Re : Eastwood South, Toland Square, Residential Development

Dear Sir/Madam,

Further to previous correspondence on the Eastwood South, Toland Square, Residential Development. I write to introduce myself as the Lifebuild Solutions site manager for the Enabling works phase of the project.

The project consists of the construction of 7no low rise residential dwellings on the former existing estate garages. The project has commenced today, Monday 30th March 2026 with a completion date in April 2027. We are aware of the inconvenience caused by our activity and apologise in advance for any disruption. Rest assured that we will do everything possible to minimise the impact of our activities on your neighbourhood.

My contact number should you have any questions is **07884 051546**.

If you have particular concerns (scheduled deliveries, construction, accessibility needs, etc.) please get in touch using the below contact details. Lifebuild Solutions Ltd are an active member of the Considerate Constructors Scheme. Full details of the Scheme will be posted on our community site notice board proposed to be next to our site entrance for your information.

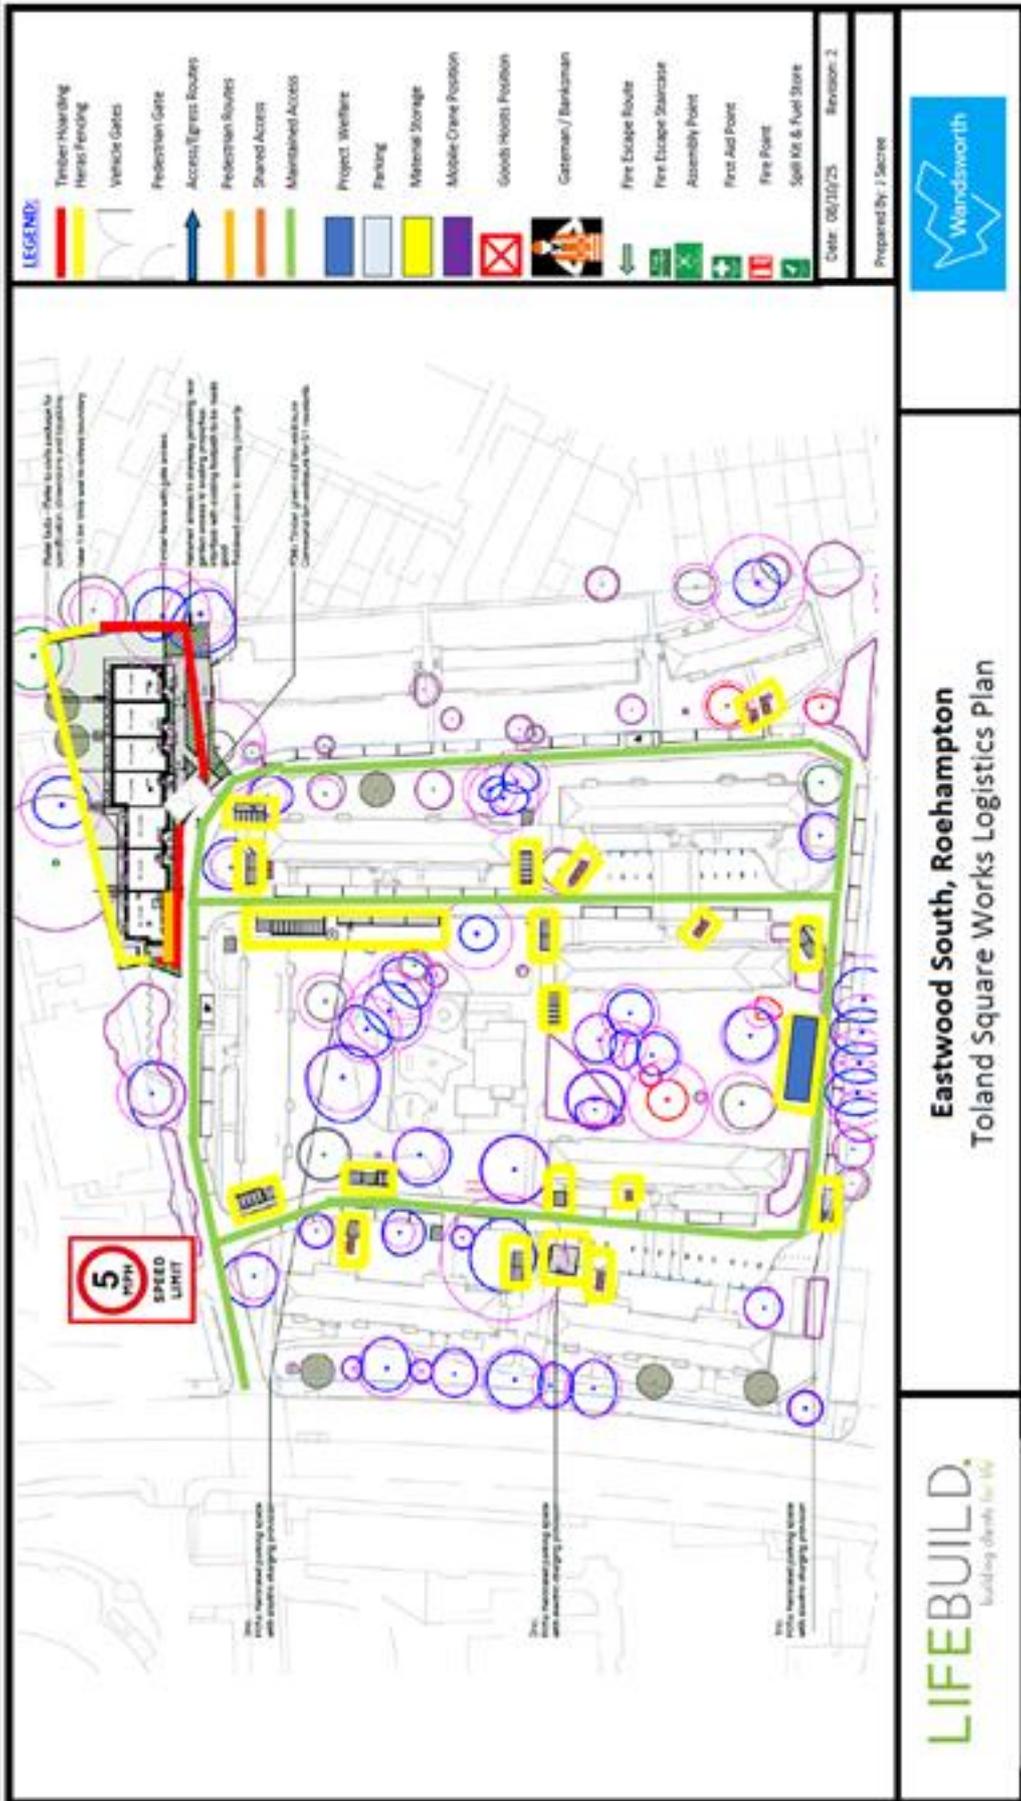

For your information, please find attached a plan of the project setup including the positioning of our welfare facilities. They have been positioned within Toland Square in order to not impact the resident parking spaces adjacent to the build site.

We thank you in advance for your patience and cooperation. If you have any questions or comments, please feel free to contact me using the below details.

Yours faithfully

For and on behalf of **LIFE** Build Solutions Limited

Said Yazbeck
Site Manager
