription criteria. In the event that it is not possible to offer a place the child will be added to the waiting list and the appeals procedures described above will apply.

Fair Access Protocol

Along with all state maintained schools in Wandsworth, the school participates in the local authority's In-Year Admission Fair Access Protocol to allocate places exceptionally to vulnerable and other children in accordance with the School Admission Code 2021. Where required, the admission of such pupils under the protocol takes precedence over pupils on a school's waiting list and may require the school to admit above the planned admission number for the relevant year group.
